BOLSHEVIK BOOKS SEIZED BY POLICE IN WINDSOR HOUSE

Foreigner Arrested Following the Raid.

TOLD OF NEW REGIME

Literature Was Printed in Newark, N. J., To Be Sent To Ottawa.

WINDSOR, Sept. 7.—Confiscation of a quantity of Russian Bolshevik pamphlets at 53 Wyandotte street yesterday was followed by the arrest of Alexander Sawchuck, and resulted in the cutting off of the chief source of importation of banned literature into Ontario, the Dominion police believe.

The raid also netted an account book which was used, the police say, to keep track of money donated for the purchase and importation from Detroit of books and literature.

When Sawchuck was brought into court he refused to make any statement.

Printed in Newark.

The books, telling of a new regime, were printed in Newark, N. J., according to an imprint on the cover. Officers found $200 in drawers in the room where the books were kept, as well as $325 on Sawchuck when arrested. The man said that $200 of the money did not belong to him, and professed to be ignorant of its existence.

The books will be sent to Ottawa for examination. Since charges were made several weeks ago by the Government that literature was coming into Canada through Windsor officials have been attempting to find the source of importation.

While the police were raiding the Wyandott house one of the members of the household threw a bottle of liquor from the second story window and hit the police officer on the head. The thrower, Ona Koskam, paid $200 and costs for violation of the temperance act.

KINGSVILLE, Sept. 7.—When two young men, Messrs. WATERLOO DECIDES TO BUILD HOUSES UNDER COMMISSION

Accepts Offer of Guarantee—376 Voters' Names Added.

[Special to The Advertiser.]

KITCHENER, Sept. 7.—Waterloo led the way for Kitchener Saturday night, when the town council by a unanimous vote passed a bylaw, placing the town under the Ontario housing act and appointing a housing commission. This was done in connection with an offer from the Dominion Rubber System to build 100 houses in Waterloo and to guarantee the entire loan, placing the strength of the Canadian Consolidated Rubber Company behind the security offered.

It is the intention of the Consolidated Company to build 100 houses close to the corporation line of Waterloo, which will lie in the vicinity of the company's various Kitchener plants. The company at present has a motor bus system for conveying employees to and from the factories, and in all probability the system will be extended to the Waterloo system. The company will sell houses to employees at the actual cost of building.

CALL PASTOR.

Word was received by the board of governors of the Waterloo Lutheran Church here today of the acceptance by Rev. H. Schaefer, V.V.D., of the call extended him by the board. Professor Schaefer is now connected with a similar institution at Philadelphia. He will assume his new duties here on October 1.

The total voting strength of Kitchener in the referendum, according to the revised list will be 11,047. This is more than half the entire population. The inclusion of women accounts for the unusually large total.

SKY-HIGH PRICES.

Sky-high prices were recorded on the Kitchener market Saturday. They were: Eggs 55c, butter 60c, chickens 35c to 45c, pears $1 per basket, potatoes 75c a peck, cheese 32c, corn 25c, plums 65c a basket and hay $26 a ton.

TO RESTORE CHURCH IN ST. THOMAS OVER HUNDRED YEARS OLD

Old English Church, Walnut Street, First in Country—Pioneers Rest in Churchyard.

ST. THOMAS, Sept. 7.—There is a strong possibility that providing sufficient funds can be raised that the old English Church, which has stood in Walnut street for over a hundred years, will be restored to such an extent that it can be used again for divine worship. The Right Rev. Bishop Williams of Huron preached the annual sermon there this afternoon to a congregation that filled this famous edifice to the doors. Even the gallery was occupied. The choir of Trinity Church rendered the musical program, and Rev. W. F. Brownlee of St. Johns, J. W. J. Andrew of Trinity and Rev. Archdeacon Hill of Toronto, but formerly of Trinity Church here, assisted the bishop in the service.

The old church was the first Anglican Church to be erected here and it has a history that no other building standing here today can boast. Some of the city's most prominent and pioneer residents have been laid to rest in the churchyard and Anglicans of the city are anxious that this landmark of the progress of the English Church and the city itself shall be preserved.

WILSON REFUSED TO AID NATIONALISTS AT THE CONFERENCE

Would Not Use Influence To Secure a Hearing For Them.

WASHINGTON, Sept. 7.—While private negotiations proceeded yesterday between senators favoring "strong" or "mild" reservations to the German peace treaty, the foreign relations committee receiver a report of a spirited discussion of the Irish question at Paris last June between President Wilson, Frank P. Walsh and former Governor Dunne of Illinois, who sought to secure a hearing before the peace conference for the Nationalists.

The report was transmitted by the Irish National bureau supplementing recent committee hearings. It said Mr. Wilson declined to use his influence to get a hearing for the Irish representatives, declaring that Messrs. Walsh and Dunne, by intemperate speeches in Ireland, had made it impossible.

Treaties in existence, the president also was reported as having declared, impeded his efforts to procure self determination for subject peoples.

TWO LIQUOR RAIDS STAGED AT WINDSOR

WINDSOR, Sept. 7. — Two police raids, which each netted a quantity of liquor, were staged this afternoon. One in Ford by Chief Maisonsville brought forth four gallons of pure alcohol at the house of a foreigner on St. Francis street, as well as a dozen bottles of very bad "fire water." George Bondes, who claims Hamilton as his home, was arrested after the police chased him for a mile across the fields. He admitted being responsible for the liquid in the bottles.

In Windsor a squad of police dropped in at the home of Steve Leduc on Langlois avenue, where five bottles of liquor was confiscated and Leduc was taken to headquarters.

The show has become very prominent in the district, drawing large crowds from the neighboring towns and cities. EMBRO SCHOOL FAIR.

EMBRO, Sept. 7.—The Embro and West Zorra School Fair at Matheson Park was a decided success. Lunch was served in the rink by some of the members of the Women's Institute and by some parents of the children.

After lunch President Roy Murray gave an address, also three other boys from different schools. The children of the twelve schools marched. The children from the Bennington school got first prize, Embro got second prize. Then followed several races for the boys and girls. In the football race, the girls against the boys, the girls were the winners. In a race of the lady teachers Miss Margaret Hossack won first prize, and Miss Violet Kerr won second prize.

The display of cooking was excellent. The show of flowers was good, considering the dry weather, also the grain and vegetable and the poultry exhibit were good; also sewing and crotching which was on exhibition surpassed all other years. TEMPERANCE TALKS OPEN CAMPAIGN IN CHATHAM CHURCHES

CHATHAM, Sept. 7.—Officials of the Ontario temperance referendum committee today delivered addresses in the city churches as a preliminary to the dry campaign here.

Rev. Ben Spence of Toronto, secretary of the committee, speaking in Park Street Methodist Church this morning, claimed that the campaign is a holy crusade, in which every church must take part. Rev. Mr. Spence was confident that prohibition would carry, but it faced dangers. These are the complicated ballots, the fact that two-thirds of the voters on the coming referendum have never marked a ballot before, and the spirit of compromise.

Other temperance officials who gave addresses in the churches were Dr. A. S. Grant, Rev. Peter Bryce of Toronto, and D. W. Duggan, field secretary of the Dominion Temperance Alliance.

PICKED UP UNCONSCIOUS.

LOOK FOR BOOZE.

Thieves during the night broke into freight cars on the Grand Trunk Railway and stole considerable merchandise. It is believed that the thieves made the raid in quest of booze.

Between eight hundred and nine hundred appeals have been filed on behalf of local people whose names have been left off the city voting lists.

Mrs. R. V. Bray has been appointed regent of the 24th Kent Chapter of the Daughters of the Empire, in the place of Mrs. W. A. Coltart, who has resigned.

INVESTIGATE CLUB.

A letter has been received by High Constable Peters, charging that several Chatham men frequent a club on the lake shore, Dover Township, and at frequent intervals stage booze orgies. The writer objects to the yelling and shouting. The complaint is being investigated.

DOUBLE SALARY.

The hospital board has decided to raise the salaries of the nurses on probation at the Public General Hospital. They will receive, including board and lodging, $6 a month for the first year, $8 when in the second year, and $12 when in the third year. This means that their salaries have been doubled.
