National Gun Club.

The National Gun Club will continue its shoot for prizes on Saturday. This is the last day on which any member will be allowed to compete for these prizes, and all who wish to shoot for the same must put in their scores on that date. The number of targets is 50, thrown at unknown angles, and it is hoped that a large majority of the members will be present to make this event interesting.

Fort Erie and St. Kitts.

The A.A. Association will run their regular excursion to Fort Erie on Saturday, Aug. 3, leaving the Union Station at 11.30, returning after the last race. Arrangements have been made with the Grand Trunk to make a fast run over their road, which is the only direct way of reaching the track without walking or changing. The feature event will bring together the best horses at the track. Elliott will face the flag in this event, along with Tourenne. The train will stop at St. Catharines for regatta passengers.

The Shamrocks of Toronto Junction have signed Roy Ramer, who comes originally from Markham, where great lacrosse players grow. Ramer played with a couple of seasons with Oshawa and later with St. Thomas. He is a home-fielder and his appearance on the Junction team should strengthen them considerably.

The big feature of the Galt Old Boys' reunion on the 7th, will be an Eastern League baseball match between the leaders, Toronto and Buffalo, scheduled to start at 3.30. The Dickson Park diamond and outfield will be put in first-class shape. There is good grand stand accommodation, and a hillside, providing a natural grand stand, where 15,000 people can get a full view of the game. Excursions are being run from St. Thomas, Woodstock, Ingersoll, Toronto, Hamilton, Detroit, Paris, Berlin, Waterloo, Tillsonburg and Preston.

G. T. R. and the Machinists.

OTTAWA, Aug. 1.—(Special.)—In reply to a Toronto despatch which says that the old G. T. R. strike between the company and the machinists is liable to be fought over again and that hands who have not yet been re-engaged were told to apply to the Ottawa division, the local officials say there have been no applications.

BATTLING NELSON BEATEN

By Britt in 20 Rounds—Loser's Condition Not Serious.

SAN FRANCISCO, Aug. 1.—Suffering from the severe punishment by Jimmy Britt in the 20-round fight, Battling Nelson is being attended to-day by a physician. Nelson's condition is not serious, but he is still at the baths and is reported as suffering considerably from the blows rained upon him.

Britt gained the decision at the end of 20 rounds of as fast and pretty fighting as has been seen in San Francisco in many years. At no time was either man in danger of a knockout until near the end of the last round, when Britt's right and left swings and uppercuts, which he landed one after another at will on Nelson's face, all but put the Dane down and out.

Nelson did the greater part of the leading from start to finish, but he was outdone by Britt in cleverness, ring generalship and everything but gameness and ability to take punishment. Referee Welch, after announcing his decision, gave Nelson only two rounds out of the 20, the second and the seventh. By his game fight Britt wiped out finally the aspersions that some former battles had placed upon him. He showed that keeping away from his adversary is the chief part of his generalship. His defence showed up better than ever before, and he found his man almost at will, and from the tap of the gong to the end of the last round there was no lack of steam in his blows. If anything, he showed up stronger in the last five rounds than in the first 15, while in the last half of the fight Nelson's hitting powers obviously diminished.

While Britt took no foolish chances, he gave Nelson plenty of close quarter opportunities to put him out if the Battler had been able to land. Nelson disappointed many of his admirers by his wildness. In the last eight or ten rounds he swung with right and left for the face, scores of times, and missed by a small margin.

Britt made the following statement after the fight: "I have been going around two years claiming that I was Nelson's master, and not making any cry, as is the custom of defeated fighters. I bided my time and the results you see. I never drew a long breath. I am willing to meet any 133-pound man in the world."

Nelson was seen in his dressing-room. He said: "I have no excuses. Britt fought a good fight, but at that I think he won in the last round. I think I ate too much supper. They can't say I went the pace and lost. I did my best."

"We have no complaint to make," said Nolan, the Dane's manager. "The decision was just. Nelson is a good loser."

The club received 30 per cent. of the receipts. Of the fighters' money, 60 per cent. went to the winner and 40 to the loser. The total receipts were in the neighborhood of $25,000. Approximately 10,000 people witnessed the fight.
