 New Buyers are cropping up everywhere.  
 You cannot afford to be without

## ROBINSON'S PATENT BARLEY

Raised on it.

## Pineapple Wafer

This is the name of a new biscuit which we have just placed upon the market. As its name implies, pineapple has a prominent place in its make-up. The pineapple is in the form of jelly and a substantial slice of it is laid between two biscuits, the whole imparting a delicious flavor.  
 Your customers will be sure to like "PINEAPPLE WAFER." Give them an opportunity of trying it.
