One of the perplexing times, despite the pleasure associated with it, but if you will visit this store you will find a class of goods different to those shown elsewhere, and that will help you over the worry of choosing an acceptable thing.

- Novelties in Odd Pieces of Fine Furniture for Parlor, Dining Room, Library, Hall or Bedroom.
- Unique and Exclusive Goods in Pottery—some beautiful lines in the new School of Art.
- A thousand and one things in Bric-a-Brac.

If you live out of town write us, suggesting as nearly as possible what you would like, and you can safely trust to our recommendation of goods.
