Great Successes Are Never Accidental

Semi-ready

Thirty thousand Canadians have bought and worn "Semi-ready" clothes since March 1st, 1899.

Not a dozen have asked for the money back, which we freely offer to the dissatisfied.

"Semi-ready" is a success because it is what it claims to be.

It claims to be :—

As good as the best "custom-made" garments in fit, workmanship and exclusiveness of patterns.

It gives the wearer foreknowledge of effects before he buys, because it is sold at the trying-on stage.

(No other ordered clothing has that advantage.)

It is finished and delivered the day it is ordered.

It costs a half to a third less than equal grade "custom-made," because all "Semi-ready" garments are paid for when bought or delivered.

It is sold on a business basis by business men without any legendary vagaries of "custom-tailor" values—without any bad debt losses to enhance its cost.

Successful Opening at the Ancient Capital With Distinguished Patronage.

MARTIMAS SECOND AT SHEEPSHEAD

Favorites, Second Choices and One Outsider Split Up the Fort Erie Card.

Quebec, Aug. 31.—The first day of the annual meet of the Quebec Turf Club was a success. The day was fair; the track in splendid condition, and the crowd a record-breaking one. His Excellency the Governor-General and Lady Minto, His Honor the Lieut.-Governor, Mme. Jette and Miss Jette and party graced the event with their presence. The Provincial Secretary, Hon. Mr. Robidoux, newly arrived from Europe, was amongst the spectators. The band of the Q.O.C.H. enlivened the proceedings. There were five races on the program. The results are as follows:

Kinley Mack Beat Martimas.

New York, Aug. 31.—The chief race on the card to-day at Sheepshead Bay was the Reaper Stakes for 3-year-olds at a mile and three-sixteenths, and Kinley Mack was a pronounced favorite, although His Lordship was well backed. Fast Black showed in front for a furlong, and then dropped to the rear, the favorite and His Lordship taking up the running. They ran locked around the lower turn, up the back stretch and around the upper turn, with Martimas trailing a couple of lengths behind. As they came into the stretch Martimas came with a rush and His Lordship quit. McCue let one a wrap on Kinley Mack, however, and he went out and won with a bit to spare in good time.

First race, selling, 6 furlongs—Jinks, 106 (Spencer), 11 to 5, 1; Satin Slipper, 104 (Odom), 7 to 5, 2; Peace, 104 (Dupee), 15 to 1, 3. Time 1.14 3-5. Tinge, Halo, Island Prince, Dave S. and Theory also ran.

Second race, 1⅛ miles—Azucena, 100 (McCue), 7 to 2, 1; Muskadine, 108 (Odom), 15 to 1, 2; Tragedian, 113 (Spencer), 5 to 1, 3. Time 1.54 3-5. Box, The Devil and Glorian also ran.

Third race, Partridge Stakes, 6 furlongs—Water King, 112 (Bullman), 5 to 1, 1; Shoreham, 112 (McCue), 8 to 1, 2; Petruchio, 107 (Spencer), 10 to 1, 3. Time 1.15. Miserlordin, Radford, Prestidigitator, Ten Candles and Big Gun also ran.

Fifth race, 5 furlongs—Olea, 110 (McCue), 4 to 1, 1; Lingerie, 110 (Spencer), 6 to 5, 2; Linda S., 110 (Odom), 20 to 1, 3. Time 1.02. Eileen Daly, Chic, Belle of Lexington, Swift Water, Greetings, Suniol, Naen and Hand and Glove also ran.

Sixth race, selling, 1 1-16 miles—Rare Perfume, 107 (O'Leary), 8 to 1, 1; Maximo Gomez, 114 (McCue), even, 2; Handcuff, 102 (Wilson), 20 to 1, 3. Time 1.48 2-5. Free Lance, Galathee, Weller and Lepida also ran.

Second Day at Fort Erie.

Buffalo, Aug. 31.—There was a decided improvement in the attendance at the Fort Erie track this afternoon. Favorites, second choices and one outsider split up the card. The outsider was Leoncie, in the last event, at a mile. Off in front, Leoncie kept daylight between herself and the field throughout. Mamie Cullian broke down in the third race. She was a well-played favorite. Kathie May was backed from 30's to 8's. Weather cloudy; track fast. Summaries:

First race, ⅞ mile—Springwells, 109 (Landry), 7 to 5, 1, by three lengths; By George, 100 (Mason), 5 to 2, 2; Hapsburg, 114 (McQuade), 2 to 1, 3. Time 1.27¼. Cringe, Buxton, Otis A. and Santello also ran.

BOXING TO-MORROW NIGHT.

Kid Herrick, Who Meets Smith, Has an Interesting Record—Donovan and Johnson Sized Up.

Kid Herrick, the featherweight, who meets Jimmy Smith to-morrow night in the 10-round semi-wind-up, has a splendid record for a youngster. He has been in 53 battles, with only one decision against him. Close, the Dago, with 10 pounds the better of the weight, beat him in 20 rounds. Herrick beat Middy Hennessy to a standstill in 10 rounds, and in him Smith will find the hardest kind of a customer.

The lads who will start the show have trained carefully, and a rattling 5-round go by the 105-pounders is assured.

Donovan's work yesterday consisted of a long morning run, and three hours' indoor sparring and bag-punching at the Atheneaum Club. The betting continues merrily, at even money, with a preponderance to back the Irish boxer, but his supporters refuse to allow any odds. Johnson took a 10-mile spin on the Island track before the ball game. Both are down to weight.

The big Mutual-street Rink will be perfectly cool, and the Crescent A.C. has everything ready for the contests. The reserved seat plan opened at McDowall's, 65 Yonge-street, yesterday, with a brisk sale.

About Johnson and Donovan.

The Hamilton Herald man has a good line on the two men who box here Saturday night, and this is what he says:

Charley Johnson, the Philadelphia white man, who is to meet Mike Donovan, the Rochester boxer, at the Mutual-street Rink, Toronto, Saturday night, is a long way from being a novice at the game; and, besides, he will be found to be a fast-footed, shifty, two-handed boxer. I remember him pretty well out in Montana, about six years ago, when he filled a couple of engagements in the Copper State. Johnson took the measure of Danny Needham, than whom a cleverer or gamer man never donned a boxing mitt, and gave Shadow Maber, then in his prime, about the toughest argument the Australian ever had, Maber, at that time, being a very light welterweight. Unless Johnson has gone back in these few years, he will furnish the finest kind of a battle with the young Celtic puncher on Saturday night.

Donovan is the sort of a boxer who never fails to give the audience a run for its money. He is always in the game, and relies largely on his ability to stand any amount of punishment to carry him through to victory.

THE PONIES WHITEWASHED.

Pop Williams Kept 'Em Guessing and They Could Only Scatter Seven Hits.

ISLANDERS SCORED SIX RUNS.

After Second Innings Pappalau Was Invincible—Club Meeting To-Day.

Arthur Irwin saw his Torontos win easily at the Island yesterday, due chiefly to Pop Williams' splendid slab work and the excellent support accorded him all round. To-day the annual meeting of the club will take place, when Messrs. Campbell and Soole, who have made many friends among the fans the past year while reigning as magnates, will retire. The Ferry Company will own three-fifths of the stock or a controlling interest, Mr. Irwin one-fifth, and a well-known Island property-holder the remaining fifth. In Mr. Irwin's judgment the future of the club will be left. Ed. Burrows will be formally appointed manager to-day, as per our despatch from Philadelphia. The attendance yesterday showed a marked improvement, and the snappy ball being exhibited by Toronto should warrant all strangers visiting the Point to see them play. The record:

	Won.	Lost.	Pct.
Rochester	66	39	.628
Worcester	57	47	.548
Montreal	56	47	.543
Toronto	54	51	.514
Hartford	48	52	.480
Springfield	48	54	.470
Providence	49	59	.453
Syracuse	35	61	.364

Games to-day: Hartford at Toronto, Springfield at Montreal, Worcester at Rochester, Providence at Syracuse.

Toronto 6, Springfield 0.

Toronto rapped off enough hits for an easy victory in the first and second yesterday, at the Island, and Pop Williams did the rest. After that Pappalau took a new lease of life, though the Islanders didn't need to score. Singles by Grey, Wagner and Hannivan, with Gunson's centrefield throw tallied the first pair. Roat drew a base on balls and was left with Silent Jim when Beaumont popped up one to Curley.

They all batted but Big Ben in the second. Butler and Williams scratched singles, Bannon sacrificed and was out on a close call. Wagner cracked a long fly for one run. Grey walked. Wally Taylor's double only scored Williams, but Hannivan banged a timely single for two runs, and Roat retired the side on a fly to Tom Brown. Thereafter Pappalau scattered four hits nearly perfectly. Bannon and Williams getting singles in the 3rd, Beaumont another in the 5th and Grey the last in the 7th. Besides, the Holy Cross crack had the necessary control and he allowed no more runs.

Dolan and Hemming did nearly all the hitting for the Ponies. The rightfielder cracked out a triple first time up, but Curley struck out, Campbell popped up one to Roat, and Hemming was only good for a fly.

Bannon retired Shannon in the 7th on a rightfield grounder which must have been humiliating to the fleet-footed Frankie. In the 8th Wagner sensationally stopped Gunson's grounder with his left and retired the runner at first. Williams had even better control than the other twirler and only allowed one man to walk, who was doubled up a moment later. Score:

At Montreal: Montreal took the last game of the Hartford series easily. Both Sechrist and Duggleby pitched good ball, but the latter's support was as good as the Hartfords' was poor. The features of the game were catches made by Bannon and O'Neil. Errors contributed to all Montreal's runs, while Duggleby would have shut Hartford out but for Johnson's inplay in the first.

At Syracuse: Rickert's bad throwing in the fifth let two runs across the plate, and gave Syracuse the lead. But in the sixth Hargrave and Griffin got mixed in a chase after a fly and let Worcester make three. In the ninth, with the score 6 to 5 against the Stars and two on bases, Shannon hit over third, but Kelly called it a foul. With two out, Calhoun hit a double that tied the score. In the tenth Bransfield's three-bagger sent in one run, but he failed to score himself. In their half the Stars won out on a triple by Hargrove, double by Dundon and a poor throw of O'Neil's when Steelman hit to him. Score:

Barnie's Team Here To-Day.

The Torontos have exactly half a dozen more championship games this season at Hanlan's Point. Hartford will be Toronto's opponents to-day and to-morrow, Montreal twice on Labor Day and Rochester on Tuesday and Wednesday. The Hartford games should attract large crowds, as the Eastern aggregation have always given Manager Taylor's men a hard fight for the victory. Frank Gatins, the ex-Torontonian, is playing a sensational game at shortstop for the visitors this season, and he is sure to get the glad hand when he makes his appearance at the Point. Umpire Lyndon will call play at 4 o'clock, with Sutthoff pitching for the locals.

Diamond Dust.

The Red Caps of the Union Station, who were defeated by the Postoffice Department at the depot about a month ago, would like to have one more chance with their victors. They were only defeated, they say, by the Senior League battery who played for the mail men at the time, and feel sure they could win if no ringers were employed.

The Capitals will hold a meeting to-night in Ketchum Park, to pick their players for Uxbridge Monday. All members and players are requested to attend.

There's no discounting the honesty of the players. The Cincinnatis, to a man, are pulling for Boston to win the pennant, yet beat them three out of four games last week without compunction.

A meeting of the Crawfords will be held at 242 Niagara-street to-night at 8 o'clock. All old members and those wishing to join are requested to be present.

At Ingersoll yesterday the Ingersoll team defeated Princeton in a return game by 15 to 9.

Now that St. Mary's has won the championship of the Senior League, and Menzie-Turner's are champions of the Manufacturers' League, arrangements have been made to play a series of games for the championship of Toronto, the first on Old Upper Canada College grounds, at 4 p.m., Saturday afternoon, and at 2 p.m. the Wideawakes meet Queen Citys. Tom Kelly has been chosen umpire. Menzie-Turner will meet the St. Mary's team in a series of three games. The following team will represent Menzie-Turner & Co. Saturday: O'Dea, Ball, O'Brien, Rodden, Burkett, Furlong, Jordan, Crowe, Bentley, Wilson, Malloy.

Canada's Day on the Lawn.

Three rinks from the Victoria Club played even better than Canada rinks on the Canada grounds yesterday afternoon, the match resulting in a victory for Canada by 13 shots.

The Junction Gun Club.

The thirteenth shoot for the club trophies of the Toronto Junction Gun Club was held yesterday on the Willoughby-avenue grounds in a fair light, free from wind. The following scores were made at 20 birds: P. Wakefield 17, H. Playter 15, C. Burgess 14, G McGill 13, H Miller 11.

In the sweepstakes Wakefield scored 7, Playter 5, Miller 4, Bull 4 and Burgess 3. The annual tournament will be held on the first Thursday of October.

Tecumsehs or Markham ?

The Markham team are practising hard for their game with the Tecumsehs-Elms at Markham on Labor Day. Although the Tecumsehs have a lead of three goals from the first game of the series, played in Toronto last week, the Markham boys have every confidence in their ability to not only win the game, but also the round, and incidentally the senior championship of the C.L.A. Word has been received by Manager Hall that single fares will prevail on all the railroads, and the largest crowd ever in Markham is assured. Herb Barlow, one of Markham's star home players, who was slightly indisposed when he last played, has fully recovered, and is now playing with all his old time vim.

Shamrocks or Torontos ?

It is confidently expected that there will be 50,000 strangers in this city on Labor Day and 10,000 of them are expected at the Rosedale grounds, where the only and last opportunity will be had of witnessing the famous Shamrocks in their match with the Torontos. In order to relieve the pressure on the grand stand, a limited number of lawn tickets will be issued, costing 50c each. The Street Railway promise to place an additional service on the route for the Rosedale grounds. Plan of seats at Nordheimers'.

Queen City Yacht Club.

The Sailing Committee of the Q. C. Y. C. have arranged for a handicap cruising race to Port Credit on Saturday, Sept. 2, 1899, start to be at 2.30. This race is open to all classes. The regular monthly meeting of the club will be held on Tuesday evening, Sept. 5, at 8 o'clock. Every member is requested to attend, as business of importance will be transacted.

Heather Quoiting Club.

The Heather Quoiting Club will hold a handicap match on their new grounds, foot of Jarvis-street, on Saturday afternoon. There will also be a meeting of members to make arrangements for holding the annual tournament. All members are requested to attend.

Death of Frank Ives.

Grand Rapids, Mich., Aug. 31.—A telegram received by a Dr. J. D. Peters, father-in-law of Frank Ives, the champion billiard player, announces the latter's death, which occurred at Progresso, Mexico. Consumption was the cause of death. Ives' body will be brought to Plainwell, Mich., at which place he was born in 1866.

Flew From St. Mary's.

The members of the Queen City Homing Pigeon Club flew the second race on the schedule for young birds on Saturday last from St. Mary's to Toronto, distance 98 miles. The express agent acted as liberator and released the birds at 12 o'clock. The birds returned as follows: G. Kemp's Rag Doll, 3 hours
