Executor

That is a word used very often—but do you understand it?

Have you considered the great responsibilities of an executor—the need for wide experience, proved integrity and good judgment.

You will agree that the financial future of a wife and children should not be intrusted to inexperienced relatives or friends.

Whether or not you have made your will, a friendly talk with our officers will be absolutely confidential—and without cost to you.

WOULD STOP PARKING OF AUTOS IN FRONT OF WATER HYDRANTS

Fire Chief Seeks Bylaw To Aid Fire Department Work.

The city council may be asked to pass a bylaw forbidding auto owners from parking their cars in front of water hydrants in the down-town section. Fire Chief John Aitken has spoken to Alderman Harley, chairman of No. 1 committee, in connection with the case. The fire department had considerable trouble in getting at the hydrants at the corner of Dundas and Colborne streets on Saturday night last. The company from No. 4 station was ordered to lay a line from one corner and was unable to turn its apparatus around and get near the hydrant because of the jam of autos near the hydrant. To make the turn it was necessary to go around the block by Queen's avenue, thus losing considerable valuable time.

A bylaw similar to the one which the chief seeks is now in vogue in other cities. In Toronto unthinking car owners donate no small amounts, in $5 and $10 fines, for violation of such a bylaw.

LOCAL CHIEF DOES NOT APPROVE ACT OF OTTAWA CONFRERE

Chief of Police W. T. T. Williams does not approve of the action taken by Police Chief Ross of Ottawa in discharging several men because of the formation of a police union there.

"In the first place I don't see any necessity of a policemen's union because they are engaged in a non-competitive occupation," said the chief. "But if such a union does not interfere with the efficiency of the department I see no reason for objecting to it."

The members of the local police union which is affiliated with the Allied Trades and Labor Association consider that the union has been highly beneficial to their interests. Better wages and better conditions have been brought about by demands made by the men, who have stood together to gain their ends, they say.

GAS FORMED ABOUT THE HEART

Causing Pain and Much Anxiety — Chronic Indigestion Was the Source of Trouble—Complete Cure Obtained.

Woodstock, Ont., April 17.—No derangements are so dreaded as those of the heart. And yet many who imagine that they are in a serious way from heart disease are really suffering from indigestion. The food ferments, instead of being digested, gases are formed which crowd about the heart and cause pain, dizzy spells and smothering feelings.

Dr. Chase's Kidney-Liver Pills are the most satisfactory treatment obtainable for this condition because they awaken the action of kidneys, liver and bowels, and thereby remove the cause of trouble.

Mrs. R. Walmsley, 403 Main street, Woodstock, Ont., writes: "My husband was troubled with gas around the heart, and suffered in this way for some little time. A friend advised me to have him try Dr. Chase's Kidney-Liver Pills, and acting upon her advice we got a box and gave them a trial. My husband found they helped him splendidly, completely relieving his old trouble. Since then he keeps them in the house, and if he feels any of his former symptoms returning, he always finds immediate relief in Dr. Chase's Kidney-Liver Pills."

Mrs. Horatio Scratch, Kingsville, Ont., writes: "I feel it a duty as well as a pleasure to tell of the benefits received from the use of Dr. Chase's Kidney-Liver Pills and Ointment. One year ago I was a great sufferer from cramps in my stomach and bowels and sometimes had to call in the doctor I was so bad. The use of Dr. Chase's Kidney-Liver Pills completely overcame this trouble."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

Dr. Reason Says:

"They May All Be Right."

The Homeopath finds fault with the Allopath for giving big doses of medicine, the Allopath says that the small doses of the Homeopath cannot do very much good, as too much time is wasted—then along comes the Osteopath, who insists that medicine cannot do the work, and that he can straighten out the patient; finally the Christian Scientist says "leave the patient alone and he will get well." So there you are. Doctor Reason says that the judicious use of HACKING'S HEART and NERVE REMEDY will drive out many troubles of the Body and the Mind, **Headache, Dizziness, Shortness of Breath, Sleeplessness, Jumpy Nerves, Palpitation,** and all manner of **Sickness and Misery** will soon **fade away** under the treatment of this gladsome remedy. Be convinced, a trial will prove it. 50c a box, 3 for $2.50, from your dealer, or by mail. C. B. Hacking, Phm. B., Listowel. 60u

CROWDED QUARTERS MAY MEAN CHANGES IN LOCAL "CENTRE"

Mobilization Work May Be Transferred to New Location.

DEPOT NEEDS ARMORIES

Old Militia Headquarters In B. N. A. Bank Building Are Under Consideration.

Recruits arriving in this city from all corners of the United States and from all points in Western Ontario may be forced to wend their way up Richmond street in the near future, instead of going along Dundas street as has been their wont in the past.

The armories, long held sacred to the comfort of transient recruits on their way to don the khaki, has been invaded by the new district depot for returned soldiers, and there is a grave possibility that the mobilization centre may be forced to seek other quarters. The military authorities are endeavoring to secure accommodation for it in the B. N. A. Building at Richmond and Queen's avenue, which was formerly occupied by the district headquarters staff.

If space can be secured for the mobilization centre in the Richmond street building, it is expected that Majojr Irvine and his staff of the mobilization centre will move from the armories, and thereafter drafted men and recruits will go up Richmond street to "sign up" and receive their "once over" from the military doctors, before going to Queen's Park camp for their uniforms.

TANK TO SWEEP ON TO VICTORY IN THE PATRIOTIC DRIVE

Interesting Device Will Mark Progress of Campaign.

Instead of a big thermometer conspicuously placed this year to indicate the progress of the grand patriotic campaign, a still more appropriate idea has been evolved by the chief of the department having in charge the outside advertising, signs, etc. The device this year is to be a tank starting out the first day to capture a series of trenches. The trenches will be labeled from zero and will progress to the objective, $355,000. This will be placed near the corner of Dundas and Richmond streets, where passersby can inform themselves each hour of the day just how the campaign is getting along.

Negotiations are under way to secure the store used as victory loan headquarters for headquarters during the campaign, but it was stated today this will not be definitely decided until tomorrow morning.

A meeting of the industrial committee takes place at 4:30 o'clock this afternoon in the office of Lieut.-Col. W. J. Gartshore to make plans for obtaining the co-operation of employers in obtaining subscriptions from their employees.

MID-DAY PRAYER SERVICE WILL BE HELD NEXT WEEK

Ministerial Alliance Arranges Meetings in Cronyn Hall.

In view of the crisis in the great war through which the armies are passing at the present time, on resolution of the Ministerial Alliance passed last Monday, the executive has arranged for a mid-day prayer service to be held every day next week in Cronyn Hall (St. Paul's Cathedral) under the auspices of the alliance. The services will be confined to exactly half an hour, beginning promptly at 12:20 o'clock and closing on the minute of 12:50. The names of the leaders each day will be announced later in the week.

The services have been arranged to afford the public an opportunity of meeting daily for prayer, and at the noon hour to make it possible for a large number of business people to attend without interfering with their duties. Those who have charge of arrangements confidently believe that many will take advantage of the opportunity of attending.

REVIVE FOLK-GAMES

Kindergarten Supervisor Advocates Their Re-Establishment.

The regular monthly meeting of the St. George's Mothers' Club was held in the kindergarten room. Mrs. Cole, the president, presided. An interesting talk on "Play" was given by Miss Brenton, supervisor of kindergartens. Miss Brenton advocated the revival of folk games.

"The community chorus is a great thing for the citizens of London and should prove popular, because everyone can join in," said Miss Brenton.

At the close of the meeting a pleasant discussion was enjoyed and Miss Anna Clarke delighted all with musical numbers.

MILITARY NOTES

Lieuts. H. C. Harcourt, W. O. R. D., and C. L. Jones, W. O. R., are taken on the strength of the C. E. F. in Canada, with effect from 28th March, 1918, having been returned from overseas for disposal of the adjutant-general.

The undermentioned officers are struck off the strength of the C. E. F. in Canada, as shown, and return to the active militia unit to which they formerly belonged:

Having become surplus in rank to establishment in C. E. F. appointment—Lieut. William Joseph Seitz, late W. O. R., 1st Depot Battalion, 31st March, 1918. Resuming civil employment—Major Jay Clinton Massie, late 71st Battalion, 15th April, 1918.

BANISH SCROFULA

Hood's Sarsaparilla Cleanses the Blood. Skin Troubles Vanish.

Scrofula eruptions on the face and body are both annoying and disfiguring. Many a complexion would be perfect if they were not present.

This disease shows itself in other ways, as bunches in the neck, inflamed eyelids, sore ears, wasting of the muscles, a form of dyspepsia, and general debility.

Ask your druggist for Hood's Sarsaparilla. This great medicine completely eradicates scrofula. It purifies and enriches the blood, removes humors, and builds up the whole system. It embodies the careful training, experience, and skill of Mr. Hood, a pharmacist for fifty years, in its quality and power to cure.

Scrofula is either inherited or acquired. Better be sure you are quite free from it. Get Hood's Sarsaparilla and begin taking it today.

QUERIES REGARDING MILITARY SERVICE

Send In Your Problems and They Will Be Answered From Official Information by The Advertiser.

D. G. Q.—I have my exemption while farming. Would I be exempt to work on a dairy farm?

A.—Yes, you are not bound to remain in the employ of any one farmer, and unless you change your occupation; that is, cease to be a farmer, your exemption holds good.

A. C. R. Q.—I was born in Canada and lived there until two years ago, when I moved to the United States. There I took out intention papers and on June 5, I registered in the draft. Last fall I moved back to Canada on a farm. Can the United States take me back there, as they have me placed in class two? How should I go about it to get exempted? If they send me a card to appear for medical examination do I have to appear unless they forward my fare to where I was registered?

A.—Your military obligations depend on your citizenship, which is not clearly indicated. If in making your declaration of intention, you renounced all allegiance to the British Government, it would appear that you are no longer a British subject, and therefore not liable for service here. If you are still a British subject you are liable for service here, regardless of what steps you took in registering for the United States draft.

If you are a citizen of the United States, they can take you back for service. Nothing is known here of the meaning of "class 2" under the United States law. If you are a British subject and came back to Canada too late to claim exemption in the regular way last fall, you can still claim it by writing to the deputy registrar, Royal Bank Building, London, Ont. If you were notified to appear for medical examination, you would probably be provided with fare to the nearest medical board.

No matter whether you are a British or United States citizen, you will be required to enlist when the convention agreement now being arranged between the two countries goes into effect, under which subjects of either country residing in the other country will be required to enlist or return to their own country for service.

M. F. F. Q.—Can a drafted man who has been put in class E, be kept in barracks for any other purpose, or would he be just waiting for his discharge papers? Is there any way in which he could hurry them along?

A.—Men in category E are released from the service as soon as it is possible to do so. He might ask his commanding officer to look into the matter for him.

22 TRY TO SECURE KHAKI UNIFORM, 17 PASSING INTO C.E.F.

Other Five Found Unfit in Wednesday's List.

Recruits at the local mobilization centre again reached a high mark on Wednesday. Twenty-two volunteers reported for service and seventeen of them were placed in category A2, five were found unfit for service and placed in category E.

Eleven volunteers came from Detroit, six from London, four from Cleveland and one from Windsor.

Three men, who were apprehended under the military service act, were placed in category A2, and sent to the W. O. R. for service.

The following is a list of Wednesday's volunteers: T. R. Fordon, R. F. C., Windsor; P. J. Twomey, W. O. R., Detroit; Thos. Huguert, C. E., Detroit; P. A. Flockton, W. O. R., Detroit; R. D. Butler, C. E., Detroit; E. C. Darling, C. E., Detroit; C. Demon, W. O. R., Detroit; A. C. Hall, W. O. R., Detroit; J. D. O'Neill, C. E., Detroit; G. A. Hives, C. E., Detroit; H. Lewis, W. O. R., Detroit; A. Birch, C. E., Detroit; B. Williams, unfit, London; E. E. Davis, unfit, London; W. A. Thompson, unfit, London; J. G. Dempsey, unfit, London; R. N. Harvey, under age, London; J. T. Trotter, C. E., London; H. L. McDonald, C. E., Cleveland; C. J. Bennett, unfit, Cleveland; F. L. Cunningham, 63rd Battery, Cleveland; A. B. Alderson, 63rd Battery, Cleveland.

BORDER DISTRICT, WATERLOO COUNTY, SEE MORE ARRESTS

Majority of Evaders Apprehended in These Sections.

Apprehension of men suspected of attempting to evade military service are being made daily in this military district by members of the Dominion police force.

Ten men were brought into the city Tuesday from different parts of the district. Four of this number were arrested at Windsor, three at Sarnia and the remainder from country sections.

That the majority of the arrests made by the Dominion police are effected at the border cities is due to the fact that the men attempting to evade service try at the same time to get over to the United States.

The Dominion police force members in this military district, under the supervision of Lieut. C. H. Atkinson, are searching out evaders in the remote sections, who have up to the present escaped.

Of the eleven counties comprising this military district the largest number of arrests have been made in the county of Waterloo.

EXECUTIVE'S REGRET

Western Fair Directors Mourn Passing of T. H. Smallman.

A meeting of the executive committee of the Western Fair Association was held at the offices on Wednesday afternoon. Lieut.-Col. W. M. Gartshore, president, was in the chair. A resolution of regret at the sudden death of the late T. H. Smallman was passed and a letter of sympathy will be sent Mrs. Smallman and family.

Mr. Smallman had been a director of the exhibition for a number of years, being chairman of the finance committee for the past seven years. He will be much missed by his fellow directors.

POISONED BY TABLETS

Merlin Babe Dies as Result of Eating Them—Medicine Sent Here for Analysis.

MERLIN, April 17.—A daughter of Charles Skipper, who lives on the sixth concession of Tilbury East Township, died today of poisoning. The child, who was about 18 months of age, in playing around the house got some tablets and swallowed them, dying in a short time. Dr. Refd was called, but the child was dead when he arrived. The doctors performed a post-mortem and removed the tablets from the child's stomach, which have been sent to the Hygienic Institute at London for examination.

JAFFA POSTMASTER DIES.

JAFFA, April 17.—Walter Doolittle, aged 81, postmaster here for many years and a resident of the village for more than half a century, died here last evening.

CLEARING HOUSE FOR DESERTERS IN DISTRICT ARRANGED

No. 1 Special Service Company Named for New Task.

No. 1 Special Service Company is to act as a clearing house for all deserters who surrender themselves or are apprehended, and all prisoners undergoing civil conviction.

Instructions contained in camp orders state that a man who surrenders from desertion will be handed over to the Special Service Company and given a medical board and category. He will then sign a confession of desertion and be posted to the corresponding unit or discharged, according to whether his category is "A" or less than "A" or "E."

If a man should be apprehended and it is found that he belongs to a unit which has gone overseas, the Special Service Company will take charge of him and immediately have him reboarded and categorized. The officer commanding Special Service Company will make a precis of the fact, of his case and consult with the A. A. G. as to whether he should be tried by civil power or by district court-martial. If the case is to be tried by civil power, the necessary documents will be handed to the A.P.M., who will arrange for the trial.

Where men are undergoing civil conviction they will be immediately transferred to the Special Service Company, which will be responsible for keeping track of them and will keep in touch with the governor of the prison concerned as to the man's character, behavior, etc., and before the sentence is completed will arrange for the withdrawal on a date agreed to between the civil and military authorities. When a man returns from civil prison he shall be immediately boarded and categorized, and if category permits re-equipped, vaccinated, inoculated and posted to draft for overseas, but he should not be released from detention until draft proceeds.

ENTHUSIASM FOR SING-SONG DEFIES ANY SPRING RAIN

Auditorium Crowded by Old-Time Singers Last Night.

Despite the rain the Auditorium was crowded with singers for the third Community Chorus last evening. It will take more than a spring shower to keep those who have been attending away from the weekly song-fest.

A. D. Jordan, the leader, helped the audience to throw off all restraint by interspersing the songs with humorous stories. Everyone entered into the spirit of the chorus, and the singing was greatly enjoyed.

If any persons entered the building feeling a bit blue on account of the news from the battleline, they lost it when the song, "Carry On" was called for. A. D. Jordan urged those present to take the words to heart. The "pep" put into the line, "Are we down-hearted? No! No! No!" was evidence that the audience caught the meaning of the leader. The "Hymn of the Marseillaise," was also sung with much enthusiasm. The singers no doubt thinking of the "children, wives and grandsires hoary" of France, who are witnessing the scenes where "peace and liberty lie bleeding" as a result of the Huns "thirst for gold and power unbounded."

"O Canada" was also enjoyed by the chorus, and the song has a deeper meaning to all today than it had four years ago.

"The tune," said A. D. Jordan, "is quite in keeping with the grandeur of the sentiment."

"Home, Sweet Home" was another favorite. Referring to this song, Mr. Jordan remarked that the tune, which is the most familiar, is frequently the one that is sung incorrectly. He played over the chorus of a wellknown hymn as it should be sung, and in contrast the way it is frequently sung to illustrate his meaning.

The sentimental songs also were well taken by the chorus. "How Can I Leave Thee" and "Juanita" were well rendered by the audience. "Nancy Lee," a rollicking sailor's song, went with a swing. The men present sang one verse, but Mr. Jordan had to acknowledge that they were not quite equal to the occasion without the aid of the women voices. The old favorite, "My Old Kentucky Home" was another song that all enjoyed.

Mrs. O. G. Taylor rendered several musical selections on the piano. Mrs. Taylor's playing was marked with brilliancy and style. The audience was so delighted that she had to respond to several encores.

The singing of the Harmonic Male Quartet was also well received by the audience. "Way Down Yonder in the Corn Fields" was one of the favorites given by the quartet. Several numbers were given in response to encores. Bert Howcroft, Chris Pink, Percy King and Fred Dowling are the members of the quartet.

Melvin P. Bush gave several selections on the violin.

A. D. Jordan announced that the sing-song will be held every Thursday evening in the future. On account of the Auditorium being engaged for tonight the chorus met Wednesday evening. In future, however, there will be no change from Thursday. Everybody is urged to attend.

FIVE RUSSIAN FLIERS ARRIVE IN CANADA TO VOLUNTEER WITH ALLIES

A CANADIAN PACIFIC PORT, April 17.—Five Russian aviators, officers of the Russian Flying Corps, arrived here today on a trans-Pacific liner, to offer their services to the British Royal Flying Corps.

They have served on the Austrian and Rumanian fronts and all have been decorated for bravery.

Colonel Ducklan, who heads the party, has been wounded three times.

When Russia lapsed into anarchy, the aviators said, they resolved to come to Canada. They practically fought their way out of the country, they asserted, and after weeks of hardships, reached Japan, where British consular officers arranged their passage overseas.

SHE DARKENED HER GREY HAIR

Well-Known Lady Tells How She Darkened Her Grey Hair by a Simple Home-Made Remedy.

Mrs. E. H. Boots, a well-known resident of Buchanan County, Ia., who darkened her grey hair by a simple home-made remedy made the following statement:

"Any lady or gentleman can darken their grey or faded hair, and make it soft and glossy with this simple recipe, which they can mix at home. To half a pint of water add 1 ounce of bay rum, one small box of Orlex Compound and ¼ ounce of glycerine. These ingredients can be purchased at any drug store at very little cost. Apply to the hair every other day until the grey hair is darkened sufficiently. It does not color the scalp; is not sticky or greasy and does not rub off. It will make a grey-haired person look 10 to 20 years younger."

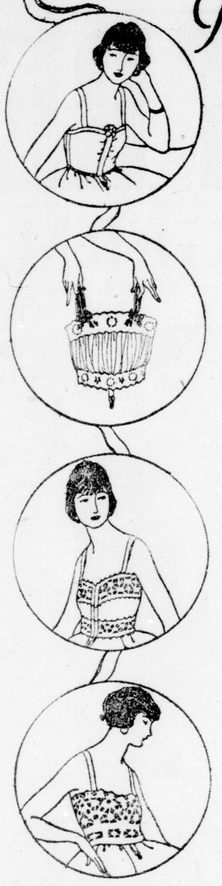
Corset Week

Introducing Fashions Newest Modes in Corsets



Tomorrow we begin a series of special corset days, which in turn will display definite corset models and accessories. This event will be devoted to the showing of all lines, dwelling particularly upon the new silhouette, obtainable only through the proper corseting as exemplified in these new models. Youthful lines are enhanced and maintained by the proper corsets, and yet these corsets must provide ample security to the figure. Misses and young women require distinctly individual styles, which will be especially shown tomorrow.

Newest Brassieres and Corset Accessories

Great progress has been made in designing brassieres—styles and lines have greatly changed and improved. The newest will be especially shown tomorrow, and they will reveal the most exquisite workmanship and beautiful trimmings.

A Never Failing Way to Banish Ugly Hairs

(Aids to Beauty.

No woman is immune to superfluous growths, and because these are likely to appear at any time, it is advisable to always have some delatone powder handy to use when the occasion arises. A paste is made with some of the powder and water and spread upon the hairy surface; in about 2 minutes this is carefully removed and the skin washed. You will then find that your skin is entirely free from hair or fuzz. Be sure, however, to get real delatone. —Advt.
