British aeroplanes are said to have gone in pursuit of the machine which appeared over Sittingbourne, but no report from them has yet been given out.

The machine first made its appearance over Herne Bay, to the east of Canterbury, and about fifty miles from London. Within a few minutes it was reported over Conterbury, closer to the capital, and very shortly afterwards appeared over Faversham and then over Sittingbourne, not more than thirty miles away, dropping bombs on each town.

This is the third German aerial attack on the eastern coast of England in the last thirty-six hours. The two previous attacks were made at night by Zeppelin airships.

The damage done in Kent so far is reported as slight.

Aerial onslaughts, however, have not been limited to the Germans. French official reports claim a successful bombardment from the sky of the Imperial German headquarters in retaliation for a Zeppelin assault on Nancy.

The Hague, via London, April 16, 10.25 p.m.—Further ministerial conferences were held today to consider the sinking of the Dutch steamer Katwyk, from Baltimore to Rotterdam, with a cargo of grain consigned to The Netherlands government, in the North Sea, Wednesday night. The sinking of the steamer, without warning, has aroused the most widespread public irritation, and has called forth stinging protests from all the newspapers, even those inclined towards the German side.

FEAR BOY IS DROWNED.

Fredericton, April 18—(Special)—Hundreds of soldiers and civilians searched the hills south of Fredericton today for Albert Johnson, the twelve-year-old boy who has been missing since 1 o'clock Thursday afternoon. The men of the Divisional Ammunition Column and the 28th Field Battery, besides many civilians, carefully searched the fields and woods without finding any trace of the missing boy. The latter is a son of John R. Johnson, of 285 St. John street. His mother and some other members of the family returned to England last autumn. They came to Fredericton about two years ago. The father of the missing lad is of the opinion that he has been drowned in the St. John river.

WANTS TO KNOW MORE.

London, April 17, 3.01 a. m.—J. Austen Chamberlain, member of parliament for West Birmingham, has appealed to the government to take the people more into its confidence, and let them know a little more of what is happening. He says the secrecy of the government is being carried to an extent that is detrimental to the country's best itnerests.

The ball given in the armories last evening by Colonel Gaudet and officers of the 22nd F. C. Battalion, was one of the smartest and most delightful functions ever given in Amherst. The large room which was used for dancing was effectively decorated with the flags of the Allies, the letters 22nd F. C. R. being artistically arranged of bayonet sheaths on background of flags draping the balcony at one end of the room. The music was provided by the Crawford orchestra of eight pieces. The programme of 23 dances was thoroughly enjoyed by the dancers, each number being announced by the bugler. Supper was served at midnight from a long buffet decorated with pink and white carnations in tall glasses. The guests were received by Colonel and Mrs. Gaudet, the latter handsomely gowned in gray satin with net overdress. Mrs. Chevalier, wife of Capt. Armand Chevalier, wearing a lovely gown of white satin and black chiffon and a wonderful coatee of black satin embroidered with pink roses, and Mrs. Girauard, wife of Capt. R. Girauard, very dainty in pink satin and chiffon. Major J. L. Daly-Gingras was also in the receiving line. The guests numbered about 300, the ladies all being charmingly gowned, many new gowns being in evidence. Amon gthose present were: Mayor J. H. At a meeting of the Red Cross Society on Tuesday evening the sum of $50 was voted to place a bed in the New Brunswick ward of the Duchess of Connaught's hospital in England.

Mrs. John Harper is spending a few days with friends in St. John.

This community was greatly shocked on Monday afternoon when the news spread through the village that Neil L. MacDougall, who for the past six years has been station agent of the New Brunswick Coal & Railway Co., here, suddenly expired while at work at his desk. The deceased had not been in very good health for the past year, but his death was entirely unexpected. Mr. MacDougall during his stay here made many friends whose sympathy will go out to his widow and his daughter, Mrs. H. M. Armstrong. The funeral took place Wednesday afternoon and was largely attended. The service was conducted by Rev. E. E. Mowatt, burial in the Presbyterian cemetery at Red Bank. Among those from outside attending the funeral were Miss MacDougall, of Moncton and F. G. Kerr, Campbellton.

On Monday evening in King's Hall the Norton Amateur Theatrical Club put on the play "All Tangled Up," which proved a very great success in every way. A special train came in from Norton, bringing in about a hundred people from different points along the line, returning after the play. The proceeds are to go towards temperance work.

CONDENSED NEWS; LOCAL AND GENERAL

The births of twenty-seven infants, seventeen girls and ten boys were reported to Registrar J. B. Jones last week. There were ten marriages.

Mayor Frink has received a contribution of $71 from the Women's Institute and Red Cross committee of Blackville (N. B.), per Mrs. P. Keough, treasurer, for the Belgian relief fund.

Contributions for the Canadian Patriotic Fund have been received by C. B. Allan, as follows; W. J. Ambrose, for April $10; Mrs. W. J. Ambrose, for April, $5; Benjamin Mirey, for April, $1.

Th following contributions towards the fund in aid of No. 1 General Hospital, under the command of Lieut.-Col. MacLaren, have been gratefully received by the secretary of the St. John Ambulance Association: William Brodie, $25; R. B. Emerson, $25; Mrs. A. W. Macrae, $3.

At the board of health offices last week, nineteen deaths were registered. The causes were: Carcinoma of stomach, acute Bright's diseases, tubercular meningitis, heart disease, myrocarditis, bronchitis, epilepsy, on each; cirrhosis of liver, two, and pneumonia, pulmonary tuberculosis and senility, three each.

Major Frink has received contributions for the Belgian relief fund as follows; Proceeds pie social, Carsonville, Kings county, per P. H. Leiper, $20; proceeds sale of beads by Mrs. Allan Bustin, Lake Latimer, $2.50; concert, Canrobie, Gloucester county, per Rev. F. A. Wightman, Bathurst, N. B., $14.40; Lower Cape Baptist church, per Ina E. Hawes, secretary, $15.

Business men of the city who foresaw business difficulties in event of the failure of the C. P. R. to provide a steamer for service to Digby leaving here early in the morning, will probably find that the bay service will not only be better in general, this year, but that a faster steamer, the St. George, will make the early morning trip. C. P. R. officials said yesterday that no definite arrangements had yet been made in regard to the Digby route, but that in any case there would be a morning boat.

The principal of the Rothesay School for Bays, reported to the board of education upon another most successful term. The school has made a liberal contribution even from its undergraduates to support the empire in its present emergency. And in spite of all losses through the war there are more boys in residence this term than at any time in its previous history. There are sixty-three residents and six day scholars. This is really wonderful! There is probably not another school in the dominion that can show such a record today.

A greatly improved service between St. John and Digby, in summer, is being planned by the C. P. R., and a marked increase in business and in tourist travel is expected to result. An afternoon trip by the steamer Yarmouth is being considered; leaving St. John at 4 o'clock and arriving at Digby at 7. The return trip would include departure from Digby at 7 a.m. and arrival here at 10 a.m. The fast steamer St. George will make the usual train connections. The new service, if carried out, is expected to be popular with Digby business men who will then be able to do business in St. John without having to remain in the city overnight.

VICTIM OF REVERSING FALLS STILL UNKNOWN

Monday, April 19.

It is not yet known who was the victim of the tragedy at the Reversing Falls on Thursday afternoon. Inquiries were made at points along the river yesterday as far as South Bay, but it could not be learned that anyone was missing. It was rumored yesterday, however, that a green boat was missing from Prospect Point but nothing is known of its occupant.

Mrs. Samuel Ainsley and Mrs. Fred Morton, and the daughters of Thomas Latham, all of Prospect Point, were witnesses to the terrible tragedy from different points and all tell corroborative stories, even to minute details of the dress and appearance of the man. They declare there is absolutely no doubt that a man was swept to his death in the falls. They saw him fall out when the boat was upset, and struggle in the water and then vanish.

Within the next few days, it is expected, news will reach the city of some person being missed from some point on the river.

"For the Blood is the Life."

WHEN YOU ARE ILL

With any disease due to impure blood such as Eczema, Scrofula, Scurvy, Bad Legs, Abscesses, Ulcers, Glandular Swellings, Boils, Pimples, Sores of any kind, Piles, Blood Poison, Rheumatism, Gout, etc., don't waste your time and money on lotions and ointments which cannot get below the surface of the skin. What you want is a medicine that will thoroughly free the blood of the poisonous matter which alone is the true cause of all your suffering. Clarke's Blood Mixture is just such a medicine. It is composed of ingredients which quickly expel from the blood all impurities, from whatever cause arising, and by rendering it clean and pure, can be relied on to effect a lasting cure.

(Thousands of testimonials, for selection see pamphlet round bottle.)

Over 50 years' success. Pleasant to take.

Your Manly Strength "Nature" Book Free

My Free Offer to My Men and Young Men Readers.

My free offer is as follows: There are in existence today numerous creditable books relating to the much discussed sex science, and they range in price from $2 to $5, while my offer as given below is a free one.

I publish a little private compendium of 73 pages, pocket size, containing 8,000 words and 20 half-tone photo reproductions, which thoroughly covers the subject of sex, but only in its relation to manhood or vital manly strength, its legitimate uses its wanton abuses, its loss and the causes thereof, its possible self-restoration and its permanent preservation. These are the vital phases of the sex subject which I find to be of most interest to all men, young or elderly, single or married, and I have therefore put into this little self help book the very best that I can offer relating to that particular personal and private advice and information, which my 30 years' practical experience in this field has taught me men most seek, and through which they can get the most real benefit in respect to their own vigor and vital health. This, reader, is the book, and my offer to send it by mail, absolutely free of charge, in a perfectly plain, sealed envelope, to any man or young man anywhere who writes for it (see coupon below), and there is not a particle of obligation of any kind whatsoever involved in making this gift offer to you. Over a million of these books have been thus sent to men all over the world who wrote for them.

The reason why I can offer this illustrated sex book free is that in one part I include a description of a little mechanical vitalizer of my own invention, which is for use by those of my readers who need some outside aid in the restoration of their manly vigor. However, that is a matter for each person to decide for himself. The book is complete and entirely independent of anything it says with respect to the vitalizer. Therefore please use free coupon and get the book by return mail. You will find it a valuable adviser in many respects.

SANDEN, Author.

Vital manhood and an abundant manly vigor is the greatest human asset of our day. Every man is entitled to be perfectly strong, vigorous and capable, just as nature intended he should, and if through the medium of my book I can show you how you yourself may become as vital, manly and forceful as the best man of your acquaintance, then I have merely given you a clear understanding of what nature is herself constantly endeavoring to tell and show you.

As to my vitalizer, it may or may not be necessary in your own case, but if you want to use it after reading the description, I will gladly make some liberal proposition so you may get one to try. This vitalizer, weighing only several ounces, is worn all night. It generates a soft, easy flowing FORCE which I call vitality. This FORCE enters your system at the small of the back, flowing thence through the kidneys, liver, stomach, bladder and organs, and diffusing itself to every part of the body. Over 200,000 Sanden vitalizers are now in use or have recently been used. It keeps up its gentle action while you sleep. Men everywhere have said it makes them feel better and stronger almost at once, that it often takes pain out of the back in a few hours, and 60 to 90 days' time is sufficient to restore normal vigor. With special attachments my vitalizer is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, etc.

If you live in or near this city, would be pleased to have you call. Hours, 9 to 6.

However, whether or not you ever use the vitalizer, at least you want the free book, so kindly fill in the coupon and the book will go to you, sealed, by return mail.
