HAMILTON NEWS.

TO CHECKMATE UNCLE SAM

Hamilton Board of Trade Wants the Dominion Government to Act.

The Unfair Regulations Enforced Against Canadians Going to the Klondike at Dyea Should be Met—If the U. S. Government Refuses to Make a Fair Bargain a Policy of Retaliation Should Follow—General News.

Hamilton, Jan. 3.—(Special.)—The Board of Trade, at its quarterly meeting this afternoon, passed the following resolution:

Resolved, that in view of the action taken by the various Chambers of Commerce of the American Pacific coast cities to induce the Government at Washington to close the customs house at Dyea in order to divert the trade now carried on between Canada and the Klondike to the United States, therefore it is the duty of the Dominion Government to prevent the United States authorities from charging Canadian miners $6 a day, equal to 50 per cent. of the value of their outfit, for the privilege of passing over the disputed territory from the head of Lynn Canal to Tagish Lake; and further, that if the Government of the Dominion cannot make such arrangements with the United States as to continue the bonding privilege at the port of Dyea without our miners having to pay the $6 a day now exacted, the Dominion Government be urged to close all customs houses where goods may be entered for the Klondike, save and except the ports of Glenora and Fort Cudahy.

James Campbell Arrested.

The police have arrested James Campbell, the young fellow who, it is alleged, shot Isaac General, the Burlington Indian, on New Year's night, and he will be arraigned before Justices Baxter and Allan to-morrow. The prisoner, who lately returned from Cincinnati, is 22 years of age and the son of a wealthy butcher.

Mr. Clappison Denies It.

Customs Inspector Clappison writes to The World correspondent, denying that he was at a political meeting in the Dominion Hotel, as reported in last Thursday's paper.

Death of Mrs. McLaren.

Mrs. McLaren, mother of Colonel McLaren, commanding the 13th, and one of the most estimable ladies in the city, died on night, aged 76. The funeral takes place on Wednesday.

At the final meeting of the Separate School Board this evening P. Ronan, the treasurer, presented a report showing that there is a surplus of $1,386.54. George L. Stanton was re-elected its representative to the Public Library Board.

Death of Robert Campbell.

Mr. Robert Campbell, a resident of this city since 1859, died this morning at 5 o'clock. The deceased was born in County Tyrone, Ireland, and came westwards in 1846. He was a potter by trade, and a trustee of Zion Tabernacle. A son of his, William Campbell, is general freight agent of the Chicago & Eastern Illinois Railway.

General News Notes.

Mrs. Georgina Scott, the colored woman who was so badly burned by the upsetting of a lamp a month ago, died this morning at the city hospital.

The police are hard at work trying to run down a gang of counterfeiters who have been flooding the county with lead coin from their headquarters in the vicinity of Burlington. Both the Street Railway and the Radial have been hard struck by the bad stuff.

The St. Nicholas Hotel's receipts on New Year's Day, which Neil McLean generously devoted to the employes of the house, amounted to $175.

Edward Armstrong, father of Thomas Armstrong, proprietor of the Dominion Hotel, died on Saturday, in his 79th year.
