CASTOR - FLUID.

(Registered.)

A delightfully refreshing and cooling preparation for the Hair. It absolutely prevents dandruff, promotes the growth, keeps the hair from falling, and does not darken it. It should be used daily, after the morning bath.

Price 25c. For Sale at all Chemists.

Henry R. Gray, Chemist, 122 St Lawrence, Montreal, Sole Manufacturer.

WHITE ROSE LANOLIN CREAM.

(Patent applied for.)

Much superior to "Cold Cream" as a soothing and softening unguent for the skin. It will cure chapped hands, and will render rough and dry skin as smooth and as soft as velvet.

In Pots, 25 cents.

Henry R. Gray, Chemist, 122 St. Lawrence, Montreal, Sole Manufacturer.

GRAY'S SAPONACEOUS DENTIFRICE.

Antiseptic. Cleansing. Beautifying.

Keeps the teeth free from tartar, deodorizes the breath, and destroys bacteria.

25 CENTS.

Henry R. Gray, Chemist, 122 St. Lawrence, Montreal, Sole Manufacturer.
