WEBB ESTATE.

SITUATED AT THE junction of St. Clair and Spadina-avenues and only two and one-half miles from the corner of Queen and Yonge-streets (the same distance as the Queen-street subway). This property offers special inducements to investors, located as it is on two main avenues at a high elevation, commanding picturesque and extensive views and containing many fine shade trees. Spadina-avenue is now being opened through the Austin estate, thus making it a thoroughfare from the bay to Eglinton-avenue. This must largely enhance the value of land in this vicinity. It is an established fact that land on thoroughfares increases more rapidly in value than on side streets. Those purchasing at present prices will make large profits in the next six months. Special inducements to purchasers of three hundred feet or over. Alex. Rankin & Co., 20 Toronto-street. 62456
