Our commitment to you.

"Can I really get 11 selections for a penny?"
Yes! Simply choose 11 selections you really want and tell us whether you prefer CDs or cassettes on the membership form and you get them all now.

"Yeah, then you'll hit me with a big delivery charge!"
The fact is, you pay only $1.85 special shipping and handling charge for all 11 of your first selections.

"How many titles will I have to choose from?"
We know freedom without choice is an empty promise. Right away you can see how easy it is to choose 11 selections you really do want. When it comes to Music Clubs, there's only one choice, the one with the most choice.

"What else do I get for joining?"
How about a special price bonus offer that gives you 2 more CDs or cassettes and have less to buy later. See our membership form for details. From the moment you join you are guaranteed a 1/2 price CD or cassette when you buy one at regular Club price.

"How long do I have to stay in the Club?"
It's really up to you. All we ask is that you buy seven more selections (less if you take advantage of the special bonus offer now) at the regular Club prices. While you can buy them all at once, we make it easy for you to spread your choices over as long as 3 years. After you purchase the required number of selections, you're eligible for even bigger savings with the Club's Bonus Plan with CDs just $5.99 or $3.99 for cassettes.
