The first case brought by the Boston police commissioners to test the "no public bar law" was heard in the civil side of the municipal court to-day. It was that of C. W. H. Sanborn, who keeps a restaurant on North Market street, and who is licensed to sell liquors, and does sell them over the counter and at tables to his customers, whether food is ordered or not; the case is brought by agreement between the commissioners and Sanborn for the express purpose of obtaining a clearer definition of the law, Sanborn having made no change in his methods of conducting business since the issuance of the famous order. Judge Hardy adjudged Sanborn guilty, and imposed a fine of $100 and costs. Sanborn appealed to the superior court, and the case will be tried at the June term.—*Telegraph.*

HIGGINS'

DYSPEPSIA BITTERS

—AND—

BLOOD PURIFIER.

ACKNOWLEDGED by all those who have given it a trial to surpass all other Bitters and Blood Purifiers before the public. There is no poison or drugs in it. It is manufactured with the greatest care from the best barks, roots, and herbs known to medical science, possessing properties to cleanse the stomach and purify the blood, as nearly all diseases arise from impure blood. It has cured the worst cases of Erysipelas, Dyspepsia, Liver Complaint, Kidney Trouble, Heart Disease, Rheumatics, Biliousness, Nervous Debility, Sore Legs, and all the diseases arising from impure blood. The demand for it is so great that I cannot supply it, although I have never advertised it, as the public do that after proving the wonderful cures it has made. We only ask the public to give it a fair trial. It is also the cheapest medicine, as two or three 75c. bottles generally effect a cure, while we have known people to take from ten to forty one dollar bottles of other medicines which are advertised very highly, and not cured; yet from two to three teaspoonfuls are taken for a dose, while many others allow from two to three tablespoonfuls. So there are far more doses in a 75c. bottle of these Bitters than there are in a $1.25 bottle of others.

HEATHERS.—At Middleboro, May 19, G. A., eldest son of Frank and Phebe Heathers, aged 22 years. He was baptized into the fellowship of the Wallace River church by Rev. I. Wallace some three years ago. His end was peace. Bro. Heathers' second son, who was studying at Acadia, is now home sick. Let prayers be offered for the sick son and afflicted parents.

BAKER.—At Fremont, Kings Co., N. S., May 18, of consumption, Amanda, beloved wife of W. O. Baker, aged 31 years. During the last few weeks of her sickness, she enjoyed much of her Saviour's presence and was lifted above her bodily suffering. She has entered into the joy of her Lord. A kind husband and four children mourn the loss of a beloved wife and mother.

JOHNSON.—At Little River, Cumberland Co., N. S., April 28, Dea. Levi Johnson, aged 73 years. He became associated with the Baptist cause over 40 years ago, through the ministry of the late William Hobbs, by whom he was baptized. In his death the Little River church has lost one of its strongest members and the community one of its best citizens. He was successful in life and accumulated considerable means, five hundred dollars of which he left to the church. To him death had no terror, and during his tedious illness he would speak of his desire to be at rest above. He leaves a sorrowing wife in shattered health, and one son, to mourn their loss.
