SWAIM'S
CELEBRATED PANACEA,
FOR THE CURE OF
INCIPIENT CONSUMPTION,
Scrofula, General Debility, White Swelling, Rheumatism, Diseases of the Liver and Skin, and all Diseases arising from Impurities of the Blood, and the Effects of Mercury.

SWAIM'S PANACEA has been for more than thirty years celebrated in this country and in Europe for its extraordinary cures—for the certificates of which reference is made to the directions and books [which may be had gratis] accompanying the Panacea. Some of which give the particulars of cases too frightful for general publication, where the patients had been almost reduced to with Scrofula, and were deemed incurable by Physicians. It has been used in hospitals and private practice, and has had the singular fortune of being recommended by the most celebrated Physicians and Surgeons in the country. Among others by—

W. Gibson, M.D., Prof. of Surgery, Pa. University;
Valentine Mott, M.D., Prof. of Surg., N. Y. University;
W. P. Dewees, M.D., Prof. of Mid., Pa. University;
N. Chapman, M.D., Prof. of Physic, Pa. University;
T. Parke, M.D., Prest. College of Physicians, Phila.;
Dr. Del Valle, Professor of Medicine, Havana;
Jose Fourcade de Leiz, Prof. of Surgery, Lisbon;
J. Chipman, Member Royal College Surgeons, London;
G. W. Irving, late Minister to Spain;
Sir Thomas Pearson, Major-General British Army;
Gilbert Robertson, British Consul, &c., &c.

And also, the wonderful cures effected by Swaim's Panacea have for many years made it an invaluable remedy. The Panacea does not contain mercury in any form, and being an innocent preparation, it may be given to the most tender infants.

The retail price has been reduced to $1.50 per bottle, [containing three half pints,] or three bottles for $4.

BEWARE OF IMPOSITION.

Swaim's Panacea is in round bottles, fluted longitudinally, with the following letters blown on the glass—"SWAIM'S—PANACEA—PHILADA.," and having the name of JAMES SWAIM stamped on the sealing wax, and written on the label covering the cork, and a splendid engraving for the side of the bottle, composed of geometric lathe work, comprising nine different circles, which have been turned for the exclusive use of the Proprietor, by Draper & Co., bank note engravers, of Philadelphia. In the centre is a portrait of the late Wm. Swaim, copyright secured.

ALSO, SWAIM'S VERMIFUGE.

A valuable Family Medicine, being a highly approved remedy for all diseases arising from debility of the digestive organs, such as Worms, Cholera Morbus, Dysentery, Fever and Ague, Bleeding Piles, Sick Headache, &c., &c. See the Pamphlet [which may be had gratis] accompanying the Vermifuge.

Prepared only at SWAIM'S LABORATORY, *the Old Stand*, Seventh Street, below Chesnut, Philadelphia, and sold by all the respectable Druggists in the United States.

CAUTION TO THE PUBLIC.

Persons wishing to obtain the genuine SWAIM'S PANACEA and SWAIM'S VERMIFUGE, should be careful to observe that the name

SWAIM

is spelled correctly on the bottles and labels, or they may be imposed on by medicines made in imitation of them by a person bearing a somewhat similar name, well calculated to deceive.

THRASHING MACHINES.

LETTERS PATENT.

TIME AND LABOR SAVED IS MONEY EARNED.

THE subscribers having secured to themselves the exclusive right of manufacturing and vending to others to use within the territory of Upper and Lower Canada,

SEVERANCE'S CELEBRATED IMPROVED HORSE POWER & THRASHING MACHINE,

one of the most valuable time and labor saving Machines ever devised by human ingenuity, respectfully inform the public, that they have just completed a new and extensive Factory on Wellington Street, extending from Prince to George Street, which gives them more than double the accommodations they had in the old shops, which will hereafter, they trust, enable them to supply the whole farming community of the United Provinces with a machine that will thrash and clean more grain in a day, with less expense and with greater cleanliness, than any other known invention—only requiring two horses.

We beg leave to say to our customers and friends, that we are again prepared to furnish those in want of Thrashing Machines with an article superior even to those heretofore manufactured by us.

Our long experience in making, and the very liberal patronage we have enjoyed in the sale of our Machines, has, together with a constant determination to produce an article that will never fail to excel all others, caused us to watch carefully all the improvements that could be made from time to time, until now we feel confident in saying, that for durability, neatness of work, and amount of it they can do, our Thrashing Machines are the qualified by any in use. And while the grain is thrashed clean, and none of it broken or wasted, it is, at the same time, perfectly cleaned, fit for the Mill or any Market.

All orders addressed to us, or our Agent, WM. JOHNSON, will be promptly attended to.

Machines shipped to any port in Canada, and every one warranted to be as good as recommended.

Liberal terms of payment allowed.

B. P. PAIGE & CO.

Whereas, Letters Patent were obtained, bearing date March 5, 1849, on said Machine, the public are cautioned against purchasing, using, or manufacturing any imitation article, as all infringements will be dealt with according to the law of the land.

All genuine Machines will be accompanied by a Deed signed by B. P. PAIGE, the owner of the right, giving the purchaser the right to use or transfer the same. Without such a Deed, no person will be safe in purchasing or using said Machines.

TO THE ELECTORS OF THE CITY OF MONTREAL.

GENTLEMEN,—Having been appointed CHIEF COMMISSIONER OF PUBLIC WORKS, with a Seat in the Provincial Cabinet, it becomes necessary, in accordance with Constitutional usage, that I should be returned to Parliament—and I venture to appeal to you, amongst whom I have resided for the last twenty-four years, for your confidence and support as a CANDIDATE for the REPRESENTATION of the Commercial Metropolis of Canada at the approaching GENERAL ELECTION.

In accepting office, I can sincerely state, that I have been influenced solely by considerations of a public nature. I enter public life at a considerable sacrifice of my private interests; but I felt so deeply the importance of completing the great chain of our internal communications, both by Railways and Canals, that I was content to waive every personal consideration, in the hope that, by accepting the office assigned to me, I might be enabled more effectually to promote that great work, on which the prosperity of this City and of Canada so much depends.

On questions of general policy I may observe, that I have ever been a warm friend of Progressive Reform and of entire Religious Equality. I enter office with gentlemen whose characters, as public men, afford a sufficient guarantee that they will cordially co-operate in carrying out a truly enlarged and liberal policy—such as, I believe, will secure the approbation and support of the country.

I have the honor to be,
Gentlemen,
Your obedient Servant,
JOHN YOUNG.

DR. HALSEY'S FOREST WINE.

THE discovery of the FOREST WINE is the greatest blessing of the age. Put up in Quart Bottles, a single bottle of which does more good, and goes farther in the cure of Disease, than ten bottles of any Sarsaparilla in use, and warranted to cure without any unpleasant or weakening effect.

The method by which all Sarsaparillas, and other similar medicines are prepared, is by boiling the Roots or Plants to obtain the extracts. Their medicinal virtues are thus principally evaporated and destroyed.

It is not to be wondered at then, that ten and even twenty bottles of these Sarsaparillas are sometimes taken without any perceptible benefit. Not so with the Forest Wine! By the invention of a wonderful chemical apparatus, a perfect wine is produced without heating; retaining, at the same time, all the primitive healing properties of the rare medicinal plants of which it is composed, thus rendering the Forest Wine the most efficient medicine the world ever produced, at the same time the most agreeable.

NERVOUS DISORDERS

Are diseases of the mind as well as of the body, are usually brought on by troubles and adversities, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorders. The Forest Wine and Pills are an energetic remedy in these complaints.

Extract of a letter from Mr. Joseph C. Pankhurst, dated PHILADELPHIA, Sept. 7, 1849.

DEAR SIR,—Your Forest Wine and Pills have cured my wife of a dreadful Nervous disorder, with which she had been afflicted for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awaking quite exhausted and covered with perspiration, and at times laboring under the delusion that something dreadful was about to happen to her. By the use of four bottles of the Wine, and a box of the Pills, she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

Dr. G. W. Halsey. J. C. PATTERSON.

GENERAL DEBILITY, EMACIATION, WASTING OF THE BODY, &c.

Many persons are afflicted with some one or the above complaints, without being able to trace it to any particular cause, and therefore delay the use of the proper remedy until the disease becomes constitutional. These disorders are often characterized by a sense of sinking of entire exhaustion after exercise. Some experience sleeplessness, languor, and, at times, paleness or flushing of the countenance, or palpitation of the heart, or like symptoms.

The excellent effects which have ever attended the use of the Forest Wine, and Halsey's Pills, in such debility, is conclusive evidence of its happy results in this class of disorders. Many have resorted to these medicines as an *ultimatum*, and been speedily cured. For Nervous Disorders and Debility, the Wine and Pills are taken according to the directions on the label.

AGUE AND FEVER, OR CHILLS,

Are caused by the miasmatic effluvia arising from marshes, decayed vegetables, and low damp situations. In Fever and Ague, the Forest Wine and Pills are a sovereign remedy. When they have been taken agreeably to the directions, we have never known them to fail in effecting a complete cure. In the first place, take a large dose of the Forest Pills in time, that their operations may subside before the return chill. The stomach being now well cleansed, take three or four large doses of the Wine, at intervals of half an hour, commencing about an hour before the period for the chill to return. This breaks the ague, after which the Wine should be continued in small doses to restore strength. See directions round the bottle.

DR. HALSEY'S GUM-COATED FOREST PILLS

Are an important adjunct to the Forest Wine. They are coated with pure gum arabic, an invention for which Dr. Halsey has received the only patent ever granted on Pills by the Government of the United States.

The Forest Wine and Gum-coated Forest Pills unite in accomplishing the same great end, the Purification of the Blood, and restoration of the Stomach and Bowels.

The Forest Wine and Pills are recommended as an efficient and certain cure in the following complaints:—Dyspepsia, Habitual Costiveness, Dropsy, Complaints of the Kidneys, Incipient Consumption, Decline of general health, and Female Weakness, for which it is a Sovereign Remedy; Languidness, Night Sweats, Nervous Disorders, Loss of Appetite, Low Spirits, and want of Nervous Energy; Ague and Fever, which it never fails to cure; Scrofula, Erysipelas, Jaundice, Unhealthy Color of the Skin, Weakly and Impaired State of the Constitution.

TO THE LADIES.

Nothing in the world is more absurd than the custom of using paints, chalks, &c., to improve the countenance. True beauty and loveliness accompany the highest perfection of health, which again invariably follows the PURE STATE OF THE BLOOD. What artificial appendages equal that vivid expression of countenance which emanates from blooming health? What paints compare with the crimson-colored blood coursing its brilliant rosevate hue through the transparent texture of the skin? What charms are more captivating than those of nature, in her highest perfection of health? Let Dr. Halsey's Forest Wine supply the place of all cosmetics. The use of this excellent Wine for a short time creates pure rich blood, which, coursing through the veins, penetrates the minutest fibres that verge toward the surface of the skin, causing all unhealthy pimples and blotches to disappear, imparting a vivid, rosy color to the skin, and brilliant expression to the eyes. *THIS IS NATURAL BEAUTY.*

In corroboration of these acts, Dr. Halsey has many testimonials from ladies of the most respectable standing in society.

The Forest Wine in large square bottles, $1 per bottle, or six bottles for $5. Gum-coated Forest Pills, 38 cents per box. For sale by the appointed Agents in Montreal, W. Lyman & Co., and all respectable Druggists.

HEALTH WHERE 'TIS SOUGHT!

HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND STOMACH, WHEN IN A MOST HOPELESS STATE.

Extract of a Letter from Mr. Matthew Harvey, of Chapel Hall, Airdrie, Scotland, dated the 10th of January, 1850.

To Professor HOLLOWAY:

SIR,—Your valuable Pills have been the means, with God's blessing, of restoring me to a state of perfect health, and at a time when I thought I was on the brink of the grave. I had consulted several eminent Doctors, who, after doing what they could for me, stated that they considered my case as hopeless, I ought to say that I had been suffering from a Liver and Stomach complaint, of long standing, which during the last two years got so much worse, that every one considered my condition as hopeless. I as a last resource, got a box of your Pills, which soon gave relief, and by persevering in their use for some weeks, together with rubbing night and morning your Ointment over my chest and stomach, and right side, I have by their means alone got completely cured, and to the astonishment of myself and everybody who knows me.

(Signed.) MATTHEW HARVEY.

CURE OF A CASE OF WEAKNESS AND DEBILITY, OF FOUR YEARS' STANDING.

Extract of a Letter from Mr. William Smith, of No. 5, Little Thomas Street, Gibson Street, Lambeth, dated December 12th, 1849.

To Professor HOLLOWAY:

SIR,—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme Weakness and Debility, with constant nervous headaches, giddiness, and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could be of no use, as I had been to many medical men, some of whom, after doing all that was in their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day, being unusually ill, and in a depressed state, I saw your Pills advertised, and resolved to give them a trial, more perhaps from curiosity than with a hope of being cured; however, I found myself better by taking them, and so I went on persevering in their use for six months, when I am happy to say they effected a perfect cure. (Signed.)

WILLIAM SMITH.

(Frequently called EDWARD.)

CURE OF ASTHMA, OF TWENTY YEARS' STANDING.

Extract of a Letter from Mr. J. K Heyden, 78, King Street, Sydney, dated 10th of November, 1849.

To Professor HOLLOWAY:

SIR,—I have the pleasure to inform you that many extraordinary cures of Asthma have been effected here by means of your Pills. One is that of a lady residing near the "Regatta," who after having for twenty years been unable to make the slightest exertion, suffering very fearfully from shortness of breath, coughing and spitting; but is now to use her own expression, able to run up to the top of that mountain. Another case is that of Mr. Caton, Trades Hutch
