Robert Mantell as 'Robert Monbars'

"Monbars," the romantic play in which Robert B. Mantell met with great success, will be presented during the second week of the popular actor's engagement at the Grand Opera House, commencing this evening. The play is an adaptation from the French of D'Ennery, by Louis Nathal. The time is 1792, and France the country in which the scene is laid. The play contains heart interest and heroics that can hardly be found in any play of to-day. "Robert Monbars," a man of the people, has imbibed the Napoleonic spirit of the age, and has won fame and riches by his conquests on the seas over the enemy of his country. The opening of the drama finds him a beloved ruler amongst the people of his home at St. Malo. During the week matinees will be given on Wednesday and Saturday.

At Shea's This Week.

The vaudeville bill at Shea's Theatre this week will consist of animal, novelty and comedy acts. Heading the bill is Batty's bears, said to be one of the best trained animal acts in existence. They have appeared in several cities in this country, and have pleased both young and old. They will undoubtedly draw a large number of children to the Yonge-street Theatre this week. Alice Shaw and her two beautiful daughters will be seen in their whistling and dancing specialty. Others on the bill include Leslie Bros., in a comedy musical act; Mamie Remington and her Ping-Pong Pickaninnies; Carlin and Brown, German comedians; O'Rourke and Burnett, in a comedy skit; Patterson Bros., acrobats; the Kinetograph, with new pictures, and one or two other acts.

Florizel's Great Genius.

The management of the Florizel concert, which takes place in Massey Music Hall next Thursday evening, desires to emphasize the fact that this will be the only opportunity that the Toronto public will have of hearing this wonderful boy. His extraordinary genius is vouched for by the highest social and musical influences of the day, from the conservative musician of Germany to the President of the United States. The latter was so enthralled by the art of the boy when he played before him at the White House, that he delayed a public dinner for more than an hour, in order to hear Florizel play to the end of his program.

"An American Gentleman."

The story of "An American Gentleman," the attraction at the Toronto Opera House this week, is clever and coherent, the interest in it developing the moment the curtain rises, and continuing in intensity with unflagging interest. Here is a touch of pathos. There is a bit of delicious comedy. Now a pretty love story twines in and out, and here it is disturbed by the blot of crime, which the hero crushes out little by little. Novel climaxes have been carefully interwoven, which will bring into prominence the wonderful strength and athletic ability of Mr. Boneill, especially where he is surprised by the gypsies in their camp, and triumphs only by the aid of his powerful physique.

The Abbey Choir on Saturday.

The return of the Westminster Abbey Choir concert party, to Massey Hall on Saturday afternoon and evening next comes as a pleasant announcement to all those who heard these splendid singers in their delightful program last week, while many others who did not hear them a week ago will be glad of the opportunity. They will present complete changes of program. During the past week they have been meeting with large and delighted audiences everywhere. The sale of seats will begin on Thursday morning. Special arrangements are made for the children on Saturday afternoon.

Entertainment.

Ulster Lodge, Sons of Ireland Protestant Association, will hold their regular meeting in the hall at the corner of Queen and Bathurst-streets this Monday evening, at which Ald. Stewart will be initiated. After the regular meeting, a grand entertainment will be held. The chair will be occupied by the Rev. J. C. Speers, pastor of Euclid-avenue Methodist Church.

Miss Stone at Massey Hall.

Miss Ellen M. Stone, the ransomed missionary, was seen and heard by a large audience at the Massey Hall Saturday night, when she told the story of her capture by a band of Bulgarian brigands and her subsequent release. The story has been told so often that little is left to learn. Miss Stone has a sweet and captivating voice and a frank, earnest way of engaging the attention of her hearers. Her thrilling narrative was closely followed, and she was the object of mingled pity and admiration as she related how she had escaped from death by the interposition of what she called God's Providence. A number of lime-light views served to illustrate her lecture and give an added interest. Chancellor Burwash presided.

POLITICAL INTELLIGENCE.

William Williams of Collingwood, the nominee of the Liberal convention held here on May 8, and who had two days to consider the matter, has decided not to accept the nomination. The Liberal executive meets in Collingwood on Monday, when further action will probably be taken. Mr. Arch. Currie, the independent candidate, who resigned, is being urged to again enter the field.

On Saturday a largely attended meeting was held in the interests of Dr. Jessop, the Conservative candidate at Niagara-on-the-Lake. The speakers besides the candidate were: Lieut.-Col. Carlisle, J. W. Coy, St. Catharines; Mr. Zimmerman, Port Dalhousie. The chair was occupied by James Bottomley, and little Miss Irene Miller, daughter of Major Miller, candidate for Peterboro, presented Dr. Jessop with a handsome bouquet.

The first meeting in the political campaign in Bracebridge was held Saturday in the interest of Dr. Bridgland, the Liberal candidate. Major Shier presided. In addition to Dr. Bridgland, Hon. Richard Harcourt also spoke. The meeting was largely attended.

Joseph Edgar, Conservative candidate for Parry Sound district, is conducting a vigorous campaign. All his meetings are well attended, and enthusiastic. On Friday and Saturday he held two large ones at Powassan and Trout Creek respectively. The speakers besides the candidate were S. Alfred Jones, Toronto, and D. V. Lucas, Grimsby. Mr. Edgar's chances of securing the seat are excellent. He is popular and well-known thruout the riding, and thoroly understands the needs of the people.

L. J. Breithaupt, the Liberal candidate for North Waterloo, has arranged for the following meetings: Hawkesville, May 12; Crosshill, May 13; Linwood, May 14; St. Clements, May 15; Bamberg, May 15; Conestogo, May 16; Centreville, May 17.

Ontario Government Appointments.

The following government appointments have been made: W. M. Horsey, Bowmanville, to be Police Magistrate of the Town of Bowmanville and the riding of West Durham, vice George Haines, resigned, at a salary of $200 per year; C. F. Farewell, Sault Ste. Marie, to be Registrar of Deeds for Algoma, vice R. A. Lyon, deceased; Edwin Bell, Chatham, to be Crown Attorney and Clerk of the Peace for Kent County pro tem, vice William Douglas, deceased; A. W. Holmested, Toronto, to be a Notary Public; Benjamin Hanna, Parry Sound, to be Bailiff of the First Division Court of the District of Parry Sound, vice F. W. George, resigned.

TORONTO GARRISON PARADE

Over Two Thousand Citizen Soldiers Attend Divine Service in Massey Hall.

SERMON BY REV. ARMSTRONG BLACK

An Ideal Day, and an Immense Throng Saw the Spectacle, Which Was Imposing.

Toronto's garrison of nearly 2000 men, representing every arm of the service, attended divine worship yesterday afternoon in Massey Hall. Thru the streets lined with thousands of people they tramped, each regiment headed by its band, playing sacred hymns set to march time. It was an inspiring sight as company after company filed past with arms swinging, heads erect and accoutrements brightly burnished till they flashed in the sun like gold. Every man vied with the other in maintaining the appearance of the line, and the result was a very creditable parade.

The day was an ideal one, and the route of the march, both coming and going to Massey Hall, was lined three and four deep.

Order of the Parade.

Shortly before 3 o'clock the parade moved off from the Armouries in the following order:

Platoon of mounted police.

Staff, consisting of Col. Otter, Lieut.-Col. Mason, Lieut.-Col. Nattress, Lieut.-Col. Ryerson, Lieut.-Col. Delamere, Major Sankey, Sergt.-Major Harding, Capt. Mowat, Lieut. Kirkpatrick, Lieut. Meredith.

Governor-General's Body Guards' Band, Bandmaster Charles A. Welsman, 45 strong.

Royal Canadian Dragoons, in command of Major Nelles, 48 strong.

Governor-General's Body Guards, in command of Major Wallace, 36th Regt.; Capt. Chadwick, 36th Regt., and Major G. T. Denison, jr., 155 strong.

Ninth Field Battery, in command of Capt. Greer, Lieut. Hughes and Lieut. Brown, 58 strong.

Toronto Engineers, in command of Capt. Lang and Second Lieut. McDougall, 50 strong.

Toronto Mounted Rifles, in command of Major Peters, Capt. J. H. Moss, Lieut. H. L. Gordon, Capt. D. L. McCarthy, Lieut. T. D. Archibald, 65 strong.

Royal Grenadiers, in command of Major Gooderham, Lieut. Wilkie, Surgeon-Major King, Capt. Montgomery and Chaplain Rev. Arthur H. Baldwin, 526 strong.

Upper Canada College Cadets, in command of Capt. Crawley, 42 strong.

Queen's Own Rifles, in command of Lieut.-Col. Pellatt, Paymaster Major Lee, Capt. Thom and Surgeon Dr. Palmer, 641 strong.

48th Highlanders, in command of Lieut.-Col. Macdonald, Major Hendrie, Lieut. C. C. Harbottle, Lieut. Cosby, Capt. J. A. Currie and Surgeon-Major Stuart, 508 strong.

Army Medical Corps, in command of Major Fotheringham and Capt. Fenton, 34 strong.

Total number on parade 2185 men.

At Massey Hall.

Inside the hall the men occupied the entire lower floor, and portions of the first gallery, while the headquarters' staff and officers sat on the platform. The musical portion of the service was rendered by the excellent band of the Queen's Own Rifles, and their processional voluntary, Haydn's "The Heavens are Telling," was beautifully played.

Dr. Black's Sermon.

The sermon was preached by Rev. Armstrong Black, chaplain of the 48th Highlanders. It was an eloquent discourse, with a patriotic strain running thru it. After exhorting his hearers to lead better, purer lives, for there was an affinity between heroes and men who were true to themselves and true to God, he referred briefly to the splendid way Canada had responded to the call to the Mother Country's assistance. The death of Rev. Principal Grant was also feelingly referred to by the preacher. His death was a distinct loss to the country, and was deeply regretted from one end to the other.

The service thruout was heartily participated in and was concluded with the national anthem.

The line was reformed on Shuter-street and proceeded by way of Yonge, King and Simcoe-streets to the Armouries, where the men were dismissed. Col. Otter, D.O.C., received the salute at the corner of York and King-streets.

NATIONALISTS IN CANADA.

H. Bourassa and Others Obtain Control of a French Paper.

Montreal, May 11.—Messrs. Henri Bourassa, M. P. for Labelle, and J. A. Chicoyne, M.L.A. for Wolfe, who calls himself a Conservative, have started in to down Chamberlain and regenerate the world. With several other gentlemen, they have secured control of Le Pionnier of this city, and announce the following program:

"Basing our policy on the principles of autonomy and of decentralization, which conserved our national character, and which responds equally to British tradition, we will combat with energy all attempts to absorb Canada in the empire, the Province in the Confederation, and the city in the Province. In a word, we are Nationalists in the strongest sense of the term. We are ready to accomplish all our obligations, both legal and moral, towards the Crown, but we squarely refuse to assume any new ones. Canadian before all, we look for the execution of every clause in the Federal pact, all those which protect us, as well as those which place us under contribution. We do not desire any narrow provincialism, but we will defend our Provincial autonomy against the usurpations of the Federal power, and against those greater dangers with which we are threatened."

NO COAL MINED TO-DAY.

General Strike Goes Into Effect To-day in Pennsylvania.

Scranton, Pa., May 11.—There will be no coal mined in the Scranton end of the anthracite region to-morrow morning. Some of the companies, however, propose to keep a few, at least, of their washeries running to insure a supply of culm. The strike has already made itself seriously felt in other lines of work. The railroads have laid off four-fifths of their coal train crews in all about 800 men, and the Erie shops at Dunsmore, where mine cars and machinery are repaired, will shut down indefinitely, beginning to-morrow, throwing 300 men out of employment.

BODY FOUND ON THE TRACK

Unknown Woman, About 40 Years of Age, Run Down Near Scarboro Junction.

BELIEVED TO BE A MRS. JONES

No Inquest Will Be Held—Body Will Be Buried To-Day if Not Identified.

Between 5 and 6 o'clock yesterday morning an engineer on a C.P.R. freight train bound for this city saw the body of a woman lying to the south of the tracks about two miles east of Scarboro Junction. The telegraph operator at Scarboro Junction was notified and County Constable Hobbs of Agincourt and a party of sectionmen brought the remains to Hunter's undertaking rooms at Little York, where they now await identification. Coroner Sisley made an examination of the body and found a severe scalp wound and fracture of the skull. He concluded that the woman had been struck by a train sometime during Saturday night, and deemed an inquest unnecessary.

The body is that of a woman about 40 years of age, five feet in height, with brown hair and grey eyes. The clothing consisted of a short light grey coat, with velvet collar and black and white striped print skirt. She wore a black straw hat. In the pockets of the dress was found a leather purse containing 10 cents. There was nothing that would serve to identify the remains, save the letters S.O.H. in Indian ink on the right arm and J.C. on the left arm. The woman was seen around Scarboro Junction about 10 o'clock on Saturday night, when she said that her name was Mrs. Jones, and she was going to Toronto. County Constable Burns stated last night that the woman had been loitering about Norway on Friday evening. To several persons she observed that her name was Jones, and that her home was at 41 Dufferin-street, Toronto. She claimed to have friends living on Birch-avenue, East Toronto. If the body is not claimed to-day it will be buried.

AN INJUSTICE DONE.

Mr. Gibbons' Denial of Certain Statements Recently Published.

The report of the failure of the Canadian Advertising Agency, which occurred some three weeks ago, and as published in a Saturday evening paper, contains an inference that does an injustice to an advertising agency which has a good standing among newspaper publishers in Canada. The report implies that Mr. J. J. Gibbons was or had been a director in the concern. Mr. Gibbons, when seen at his office in the Confederation Life Building in reference to the matter, made the following statement:

"I have never been a director nor occupied any executive position in the Canadian Advertisig Agency. I was employed as a solicitor in New York and Toronto when it was first started, and continued with it for two years. While I was with it, the company was prosperous, and had accounts with some of the leading Canadian and American advertisers. Recently, I have completed what I believe is the strongest advertising combination ever got together in Canada. Mr. J. B. McConnell, formerly advertising manager of the Slater Shoe and Semi-Ready Clothing, one of the best advertising writers and designers in America, has joined my organization. Mr. E. L. McArthur, late advertising manager of The Toronto News, is now outside representative. Mr. McArthur is one of the best-posted advertising men in Canada.

"I might say, in justice to Messrs. H. E. Stephenson and T. J. Oliver, whose names are also mentioned in the report, that Mr. Stephenson, although formerly manager and treasurer of the defunct company, was not with it during its more recent troubles, he having been associated with Messrs. A. McKim & Co., Montreal, for some time past; and Mr. Oliver, who was employed as a clerk, has been with me since opening my office."

To-night Frank Erne, the lightweight champion, will meet Joe Gans, the Baltimore negro, in the arena of the International A.C. of Fort Erie, 20 rounds, at 136 lbs.

Catarrh

There is No Doubt

JAPANESE CATARRH CURE will cure Catarrh. We settled that some years ago. Many sufferers have since proved it so. We would like you to use it and be cured. That's what it's made for and it's always relied upon. It's a penetrating salve, which when applied makes it impossible for Catarrh or any diseased condition to exist. It kills the germ, heals and purifies the parts, stops the droppings in the throat and purifies the breath. 50c at Druggists. Send 5c for sample. The Griffiths & Macpherson Co., Limited, Toronto.

Between 600 and 700 Grand Trunk Sectionmen Will Be Benefited By New Order.

IRONWORKERS STRUCK ON SATURDAY

Work on New Hotel and Other Buildings Delayed—Street Railway Men Meet.

After to-day all sectionmen employed on the Grand Trunk Railway, who are receiving less than $1.20 per day, will be paid this amount, and section foremen will be given $45 a month, an increase over their present pay. Between 600 and 700 men will be benefited by the voluntary action of the company.

Manager McGuigan of the G.T.R. will be in the city some time this week to confer with representatives of the telegraphers, who are asking for more wages.

The street railway motormen and conductors held another big meeting on Saturday night in Richmond Hall, at which a number of new members were initiated into the union. It is likely that the men will shortly ask the company for more wages.

The ironwork in progress on many of Toronto's big buildings is stopped by the strike of the Architectural and Structural Ironworkers, which started on Saturday morning. About 125 men went out, stopping all the ironwork on the new King Edward Hotel, Dominion Bridge Company, St. Lawrence Market, the Christie Brown Company's new building, Canada Foundry, Hamilton Bridge Company, and in McIntyre & McGregor's shops.

Eight teamsters employed by P. McIntosh & Son went out on strike on Saturday morning. The drivers of one-horse wagons receive $7 and those driving two horses $8 per week. The men are asking for an increase of $1 per week.

The striking lathers returned to work on Saturday morning.

The jewelry workers on strike received their strike pay on Saturday from the International secretary, O. F. Jackson of Buffalo.

BOERS STRIPPED THE DEAD.

A Canadian's Unpleasant But Lively Experience in South Africa.

Chatham, May 11.—In a letter to his parents, James A. Kendall, a trooper in the Second C. M. R., says anent the fight with Gen. Delarey's forces:

"Our squadron was in command of Lieut. Bruce Carruthers. This was a most trying and critical time for us, our first actual smell of gunpowder. We might have escaped, but, even then, wouldhave lost heavily in doing so. The order was given to throw up trenches and defend ourselves. I shall never forget the awfulness of that day. The air was rent with shells, pom-poms, Maxims and rifle poured a deadly hail of shot into our ranks. I am very thankful to tell you I only got slight flesh wound in the left arm; my hat was shot thru. My water bottle was shot away. Several shots seemed to skim past my face. We were almost wiped out. Most of my chums are dead. Poor Charley Evans was next to me; then Huston. Both of these poor lads are no more. Millan, next man to Huston, was badly wounded.

"The more I see of the Boers, the greater is my disgust and contempt for them. They stripped me of everything but my underwear. They stripped the wounded; yes, and even the dead. I saw some with only a shirt on."

Special Car for Kingston.

Toronto people desiring to attend the funeral of the late Principal Grant, at Kingston, to-morrow, are requested to notify A. H. Beaton, telephone Main 140, to-day. It is intended to have a special car attached to the regular G. T. R. train, leaving Toronto at 9 o'clock a.m., and arriving in Kingston about 1 o'clock. A special Pullman car for the return trip will be provided at the Kingston City Station, which the Toronto passengers may board early in the evening, and thus avoid waiting until a late hour for the arrival of the train from the East, which will reach Toronto about 7 o'clock a.m., Wednesday.

Death of Mrs. Mouat.

The death took place yesterday at 588 Manning-avenue of Barbara Campbell, Cairncross, beloved wife of Alexander Henderson Mouat. Mrs. Mouat was the eldest daughter of the late Rev. James Cairncross, Presbyterian minister, and granddaughter of the late Robert MacKay, writer to the Signet, Thurso, Scotland, and grand niece of the late Sir William Campbell, Chief Justice of Upper Canada. The funeral will take place on Tuesday afternoon to Prospect Cemetery.
