Important Dispatch From Gen. MacArthur.

Americans Hopeful That the Conflict Will Soon Be Brought to an End.

Washington, March 30.—An important dispatch received at the war department yesterday from Gen. MacArthur at Manila dated Friday, chronicles the surrender of a considerable number of rebels and military arms, and the important feature of it is that the surrender marks the complete stamping out of the insurrection in the Island of Mindanao, which, next to Luzon, is the largest island in the Philippines. The dispatch is as follows:

"Manila, March 29.—Brigadier-General William A. Kobbe reports surrender Sumulao, Mindanao, 9 officers, 160 men, 137 rifles, 80 shotguns, Capistrano's command. This ends the trouble in Mindanao as far as Filipinos are concerned. Brigadier-General Robt. P. Hughes reports Alikpali and Ruiz, 34 guns surrendered to Capt. David G. Shanks, 18th United States Infantry, at Mamburao; 206 guns, Fuller's command, surrendered to Lieut.-Col. William S. Scott, 44th United States Volunteers. (Signed) MacArthur."

TWO DIFFERENT VIEWS.

Gen. Miles says Aguinaldo's capture will dishearten the rebels.

Bryan says the capture of Aguinaldo does not make it any more possible for the United States to successfully maintain an empire in the orient, and a republic in America.

STILL THEY COME.

Manila, March 29.—After being convinced of Aguinaldo's capture, General Geronimo, the insurgent leader in the Province of Morong, Luzon, has surrendered with six officers, 46 men and 50 rifles to Col. Thompson, of the 42nd Regiment, at San Mateo. As the news of Aguinaldo's capture spreads through the archipelago the insurgents are becoming disheartened, and there is a marked increase in the number of individual surrenders.

Aguinaldo is now detained in a comfortable room in a wing of the Malacanang Palace. He is in charge of two United States officers. He is generally cheerful, but sometimes moody. His health during the past year has bene very good. It is uncertain what attitude he will now assume. Certain visitors are permitted to see Aguinaldo, but newspaper interviews with the prisoner are not allowed.

Gen. Trias commander of the insurgent forces in Southern Luzon, who recently surrendered to the American authorities, visited Aguinaldo. Trias said that a continuance of armed opposition to the United States was ruinous. The independence of the Philippines was impossible, and the Filipinos had better accept liberty, prosperity and progress under American rule.

CABINET DISCUSSES THE SITUATION.

Washington, March 29.—The cabinet meeting today was devoted almost entirely to a discussion of the capture of Aguinaldo, its effect upon the military situation in the Philippines, the disposition to be made of the insurgent chief, and the reward to be given to Gen. Funston. The subject was considered in all its phases, but no definite conclusions were reached either with regard to Gen. Funston's reward or to the punishment of Aguinaldo.

The view of the majority of the cabinet was that the time is not yet ripe to decide what course should be pursued in the disposition of Aguinaldo. There is no disposition to deal otherwise than leniently with him, but there are various questions that will have to be considered in the case, as, for instance, whether he personally instigated assassinations of Americans and similar offenses.

The trend of views, as expressed by the cabinet, indicated that ultimate transportation to some place of confinement outside of the Philippines was the course most likely to be adopted.

Pain in the Joints

may be muscular or rheumatic. The joints are hard to get at, and it requires a powerful, penetrating remedy to reach the affected parts. Polson's Nerviline exactly meets the requirements, for it is both powerful and penetrating. The pain is expelled as if by magic, for one drop of Nerviline equals in strength five drops of other remedies. You won't often call the doctor if Nerviline is in the house. Price, 25 cents.

INDUCED A BOY TO STEAL $4,000!

His Aunt Arrested and Confessed Her Part in the Crime.

Thirteen-year-old Frederick Windbiel, the son of Peter Windbiel, a Chicago saloonkeeper, has been arrested charged with robbing his father of over $4,000.

The boy's aunt, Annie Sproul, is also under arrest and she has confessed that she and her husband induced the boy to take the money from his father. They told the boy, the police say, that Mr. Windbiel would defraud him of whatever interest he might have in the family savings and that his only salvation was to get possession of the money at once. When the boy got hold of the money they induced him to turn it over to them, saying they would keep it until he became of age.

Before he could be arrested Mrs. Sproule's husband fled to Germany, and a cablegram has been sent to the German authorities to apprehend Sproul when he arrives.

STRONG TOWNSHIP SENSATION!

The Restoration to Health of Wm Doeg, Who Had Not Left His Room in Years—Rheumatism of the Worst Kind Completely Cured.

[Sundridge Echo.]

The Echo has taken the trouble to investigate the circumstances and can vouch for the truth of the following interesting story in its every particular.

Almost everyone in this neighborhood knows Mr. Wm. Doeg. In 1878 Mr. Doeg moved from the township of Osprey, in Grey county, to lot 19, in the 13th concession of Strong township. He has since made many friends, and all who know him speak of him in the highest terms.

Some time after he came to this part he was stricken with rheumatism. It gradually grew worse and worse till for the last four years he has been a confirmed invalid, and as a consequence has not been seen in town at all. He has sat night and day in his chair, unable to move or walk a step for months. The pain never left him. It commenced in his back, and the torture he had to bear was terrible. From his back it would sometimes move to other parts of his body. His knees were fearfully painful at times. The truth is, that for four long years the poor man did not have a single moment's respite from the racking of this dreadful disease.

Mr. Doeg says: "It makes me shudder to look back upon that awful four years; even the thought of it is dreadful. How I ever lived through it I do not know, but I thank God that he has at last restored me to health and strength with nothing of the rheumatism left but the memory of it."

Mr. Doeg is a changed man. Hale and hearty, he now enjoys every moment of his new life to the full.

How did the change come about?

This is the question which Mr. Doeg is most delighted to answer. He had tried the treatment of several physicians, and had used almost every medicine known as a cure for rheumatism, but he got no relief.

"I gave them all a fair chance, too," said Mr. Doeg to the Echo, "but nothing seemed able to give me even temporary relief. I grew despondent, and despaired of ever leaving that dreadful pain behind me.

"One day I read in a newspaper the testimonials of some who said they had been cured of rheumatism by Dodd's Kidney Pills. I hadn't much faith in anything by this time, but I sent for one box of the pills and commenced. I noticed an improvement, and kept on, and look at me now."

Mr. Doeg certainly doesn't look like an invalid now, and it is hard for one who had not seen him in his sick room to believe that six months ago he couldn't walk.

"Have you any objection to making and signing a written statement of the whole thing for publication in the Echo?" was asked Mr. Doeg.

"None whatever; I will be glad to do so, for I want every person suffering as I was with rheumatism to know that Dodd's Kidney Pills will cure them, and I do hope that my statement will be read by all such unfortunates."

This is Mr. Doeg's written statement:

For four years I suffered excruciating torture, during which time I was scarcely an hour free from pain. The trouble commenced in my back, where it often remained stationary for months, and so intense was the pain that I could not lie down or take rest, but had to sit night and day in a chair. The pain would then remove to other parts of my body, and when in my knees I was unable to walk, and confined constantly to my room. I was treated for rheumatism by several doctors, and also tried many medicines without receiving any benefit. Almost in despair I feared I would never again experience the pleasure of being free from pain.

Last spring my attention was directed to some remarkable cures of rheumatism effected by Dodd's Kidney Pills, recorded in the public prints. I procured a box, and soon found that they were doing me good, so I kept on, till now I can say I am a new man, entirely free from pain, and have continued so for over six months, being able to attend to my daily duties on the farm, and feel strong and able for work.

I verily believe this great change has been effected by the use of Dodd's Kidney Pills, and I think it my duty to make this statement public for the benefit of anyone afflicted as I was. Wm. Doeg, Sundridge.

This is a plain, unvarnished statement of fact, as we found it, and every reader of the Echo, especially those who know how bad Mr. Doeg was, will agree that it is a case without parallel in the history of the community.

GOLD HUNTERS MASSACRED.

Phoenix, Arizona, March 29.—It is reported that a party of gold seekers was massacred by Ceris Indians on the Island of Tiburon, in the Gulf of California. Two weeks ago, six Mexican prospectors left Tepopa, on the west coast of Mexico, in a small boat, and went to Tiburon Island. Pedro Parguila, one of the party, has reached the mainland, and has reported a fierce fight. He believes his companions were killed.

JEFFRIES IN COURT.

New York, March 30.—James J. Jeffries, the champion pugilist, was held to the grand jury in $200 bonds by Justice Bradwell Wednesday, the charge being violation of the anti-boxing laws, and the plaintiff, of course, being Frank Hall. Only a small crowd attended the hearing. Hall's antics with pugilists have ceased to amuse, and there is now a pretty strong suspicion that Hall and the fighters' managers are in a mutual advertising scheme. The case, of course, will be buried in the grand jury room and never again heard of.

WEST KNOCKED OUT.

Louisville, Ky., March 30.—Tommy West, of Brooklyn, was knocked out last night before the Southern Athletic Club at the Auditorium, by Marvin Hart, of Louisville, in the 16th round of a 20-round bout.

IN FOURTH ROUND.

Lowell, Mass., March 30.—Billy Gardner knocked out Joe Flaherty in the fourth round of a 20-round bout last night.

NOTES.

Dawson City offers $10,000 for a match between Frank Slavin, the Australian heavyweight, and Tom Sharkey, the sailorman.

THE RIFLE.

London, March 30.—The English inanimate bird-shooting clubs were delighted at the receipt yesterday of a dispatch from the United States announcing that the American clubs agree to their challenge to meet the English clubs in this country during the coming summer. A meeting will be held in London this evening to discuss the arrangements. Interest in the contest is enhanced by the fact that the American team is confined to the use of a single-barreled gun which employs a larger charge, while the English team will use the national double-barreled gun. The result is expected to determine which is the better weapon, and it may lead to a revolution in the English gun trade.

BASEBALL.

Toronto News: "Truck" Eagan, the California League phenomenal infielder, who came east with Sheehan to Tebeau at St. Louis last year and returned to the coast, was signed yesterday by Manager Ed. Barrow. Eagan was eighth in the list of heavy hitters in the California League, with an average of .275. He was second in run getting, making 70 tallies in 88 games. He was fourth among the shortstops in field, with an average of .867.

SIEVER IS FIT.

Detroit News: Ed. Siever is still in London, and will leave for Detroit Saturday. He says that he is all right now and can begin shooting them over the pan as early as any one of the lot.

McCANN WITH BROOKLYN.

McCann, who went to Detroit from the Canadian League, and then went to Minneapolis, has been signed by Brooklyn. McCann will be remembered by the local fans as one of the speediest and braniest pitchers who ever appeared on the Tecumseh Park diamond. His work for the Hamilton team was of such a quality as to mark him at the outset for faster company.

YACHTING.

CANADA CUP RACE DATE.

Chicago, March 30.—The Canada Cup committee, of the Chicago Yacht Club, has named July 20 for the commencement of the trial races, which are to determine what 35-footer shall defend the cup against the Canadian challenger.

LIPTON'S ASPIRATIONS.

Boston, March 30.—A special cable to the Globe from London says: Sir Thos. Lipton says: "Nothing could give me greater pleasure than to take Shamrock II., and possibly both Shamrocks, around the Cape, and race with Independence and other fast boats. I should care nothing to win the cup, and then be told that I had not beaten the best boat. After the launching, both Shamrocks will race in the Solent continuously, and the German Emperor's Meteor may take part. On June 7 and 8 both Shamrocks, Meteor and Sybarite will race on the Clyde. My boat must be the best that this side of the water can produce. I feel that I have an even chance to lift the cup. I hope to meet Charles Francis Adams at New York, and arrange to accept his invitation from the Boston Board of Trade."

TURF.

THE WINGHAM MEETING.

The horse races in Wingham this year will be held on Wednesday and Thursday, June 26 and 27. The association has already had some of their advertising matter sent out and intend to boom the races this year. One thousand eight hundred dollars is offered in purses and this should be the means of bringing a large number of horses to town. Wingham has never had a poor race meeting and this year will not see the record of good races broken.

Washington, March 30.—Results at Bennings yesterday were as follows:

Third race, selling, 7 furlongs—Animosity 1, Draughtsman 2, Eloim 3. Time, 1:34⅘.

Fourth race, 5½ furlongs—Isla 1, Give and Take 2, Monmouth Boy 3. Time, 1:10⅘.

Fifth race, maidens, 7 furlongs—Imperialist 1, Tamarin 2, Glinki 3. Time, 1:32⅘.

Sixth race, selling, 1 mile and 40 yards—Matt Simpson 1, Kirkwood 2, Cherished 3. Time, 1:49⅘.

CHESS.

CAMBRIDGE WINS.

London, March 30.—Cambridge beat Oxford in the chess match yesterday by 5 to 2 games.

HOCKEY.

MOSTLY CANADIANS.

Pittsburg, March 28.—The Whig says: "The Pittsburg Athletic Club's hockey team has won the championship of the league in which it plays by defeating the Keystones, of the Smoky City, by 6 goals to 2. In their first meeting the teams tied, but in the second match the P. A. C. team was a brilliant and decisive victory. The champions played twelve league matches, winning 10, tying 1 and losing 1. Five Kingstonians play on the championship team—Lamb, Reyner, Hamilton, Curtin and Murray. The last named is captain. The boys have made a reputation for themselves in Pittsburg, and their friends at home are proud of their prowess on the ice. Nearly all the Kingston boys talk of leaving Pittsburg. They complain that they do not get good health. All are afflicted with catarrh as a result of their residence in Pittsburg. Jigger Robinson is expected home next week."

BOWLING.

OXFORD WON RACE.

London, March 30.—Oxford won from Cambridge in the rowing race today by half a length. Time, 22 minutes, 31 seconds.

WRESTLING.

ABEKEN WAS GREASED.

St. Louis, Mo., March 30.—The wrestling match for the amateur middleweight championship of America, between Maxey Wiley, of Rochester, N. Y., and Henry Abeken, of St. Louis, scheduled for last night, did not take place. When the men went on for the first bout the New Yorker discovered that Abeken was greased, and refused to continue. As greasing constitutes a foul according to all wrestling rules, the referee gave his decision in favor of Wiley. Abeken was roundly hissed by the audience as he left the stage.

THE KENNEL.

THE BRANTFORD SHOW.

Brantford, Ont., March 30.—The dog show of the Brantford Kennel Association was opened here yesterday afternoon. The exhibit is in the city hall, and will continue for two days. There are 115 entries, 50 being in the different classes of terriers. The judges have not yet completed their work. The exhibits are very fine, as Brant county contains some of the best bred dogs in Canada.

NOTES OF SPORT.

"Yeager, Miller, Siever, Cronin, Frisk and Platt—that will be the great pitching staff," says the Detroit News, referring to the strength of the Detroit team.

Top spinning as an exercise for pitchers' arms is the latest wrinkle. Spanking children ought to be great for catchers, says the Chicago Journal.

Eddie Bald is going in training again this spring, and if he shows enough of his old-time form he will race all season.

Montreal Star: The supposed wrestling match at Sohmer Park, between Louis Cyr, the strong man, and Beaupre, the Willow Bunch giant, was a ridiculous affair, and one of these things that is apt to make people fight shy of the real game. Neither man understood anything about wrestling, and when Beaupre grabbed Cyr by the neck, the latter became angry, lifted the giant in his arms and tossed him down good and hard outside of the mat. That was about the extent of the match.

There is a possibility that a six-day bicycle race may be held in Ottawa during the coming season. The idea would be an entirely new one in Canada, which as yet has not taken up any six-day races. It would be the intention to give no money prizes, but to have the race competed in by amateurs only, and to limit the entries to Canada.

The annual meeting of the Dresden tennis club was held in the Y. M. C. A. rooms recently. Much enthusiasm was evidenced and the prospects for 1901 are bright. The following officers were elected: Honorary president, A. Smith; president, H. Wallace; vice-president, E. E. Kendrick; secretary, E. E. Bolton; ground committee, F. S. Jameson, S. Carscallen and I. Wallace. E. E. Kendrick will act as manager.

At the recent annual meeting of the Mitchell bowling club, W. G. Hinds was elected president; Dr. Smith, vice-president; secretary - treasurer, S. A. Hodge; committeemen, Fred Davis and Jas. Dougherty. The following were chosen as skips for the season: W. Elliott, Dr. Burritt, E. F. Davis, F. A. Campbell, W. Ryan, T. S. Ford, J. E. Sawyer and James Dougherty, Fred Davis and S. A. Hodge; auditors, A. Burritt and F. A. Campbell. Seven new members were received.

STEVE BRODIE'S WILL.

New York, March 30.—The language in which the will of Steve Brodie, the bridge jumper, was drawn, is unique. The document was offered for probate the other day and leaves his entire estate in the control of his daughter, Irene.

The will is in Brodie's handwriting, and was signed June 8, 1900. The estate is valued at about $100,000, and consists of two houses, 163 and 165 East 102nd street, which are valued at $50,000, five lots in Hollywood, N. J., and three lots in Harrison, N. Y., and $30,000 in cash, which is deposited in different banks in this city, and all of his jewelry.

Miss Irene Brodie, according to the instrument, is to be sole "exeditor" of the estate until her sister Nellie reaches her 21st birthday, at which time the property is to be equally divided between his three children, Irene, Nellie and Stephen. The document was signed by Charles J. Flynn and James S. Cock as witnesses. Brodie died in San Antonio, Texas, on Jan. 31, of the present year.

PERMANENT CURES OF CANCER.

We here give a few cases where the efficacy of our Constitutional Treatment in curing Cancer is established beyond all question. We have plenty more on file.

There is ample proof that where our remedy cures, it cures to stay cured and saves people from the torture of the knife and plaster.

CANCER OF THE BREAST—A lady had cancer of the breast, which rendered her right shoulder and arm almost helpless. Our remedy cured her over five years ago, and there is not the slightest return of the trouble.

CANCER OF THE FACE—This case of a gentleman who was so bad that his right cheek was almost all eaten off with the disease. Plasters aggravated his trouble. Our treatment cured him over four years ago and he has been all right since.

CANCER OF THE STOMACH—Doctors pronounced the trouble cancer of the stomach. There was vomiting of material that looked like coffee grounds. Great weakness and prostration. Cured over four years ago and well today.

CANCER OF THE NOSE—A severe case which was cured by our remedy in 1891 and has never returned to this day.

Full accounts of the above cases together with the names and addresses of the persons are given in our book "Cancer, Its Cause and Cure," sent to anyone in plain wrapper on receipt of two stamps. Stott & Jury, Bowmanville, Ont.

Delays Are Dangerous.

There Is No Disease Which Will Prove So Fatal, If Neglected, as Catarrh—There Is No Remedy Which Will So Quickly and Completely Cure as

Japanese Catarrh Cure.

If the person who has what they consider only a little lingering cold in the head, or Catarrh in a slight form, could only see what a pitiable sight some of those who have a bad case of Chronic Catarrh present, we feel sure they would not neglect taking the proper treatment another minute longer. Catarrh is one of the most dangerous of all diseases; it works its way so slowly and slyly that you do not realize how nearly you are in its deadly grasp, until some of the more painful and disagreeable symptoms appear. There has never been any remedy so successful in treating Catarrh or Head Colds as Japanese Catarrh Cure. There is no guess work, no experiment or no failures when this time-tried remedy is used. It relieves the head pains in one minute, and stops the discharge from the nose and dropping in the throat in a very short time. It goes straight to every Catarrhal diseased portion, soothes, heals, allays all inflammation and cures permanently. If you have only a slight Cold in the Head, don't neglect it. Japanese Catarrh Cure cures La Grippe or Cold in the Head in one night, and permanently cures Catarrh wherever located. You will find it pleasant to use. No instruments of any kind are required. It is the only permanent cure for Catarrh.

INDORSED BY GOVERNMENT INSTITUTIONS. Mr. A. E. Wilson, principal Government Home, Elkhorn, Man., writes: "We have used several boxes of Japanese Catarrh Cure, and find it superior to anything we have ever used for Catarrh. It has given wonderful results on every case tried. It certainly is an article of merit, having cured some very aggravated cases in the Home."

It does not matter how many remedies have failed to cure you of Catarrh, or how bad your Catarrh is, Japanese Catarrh Cure will cure you; there is no doubt about that. It always has and it always will. All druggists sell it, 50 cents. Trial size, 10 cents, by mail, from the Griffiths and Macpherson Co., Limited, Toronto, Canada.
