Charitable Concert in Puslinch.

A concert in aid of a charitable object was held in the school in section No. 12, Puslinch, on Friday night last. The family for whom it was got up being well known and their condition greatly commisserated, and the parties who took it in hand being determined to realize as much as possible out of it, left no effort untried to render it a success. And a great success it was in every respect. The school room was crowded, but every one was in good humor, and did his best to accomodate his neighbour. The singer who kindly gave their services on the occasion were Miss Gerrie, Miss McTague and Messrs. T. H. Taylor, Breadon and Martin. Miss Gerrie sang "Bonnie Doon," "O a' the Airts" "Jock o' Hazeldean" "Within a mile o' Edinboro Toon," "Tam Glen," "Bonnie Dundee," "Auld Lang Syne" &c., all of which she rendered with great taste and feeling. She was warmly applauded and several of the pieces encored. Miss McTague though new to fame was well received and acquitted herself creditably. She gave "Norah O'Neil," "Mary Aleen," "Norah's reply," and I cannot sing that song to-night," all of which were well sung. Mr. Taylor and Mr. Breadon sang with all their old fervour and spirit. The duetts "Larboard Watch" and "A Thousand a year," elicted great applause as did Mr. Taylor's "Trust to Luck," "Barney Mavourneen" and "The Man that couldn't get warm," which last elicited roars of laughter. Mr. Martin enlightened the audience on the value of "Bacon and Greens" and was loudly cheered. He also assisted Mr. Topham of Hespeler in playing the accompaniments on the melodeon. The audience were highly pleased with the efforts of the singers, and all were gratified at the success of the concert, which after all expenses paid realized $95—certainly a very handsome sum. The committee desire through our columns to thank the ladies and gentleman who so kindly aided them on the occasion, and we may add that a hearty vote of thanks is also due to the committee for their efforts in getting up and making arrangements for the concert.

RESIGNED.—The Rev. A. D. McDonald, Pastor of the Presbyterian Church, Clinton, recently demitted his charge with the view, says the *Beacon*, of becoming a Grammar School Teacher. The congregation last week presented a unanimous call to the Rev. W. Inglis, of the Toronto *Globe*. The salary offered is $1,000.

IRON IN THE BLOOD.

The necessity of a due proportion of iron in the blood is well known to all medical men; when it becomes reduced from any cause whatever, the whole system suffers, the weakest point being first attacked, and a feeling of languor, lassitude and "all goneness" pervades the system. Stimulants only afford temporary relief, and have the same effect as giving a tired horse the whip instead of oats. The true remedy is to supply the blood with the necessary quantity of iron. This can be done by using the

PERUVIAN SYRUP,

a protected solution of the protoxide of Iron, which is so prepared that it assimilates at once with the blood, giving strength, vigor and new life to the whole system.

To take medicine to cure diseases occasioned by a deficiency of Iron in the blood, without restoring to the system, is like trying to repair a building when the foundation is gone.

An eminent divine says: 'I have been using the Peruvian Syrup for some time past—it gives me new vigour, buoyancy of spirits, elasticity of muscle."

Pamphlets containing certificates of cures, and recommendations from some of the most eminent physicians, clergymen and others, will be sent free to any address.

The genuine has PERUVIAN SYRUP blown in the glass. Sold by all druggists.

METROPOLITAN ORGANS!

HAS JUST BEEN RECEIVED.

THEY are acknowledged the best Instruments of their class in the world. More than three hundred prominent American Artists, and a great many European Musicians have given written testimony to their great superiority. They have been awarded SEVENTY-FIVE GOLD OR SILVER MEDALS at the principal Industrial Fairs in the United States. But their crowning glory was in winning the **First Prize Medal at the Paris Exposition of 1867.** These organs are provided with all the Latest Improvements, including the

Mason & Hamlin Improved Vox Humana, or Fan Tremolo

which produces a variety of very brilliant orchestral effect, including a remarkable imitation of stringed instruments; also the nearest approach to the peculiarly sympathetic, rich and attractive quality of a cultivated human voice yet attained in any instrument. The facilities and resources of the Mason & Hamlin Company are now so great that they can afford and undertake to furnish not only the best, but also the **Lowest Priced Organs made.** Every Instrument is fully warranted for five years, and furnished at prices ranging from $50 to $1000 and upwards.
