PEACE NOT WANTED WITHOUT JUSTICE

Belgian Woman Startles Callousness of Women's Hague Conference.

GREETED WITH CHEERS

Resolution Passed Urging Governments of World to Begin Negotiations.

THE HAGUE, via London, April 30.—The wings of the dove of peace were ruffled today at the session of the International Congress of Women. At the instance of Dr. Augspurg of Munich the entire Belgian delegation was invited to the platform. Only two women of the five present came from their box at the side of the stage and made their way to the platform. They were welcomed by the chairwoman, Miss Jane Addams of Chicago, with both hands, but there was no handshaking with the German delegates.

In moving the final resolution, Mrs. Rosika Schimmer, president of the Hungarian Women's Suffrage Association, requested that all the delegates present stand one minute in silent prayer for peace.

Belgian Woman's Plea.

Mlle. Hamer, of the Belgian delegation, thereon asked permission to utter a few words. When this was granted she astounded her audience with the dramatic exclamation:

"I am a Belgian before everything and I cannot think as you do. There can be no peace without justice. The war must continue until the Belgians' wrongs have been righted. There must be no mediation except at the bar of justice."

General sympathy for the suffering of the Belgians caused part of the audience to break into cheers.

On the motion of Miss Florence Holbrook of Chicago, a resolution was passed declaring that the congress "is united in expressing sympathy with the suffering of all, whatever their nationality, who are fighting for their country or who are laboring under the burden of war. Since the mass of the people of each of the countries now warring believe themselves to be fighting not aggressively, but in self-defence and for their national existence, it urges the governments of the world to put an end to the bloodshed and to begin peace negotiations; and it emphatically demands that the peace which follows shall be permanent, and, therefore, based upon justice and principles which include those adopted by this congress."

CARRYING ON GOOD WORK.

Red Cross in Direct Touch With Officers Commanding Units.

That a splendid work is being carried on by the Canadian War Contingent Association among the soldiers at the front will be seen from a report received recently by Mrs. Plumptre, secretary of the national service committee, from J. G. Colmer, secretary of the association.

Mr. Colmer says that the association is in direct communication with the officers commanding the different units and among the numerous things lately sent out to the soldiers are 9000 cigarets, 880 pairs of socks, 1282 pairs of wristlets, 1500 cakes of soap, besides mufflers, tobacco, pipes, candies, chewing gum and even such luxuries as a gramophone and a football. These articles were sent to the first, second and third artillery brigades.

VAST AUDIENCE CHEERED FOR SCHOOL CHILDREN

Physical Training Demonstration at Arena Provided Big Patriotic Climax.

A cheering audience of 3500 people filled the Arena last night to witness the annual demonstration of physical training by 1000 pupils of the Toronto public schools. Under the direction of Miss B. F. Srigley, a lengthy and well-regulated program of dances, drills and games was carried out in good order. The Grenadiers' Band provided the music. Many of the numbers were patriotic, and the grand climax, a flag drill by about 300 little girls bearing flags of the allied nations, won salvoes of applause, as each detachment marched in while the band played their national airs. The part of Britannia was taken by Marjorie Spencer. The Strathcona drills were a most attractive feature, and the girls, led by Lillian Harrison, made a fine impression. The Strathcona drills were arranged with the assistance of the following teachers: Miss Davis (Winchester), Miss Mooney (Hughes), Miss Morrow (Earlscourt), Miss Meem (Queen Victoria), Miss Evans (Howard Park), Miss Lane (Perth Avenue), Miss David (Dewson) and Miss Rundle (Ryerson). Robert Barnet, Grey School, led the Strathcona drill for the boys, and the cadets trained by H. C. Carr gave an exhibition drill. One of the prettiest dances was the "Humoresque," led by Mildred Johnston and Margaret Linswood. Gwyeth Sampson gave a pretty solo dance in Spanish costume. J. A. Brown of Church Street School directed operations on the floor.

DR. CHAS. BAYLIS DESCRIBES BELGIUM

Showed Many Pictures of Ruined Nation During His Address.

MADE EXTENSIVE TOUR

Spoke With Enthusiasm of Belgian Defense of Their Country.

Dr. Charles T. Baylis had rather a discouraging audience in point of attendance last night in Massey Hall, when he described his tour "Thru Desolate Belgium With a Camera," and showed many pictures of the ruined nation, which, as he said, "lies today before the civilized world, stricken and crushed, but, thank God, not dead." He spoke with enthusiasm of the Belgians' defence of their country, and said of their monarch that there was "no nobler man living today than King Albert of Belgium."

He described why, when a German officer had offered to escort him thru the country over which the kaiser's troops had passed, and get him photographs of all the territory, tho it would have been worth thousands of dollars to him, he declined the opportunity. "I wanted to have clean hands when I met King Albert."

Could Not Be Neutral.

To an American in New York who had asked him to speak to a learned society, and who said: "Of course, doctor, you will be neutral," he replied: "No, sir. Dr. Baylis is not going to be neutral. And no man can look on the desolation of Belgium and be neutral."

The audience applauded loudly at many similar declarations. Dr. Baylis told how he met a Canadian who had had a son killed at the front last Saturday. "I put my hand in yours," he said to him, "and I congratulate you, sir, that when your country needed a man you had a son to offer." He thought the time for neutrality was past, and endorsed Roosevelt's attitude on the war.

HIGHLANDERS' CONCERT GIVEN AT ARMORIES

All Ranks of Forty-Eighth Will Attend Funeral of Late Captain Darling.

A concert by the brass and pipe band of the 48th Highlanders was given in the armories last night at the weekly drill of the regiment. Lt.-Col. Duncan Donald was in command, with 493 members of the regiment in attendance.

It was announced that on the arrival of the body of the late Captain R. C. Darling a military funeral will be held, at which all ranks of the regiment are expected to be present.

It was stated that a very satisfactory response is being made to the call on the members of the regiment to fill the vacancies on the third Canadian contingent caused by the reinforcements being sent from it to the front.

New Way to Curl Hair Without Heated Irons

Hair tortured with the curling iron is bound to become dry, harsh and brittle, as so many know from sad experience. It's far more sensible to use plain liquid silmerine, which can do no harm, and which produces the loveliest wavy effect imaginable. It takes so little time to apply the silmerine, and the hair can be made to curl in any form, to any extent, to conform with any style of hair-dressing. A few ounces from the druggist will last a long time, so it is not at all expensive. Liquid silmerine is not greasy or sticky, and it doesn't stain or streak the hair or the scalp.

A convenient way to use it is to pour about two tablespoonfuls into a saucer, and then with a clean tooth brush apply evenly to the hair from root to tip. If this is done before retiring, the added glory to one's "crowning glory" will be quite in evidence in the morning.

SOCIETY

Conducted by Mrs. Edmund Phillips.

Mr. Edward Greig has issued invitations to The Grange this afternoon, when there will be demonstrations of etchings by Mr. S. Herbert Maw, and proof-pulling by Mr. T. G. Green.

Fifty people played in the golf match at the Hunt Club yesterday, and Mrs. Harry Paterson entertained about 70 at tea afterwards. Mrs. Mulock's prize for 19 holes was won by Miss Winnie Hoskin, and Mrs. Leach's prize for 9 holes was carried off by Mrs. Shirley Denison. The result of the playing, etc., was that the University Base Hospital will benefit to the amount of between $70 and $80.

Mrs. Dustin Farnum, who has been staying with her sister at St. Davids, has returned, and leaves for New York the beginning of the week.

Miss Meta Macbeth, secretary of the London, Ont., Humane Society, is general convener for the "Blue Cross Tag Day," which will be held today to raise funds for caring for wounded horses on the battlefields.

The engagement is announced of Beatrice Johnstone, youngest daughter of Lieut.-Colonel B. J. Saunders, 101st Edmonton Fusiliers, to Mr. Percival Robert Lefroy, lieutenant 2nd Welsh Brigade, R.F.A., son of Canon Lefroy, Haresfield Vicarage, Stonehenge, Gloucestershire, England.

Madame Alice Verlet and Mr. Leo Ornstein will give a concert at Massey Hall tonight.

Mrs. Edward Faulds has arranged the programe for the May Day tea of the Lord Seaton Chapter at Mrs. McCaffrey's house this afternoon.

The Speranza Musical Club meeting took place on Wednesday afternoon at Miss MacDonald's house, Roxborough street, when a program of Mozart and French music was arranged by Mrs. G. T. Jennings, Miss Elsie Keefer, Miss Marjory Brush, and Miss Ella Harcourt singing, and Miss Flo MacDonald playing two numbers by Saint-Saens, assisted by Mr. Frank Welsman.

Miss Brenda Williams-Taylor, Montreal, who is to appear shortly in one of the plays at His Majesty's under the name of Jane Germaine, regrets that she will not be able to play next week, as originally intended, but will take part probably the second week in May. She intends giving the proceeds of the week to Queen Mary's Needlework Guild and some other charity.

Mr. and Mrs. James H. McLaren, Briar Hill avenue, announce the engagement of their only daughter, Mary Alma, to Dr. Paul M. O'Sullivan, M.A., youngest son of the late Mr. D. A. O'Sullivan, M.A., D.C.L., Q.C., and Mrs. O'Sullivan.

The marriage took place very quietly in the Church of St. Philip on the 21st of April by the Rev. Hughes Jones, rector of St. John's Church, Weston, Ont., of Betty, daughter of the late Mr. William Caldwell and of Mrs. Caldwell, to Mr. Harold Hellmuth, eldest son of Mr. and Mrs. Isadore Hellmuth.

Mr. James Bohan, Dunvegan road, sailed by the Lusitania today for England.

The ladies of the Westminster Presbyterian Church, besides giving contributions of money, have made 27,834 articles for the Canadian soldiers since the beginning of the war. This included 12,000 knitted articles, and the work will be continued as long as the war lasts.

Mrs. H. L. Mason, who organized the Lord Seaton Chapter, I.O.D.E., has received the following letter from Col. Donald Armour, M.B., F.R.C.L., surgeon-in-chief the Queen's Canadian Military Hospital:

April 15, 1915.

My dear Mrs. Mason,—

The boxes from the Girls' Club of the Lord Seaton Chapter, I.O.D.E., arrived in good order. Will you convey to the members my very deep appreciation of their generous and most serviceable contribution? I cannot imagine anything more useful to us in our work or anything more likely to conduce to the alleviation of the sick and wounded.

The members of the club will realize that this is no empty phrasing of words when I tell you that I personally unpacked the boxes. Some day I hope to thank personally every signatory of the charming letter accompanying the boxes. Meanwhile I must leave it to your kindness to tell them how good and kind I think they all are. Sincerely yours,

(Sgd.) Donald Armour.

The Chamberlain Chapter, I.O.D.E., held a large and enthusiastic meeting in the Margaret Eaton Studio, when the regent, Mrs. A. E. Kemp, presided. Prof. Kyle of Toronto University gave a most interesting address on the war, closing his remarks with an urgent appeal that everyone give their undivided attention to the cause. Letters of thanks were read from various societies, which had received contributions from the chapter. One hundred dollars and a Canadian ensign flag, nine by four and a half feet, were donated to Dr. Pentecost, formerly of Toronto, who is now surgeon in the La Toquet Canadian Hospital in France, and ten dollars was voted for the Canadian band going with the second contingent. The 130 pairs of socks donated to the chapter shower were voted to go to the Red Cross Society. The tea hostesses were Mrs. A. E. Kemp, Mrs. MacAgy and Mrs. H. E. Moore.

An urgent appeal for jam for use in the hospitals has come from England, and the Municipal Chapter, I.O.D.E., purpose giving a shower of jam and maple sugar in their new premises, 14 East King street, at an early date, of which due notice will be given the public thru the press.

FIRE ON DANFORTH AVENUE.

Defective electric wiring is believed to have been the cause of a fire which broke out yesterday morning on the premises of J. C. Boyle, drygoods merchant, of 119 Danforth avenue, causing damage estimated at $1200. The loss is fully covered by insurance. The firemen used no water but confined the fire to one side of the store by the use of chemicals. The value of having motor trucks at the fire halls was demonstrated by the short time it took the men to get to the scene.
