PERTH COUNTY FARMERS MAKE $40,000 EXTRA ON SELECT HOGS

Premiums Have Stimulated Swine-Raising in District.

PERCENTAGE HIGH

St. Marys Area Makes Splendid Reputation in Industry.

Associated Press Despatch.

Stratford, Aug. 12.—It is conservatively estimated that farmers in Perth county have in the past year made some $40,000 by the payment of a 10 per cent premium on select bacon hogs. The premium obtainable has stimulated the desire on the part of Perth farmers to raise better hogs and a steady increase in the quality of animals is being noticed.

The percentage of selects in the county for the past week was roughly 26. There were 1,236 hogs shipped, and of these 343 were graded selects. It is estimated that the number of animals shipped out of the county weekly will amount to about 1,500 on the average throughout the year.

St. Marys, Too.

St. Marys is making a name for itself as the center which is raising the best quality hogs consistently in the province of Ontario. For fourteen weeks last year St. Marys took the honor of being the center which shipped the largest number of hogs graded select. It looks as if it might have captured the honors again last week. There were 48 per cent selects in the week's shipment, an exceptionally fine average.

Special to The Advertiser.

Stratford, Aug. 12.—With a field of oats, which won 95 points, W. W. Ballantyne, Downie, has been declared winner in the Stratford Agricultural society's standing field crop competition. Alex. Horne, North Easthope, with 91 points, was a good second.

In all there were seventeen fields judged by Wm. Baille of Goderich. In making his decision he stated that on the whole the fields were extra good, and that Mr. Ballantyne's was the best he had judged this year.
