MONTREAL.

MONTREAL, July 24.—There were 500 head of butchers' cattle, 130 calves and 300 sheep and lambs offered at the East End abattoir yesterday. The demand for cattle was very dull and prices were rather lower than the very lowest of Thursday's market; especially was this the case with common and inferior stock. A few head of the best cattle sold at about 3¾c per lb, with pretty good stock at from 3½c to 3¼c per lb.; common dry cows and rough steers sold at about 3c, and the leaner beasts sold down to about 2c per lb. It is probable that a considerable number will have to be held over for another market. Calves sold fairly well at from $2 to $5 for common, and from $6 to $10 each for superior ones. Mr. Bourassa bought a superior calf for $10, and several others at about $7. He also bought 37 lambs at from $3 35 to $3 75 each; common lambs sold at from $2 25 to $3 each, and sheep at from ½c to 4c per lb. Fat hogs are advancing in price; fed hogs selling at from 5½c to 5¾c per lb, and those just come off the cars being about ¼c more.

—An amusing episode occurred in the market today and which had a happy termination to the principal party concerned. A lady purchased some peas from a dealer and tendered silver in payment. When the latter took out his purse to make the necessary change he discovered to his dismay that $7 in bills was missing, and at once came to the conclusion that he had been robbed the previous night. The lady, however, while examining her purchase, which was put into a paper bag, noticed some crumpled paper at the bottom, and it turned out to be the missing $7. Mrs. Shepherd Shunted.

The Toronto Mail says: The annual meeting of the Loyal Protestant Women's Association of Canada concluded its session at Brantford on Friday evening last. As already announced in the Mail, considerable trouble existed owing to events disclosed in a recent law suit in this city. For more than a year Mrs. Margaret L. Shepherd has been honorary supreme president, and is said to have done much good work for the organization. The following official notice has been handed to the Mail for publication: "Will you kindly advise the general public through the columns of your paper that the office of honorary supreme president of the L. P. W. of C. is now dispensed with, and the above society is in no way whatever connected with Mrs. Margaret L. Shepherd, who formerly held that office. The society is in active existence, and Mrs. Agnes C. Youmans, of this city, is the supreme president; Mrs. Warren B. Buckley, of Parkhill, is supreme first vice-president; Mrs. H. Wallace, of Woodstock is supreme secretary, and Miss Maclaren, of Sarnia, is supreme treasurer." It is stated in usually well-informed circles in the city that more lawsuits are pending, and that rival associations are being formed, promising lively times on an early date.

PROVINCIAL PROTESTS

Against Dr. Ryerson and Hon. J. M. Gibson.

TORONTO, July 24.—This forenoon two protests were filed at Osgoode Hall. One is against the return of Dr. Ryerson, elected in East Toronto, and another against Hon. J. M. Gibson in Hamilton. The last-named is believed to be a "fishing" expedition.

Another report says: "The object is to disqualify Dr. H. Ryerson if possible, and the outcome will be awaited with much interest here. It was freely reported that he paid $5,000 for the East Toronto nomination, and the Liberals want to get at the truth of this. In addition to the usual catalogue of election sins there are charges that money was given, promised or loaned to lodges, societies and corporations to be corruptly used. This refers to the P. P. A. organization."

THE VIGILANT'S TURN

To Beat the Britannia — Racing at Saratoga.

ROCHE'S POINT, Ireland, July 24.—The Vigilant and Britannia started in a race again this morning for a cup offered by the Royal Yacht Club, of Cork, valued at 100 guineas. The course to be sailed over is the same as that in yesterday's race, the finish to be in front of the club house. The weather was cloudy, and occasionally rain fell, and what little breeze there was blew lightly from the northeast.

The yachts crossed the line at 10:30:02 a.m. the Britannia having a nose the best of it, but the Vigilant secured the weather berth and more than offset this slight advantage. The Britannia after going half the distance to the first mark ran under the stern of the Vigilant and got the weather, but the Vigilant, however, was the first of the yachts to turn the mark at Poor Head. They were timed at this mark as follows: Vigilant, 10:53:49; Britannia, 10:54:20. The run to Daunt's Rock was a free reach on the starboard tack.

Passing Daunt's Rock: Vigilant, 10:25:55; Britannia, 11:26:47. On the second time around the Vigilant passed Poor Head two minutes in the lead.

Turning Roche's Point: Vigilant, 1:36:50; Britannia, 1:40:06.

At Daunt's Rock: Vigilant, 1:07:05; Britannia, 1:09:32.

Round Roche's, third round: Vigilant, 3:14:25; Britannia, 3:18:15.

The wind freshened in the reach to Roche's Point and the Vigilant in her customary style in a breeze
