THE TORONTOS BEATEN.

Providence Won by 8 Runs to 2 in a Seven Innings Game.

Providence, June 20.—The game between the Providence and Toronto Clubs to-day was cut short at the end of seven innings to allow the Torontos to make train connections. At that time they were beaten by a score of 8 to 2, and as the Canucks were not doing anything against Hodson's pitching with the fast support he was having in the field, the result was not likely to be changed had the full nine innings been completed. Dineen pitched for Toronto, but he could not hold down the Grays as he did Thursday. Attendance 2000. Score:

TECUMSEHS WIN BY 4 TO 1

CORNWALL'S LACROSSE TEAM BEATEN AT THE ISLAND.

Superb Combination Shown by the Ferry Company's Team—Factory Town Puts Up a Stubborn Defence—How the Goals Were Scored—Elms Defeat Georgetown in a C.L.A. Intermediate Contest.

First....Tecumsehs..Burns.. ... 7 min.
Second..Tecumsehs..German ... 2 min.
Third....Cornwall....Butler ..... 9 min.
Fourth..Tecumsehs..Cross .....24 min.
Fifth....Tecumsehs..Cross ..... 6 min.

Two thousand lovers of the national game saw the reorganized Tecumsehs trounce Cornwall's conglomeration of lacrossists at Hanlan's Point Saturday afternoon by 4 goals to 1. The Factory Town sent up a strong team and although they put up a stubborn defence were clearly outplayed. Not only did the Ferry boys show the better combination but individually they outsprinted their opponents. Their ability to pass accurately at their opponents' goal was nicely demonstrated in the second game, when the referee awarded Yorke a free throw near the flags for cross checking. German caught the quick pass and shot swiftly through, while Cornwall's defence men seemed anchored in their tracks. The star of the visitors was Loo White, the elongated Indian, who coolly corralled the ball on frequent occasions and walked over the Tecumsehs' home or their score would have been doubled. His brother John and Day, the third aborigine, also did good work. Lewis, Africa's representative on the twelve, did not do much until near the close, and then he showed he could play lacrosse as good as Indian or white man.

The Tecumsehs' two new men, Murphy and McVey, were evidently not in championship form, but a week's practice should round them to the team to perfection. Unless the Torontos show wonderful improvement over their last public appearance, the Island representatives should win next Saturday's match rather handily. But the supporters of the blue say that their form will altogether outclass that of June 13.

Cornwall put up a stubborn fight at the outset, and it was not until seven minutes hard play had elapsed that Burns' long shot eluded the entire defense.

The next game came from a free throw awarded to Yorke, who passed to German and an easy goal resulted.

Cornwall cleverly drew the Tecumsehs' defence out and Butler notched the only point of the day for the visitors.

The next point came after Patterson sent down a long one on the flags that Cross made connections with and the score was 3 to 1.

After the neatest piece of tobying imaginable, Cross scored another goal and as they played under C.L.A. rules, game was over. The teams were:

Toronto—Goal, B. Davis; point, L. Devergie; cover point, J. Patterson; defence, J. Grimes, L. Yorke, W. Hartley; centre, K. Peaker; home, P. Murphy, W. Burns, C. Cross; outside home, F. McVey; inside home, H. German; captain, P. Knowles.

Cornwall—Goal, R. McLelland; point, A. Riviere; cover point, L. White; defence, F. Degan, J. White, A. Lewis; centre, J. McAteer; home, P. Day, J. Broderick, W. Turner; outside home, W. Broderick; inside home, D. Butler; captain, W. J. Murphy.

Referee—S. S. Martin. Umpires—Jas. D. Bailey, A. Wheeler.

The Central District C.L.A. match at Hanlan's Point that preceded the Cornwall-Tecumseh contest resulted in a victory for the Elms over the Aetnas of Georgetown by 5 goals to 3. A big crowd of supporters accompanied the intermediate champions, who were expected to win in a walk. They came out in a confident mood and in short order had the score 2 to 0 in their favor. Then the Elms saw they were in the game and soon had their opponents played to a standstill. The game was good lacrosse generally, the hard play showing it to be a championship game. The teams were:

Georgetown (3)—Goal, F. Watson; point, R. Erwin; cover, J. Moore; defence, R. Scott, H. Henderson, D. Guthrie; centre, J. Watson; home, T. Wheeler, C. Erwin, W. Sutton; outside, W. McKenzie; inside, A. Bradley; captain, C. Van Allen.

Elms (5)—Goal, F. Angus; point, A. Turnbull; cover, F. McIlroy; defence, H. Corr, A. Black, T. Godfrey; centre, A. Jeff; home, H. Soules, F. Cornett, J. Wilkinson; outside, H. Greatrix; inside, W. Greatrix; captain, W. Curran.

Toronto Athletic Club's Games Attract Only a Small Crowd at Rosedale—Morrow Wins the 100 Yards and Grant the Mile Run—Toronto and Montreal Athletes Win the Jumping Contests.

A strong breeze spoiled the contestants' chances for new records in the bicycle and athletic contests at Rosedale Saturday afternoon. The day was fine and warm, but still only 300 turned out to the Toronto Athletic Club games. No doubt many remained away out of respect for the memory of Hon. John Beverley Robinson, late president of the club. On this account His Honor the Lieut.-Governor was absent. The committee talked of postponing the events, but it would have been impossible to get another Saturday for some time. The 48th Band was in attendance. The officers of the day were as follows:

Starter, James Pearson; referee, R. A. Robertson (bicycle), G. A. Gooderham (athletics); timers, J. H. Doane, J. E. Willows; judges, G. H. Orr, A. H. VanKoughnet, Dr. Doolittle, George Brown, H. J. Emerson, G. Highbotham, R. Garland. Inspector Stark, J. Massey.

Morrow was in good form and won the sprint handily, while Dick Grant captured the mile run from his Montreal opponents. A McEachern won his novice bicycle race, Moore capturing the mile event. The surprise of the day was in the two-mile provincial championship, which was won by Axton, a prominent rider from Brantford, with Davidson, also of Brantford, second and Harry Hulse third. Hulse captured the open race in good style.

Boils

It is often difficult to convince people their blood is impure, until dreadful carbuncles, abscesses, boils, scrofula or salt rheum, are painful proof of the fact. It is wisdom now, or whenever there is any indication of

Impure

blood, to take Hood's Sarsaparilla, and prevent such eruptions and suffering.

"I had a dreadful carbuncle abscess, red, fiery, fierce and sore. The doctor attended me over seven weeks. When the abscess broke, the pains were terrible, and I thought I should not live through it. I heard and read so much about Hood's Sarsaparilla, that I decided to take it, and my husband, who was suffering with boils, took it also. It soon purified our

Blood

built me up and restored my health so that, although the doctor said I would not be able to work hard, I have since done the work for 20 people. Hood's Sarsaparilla cured my husband of the boils, and we regard it a wonderful medicine." MRS. ANNA PETERSON, Latimer, Kansas.

BICYCLE AND BAGGAGE.

What the Different Candidates Say About Carrying on Railroads.

Chief Consul F. Bryers has completed his corespondence with the candidates in the Toronto and East and West York, the prospective members writing as follows:

W. F. Maclean: "I am entirely in sympathy with your views, and shall be glad to have the law made the same here as in some of the States, where bicycles are recognized as ordinary baggage. If you have no one else in view I shall be glad to take charge of your bill in Parliament."

E. Coatsworth: "I am going to Parliament without any pledges this time, but look upon your request as a most reasonable one. I would unquestionably favor the change proposed."

George R. R. Cockburn: "I shall be most happy to support any reasonable bill on the lines you mention."

John Brown: "I am a daily victim, and will do all in my power by introducing or supporting such legislation as is in favor of giving justice to wheelmen."

J. Ross Robertson: "If elected I should not only vote for, but would use all my influence to secure, the passage of an Act which would compel the railways to recognize bicycles as ordinary baggage."

H. R. Frankland: "Your request is a very reasonable one, and ought to have that consideration and support the wheelmen of Canada are entitled to. You have my endorsation."

William Lount: "I look upon your proposed legislation as a reasonable one, and advised with great favor, and shall support such a measure."

E. B. Osler: "In Mr. Osler's absence, his Committee of Management, through Chairman Edmund Bristol, say: "We have no hesitation in saying that we have no doubt Mr. Osler will render such assistance in Parliament and out of it as will bring about a fair and just arrangement with the railways and other public carriers that will meet your views."

W. T. R. Preston: "I will do what may be in my power to assist in bringing the same into effect."

A. T. Hunter: "I ride a wheel myself; I have paid the 25 cents, and did not like the medicine. I shall support any reasonable legislation removing the evil."

E. F. Clarke: "I shall be pleased at all times to do what may lie in my power to secure to the wheelmen transportation for their bicycles as ordinary baggage."

BOB BIRMINGHAM'S SLATE.

The Conservative Organizer Sizes Up This Province.

He Thinks the Government will Make a Good Stand in Most of the Constituencies—Hot Fights in Many Ridings, but Conservatives in the Lead—Sir Richard Attending to His Own Knitting.

Hon. Dr. Montague, who spent yesterday in Toronto, made the statement that he had no doubt whatever that tomorrow's election would result favorably to the Government. Of this he was perfectly confident. Ontario, he said, would give a majority for the Government. The Liberals would have a majority in only one Province—Prince Edward Island—and perhaps not even there. He was sure Hugh John Macdonald would win in Winnipeg, and also bring back a majority from the whole Province of Manitoba.

Bob Birmingham's Slate.

Dr. Montague and Ontario Organizer Birmingham went over the Ontario constituencies last night with The World, and this is how they size them up:

Addington—Bell (Con.) will win.

Algoma—G. H. McDonell (Con.) will beat out his non-resident opponent.

Bothwell—A hot fight, with the odds in favor of Clancy (Con.) defeating Hon. David Mills.

Brant, S.—Henry (Con.) leading in the race with William Paterson.

Brockville—Hon. Mr. Wood an easy winner over his Liberal and McCarthyite opponents.

Bruce, N.—Three-cornered fight between McNeill (Con.) and his Liberal and Patron opponents. Doubtful.

Bruce, W.—Patron Tolmie a winner.

Bruce, E.—Cargill (Con.) sure of a large majority.

Cardwell—Walsh (Con.) looks to be beating out Mr. Stubbs.

Carleton—Hodgins (Con.) looks a winner in the four-cornered fight.

Cornwall—Bergin (Con.) will be elected.

Dundas and Stormont—Broder (Con.) ahead in three-cornered fight.

Durham, E.—Craig (Con.) opposed by a McCarthyite, though he voted against the Remedial Bill. Craig will win.

Durham, W.—Walsh (Con.) the favorite.

Elgin, E.—Ingram (Con.) likely elected.

Elgin, W.—Casey (Lib.) having a hard time to retain his seat.

Essex, S.—Dr. King (Con.) has the inside track.

Essex, N.—Government candidate leading in four-cornered contest.

Frontenac—Conservative Patron, formerly President of Conservative Association, already elected by acclamation.

Glengarry—Major McLennan seems to be safe.

Grenville, S.—Safe for the Government.

Grey, S.—Dr. Jameson (Con.) leading Dr. Landerkin and the Patron.

Grey, E.—Pretty even fight between Dr. Sproule (Con.) and a Conservative Patron.

Grey, N.—Indications favorable for Government.

Haldimand — Hon. Dr. Montague's election positive, some allowing him as many votes as his two opponents put together.
