CHICAGO CUBS NOW LEAD DETROIT TIGERS IN WORLD'S SERIES--TWO GAMES TO NONE

SPORTING COMMENT.

The Union situation still hangs in the balance. Too bad if the matter is not settled up before the kick-off to-morrow. Dr. Hendry, secretary of the Interprovincial, will impress the average questioner that his union desires to play football according to the amateur idea. The C.A.A.U. has done good work all along on correct lines, and regardless of what may be said in the east the governing body can afford to accept Russell's affidavit, reinstate Montreal and the Argonauts and let the Rugby men henceforth run themselves. They seem honest and capable.

Who are bringing out the athletes to-day? True, the Y.M.C.A. is doing its share, but where the youth first starts training is in the schools, and there he delights in training for the annual school games. It is here the rivalry exists and where first the boy obtains the rudiments of athletic work.

The interscholastic meet always uncovers some promising athlete. Such was the case last year, when Halbhaus of Harbord smashed half a dozen records, some of which will stand for a good many years.

Halbhaus is attending Varsity this year and will be seen in action next Friday at the annual games, where he is bound, if in condition, to take quite a few firsts. He will be a valuable addition to the blue and white in the intercollegiate games.

FINE CARD.

Attention is drawn to the splendid card up for the Toronto Hunt races to-morrow at the club grounds, Kingston-road. It is a thoroly sporting program and the affair is not only for the enjoyment of members, but the public, who will have ample opportunity to indulge in all the luxuries incidental to a regular race meeting. No less than 11 events are down for decision, including three steeplechases, the feature being the McCarthy Plate for qualified hunters, with such well-known performers as Heather Belle, John O'Grady, Butter Ladie, Buffer, Major and Dramatist in the list.

John Dyment's good horse, Tongorder, was fortunately scratched yesterday at Belmont, where he was entered to go in a seven-furlongs selling race. Tho not looking to have a chance, the Order horse would have had his usual loyal support from Toronto players, as he did on Wednesday, when his odds were 15 to 1, and he was beaten 10 lengths by the winner, Brookdale Nymph, and finished second last in a field of seven. Tongorder always divides the local bettors. Some will back him in any kind of fields, under any conditions, while others regard him in his present form as somewhat of a joke.

Looks like the Cubs at this distance, unless the Tigers come back to form. They are doubtless off color, especially behind the bat. Archer, the Toronto boy, may be put in to catch to-day, the first home game, that should be a victory, if Jennings is going to redeem his promises.

The Windy City fans are having fun at the expense of Ty Cobb. For instance, yesterday someone asked: Why not let Cobb bat with the three sticks he swings while approaching the plate? This concession should be made for the sake of his reputation, if for no other.

RICH CATCH.

That catch of Herman Schaefer's, in the twelfth inning of the opening struggle, was probably the most precious play ever made in a game of baseball. It brought more actual money to the men fighting on the field than any other play on record. For, on Monday night, at a meeting of the national commission, it was decided that in case a tie game should be played the receipts should be divided with the players as something extra, and not as one of the first four games in which the players take the larger portion of the gate money. Schaefer's catch prevented Chicago from winning and made it a tie game. That means that the players will have about $18,000 more money to divide among themselves.

It is a peculiar coincidence, this catch of Schaefer's, for it was the Dutchman himself who demanded a ruling on that very point at the commission meeting. Just why he should have asked about it, no one knows. Ten per cent. of the first four games goes to the national commission. Sixty per cent. of the remaining 90 goes to the players as their part of the games. What Schaefer wanted to know was that, in case there would be a tie, would that tie constitute one of the four games.

The commission ruled that it would not. Little thought was given the matter, as no one expected a tie.

Schaefer's wonderful play made it possible.

It means just about $500 more to each individual player.

At the ringside of the Jack Twin Sullivan-Bill Squires fight an enthusiast jumped up and yelled: "I bet 50 head of cattle against $3000 that Sullivan wins." "Bring in your cattle," yelled another.

Tommie Burns and Gunner Moir have been matched to fight 20 rounds for the championship of the world, at the National Sporting Club, in November. Burns says that unless he is shown where he can make $20,000 by fighting a man in America, he will depart immediately for London to box Moir. Burns states that he is to receive $5000 for his share in addition to a $2500 side bet, $1000 expenses and a guarantee of ten weeks' theatrical engagement at $1000 per week in case he wins. Burns intends to take George Memsie to England with him.

Tigers Beaten Five to One

Siever Lasts Four Innings and is Replaced by Killian—Nationals Indulge in Fast Double Plays.

CHICAGO, Ill., Oct. 10.—The Detroit American League team suffered its second successive defeat at the hands of the Chicago Nationals to-day, scoring only one run. Chicago tallied five times, four of the runs being the result of solid hitting. Siever started to pitch for Detroit, but the locals took kindly to his curves and batted him out of the box in four innings. Killian then took up the work, and was found for three hits and another run in the fifth.

Detroit tried vainly to break thru the Chicago defence. Reulbach pitched strongly in the opening innings, and when he showed signs of weakening in the fifth and sixth innings, his teammates came to his rescue with fast double plays.

For some unexplained reason the game failed to attract the usual large crowd to the grounds. The official figures made the total 13,114, and the many empty spaces in the extended bleachers made the gathering appear smaller than it was. The crowd was more demonstrative than the big outpouring of Wednesday. Reulbach's fine pitching in the early innings and the hard hits by Steinfeldt, Evers and Sheckard roused the Chicago partisans, but thereupon the Detroit contingent cheered the louder, so that the visiting team might not think itself deserted.

Fast Game.

The game went much faster than the ones on the preceding days. Only thirteen batsmen faced Reulbach in the first four innings, while the Chicago hitters lost no time in finding Siever.

The first run came in the second inning, when Steinfeldt lined the ball over third-base, reaching second on the hit. Kling sacrificed, and Evers knocked a double over first-base. Steinfeldt scored, but Evers was left when Schulte and Tinker were retired on infield grounders.

The Nationals batted Siever savagely in the fourth. Steinfeldt drove a long fly to left field, and Jones got the ball near the boundary. Kling followed with a single to right. Evers sent him to third with another drive to the same part of the field, and Schulte dropped a fly safely in centre, scoring Kling. Evers tried to make third on the hit, but was caught and run down by a swarm of Detroit players. Schulte went to second, Tinker batted a high fly to Jones, but the left-fielder dropped the ball, which let Schulte score and Tinker get to third. Reulbach drove a low ball over second-base, sending Tinker home. Coughlin then caught Slagle's high fly.

Killian Relieves Siever.

Manager Jennings decided that Siever had failed to make good, so Killian appeared in the next innings. He was given a warm reception two doubles and a single being got off his delivery. Only one run resulted, however, for the hits alternated with outs. Chance got the first double and scored the run.

The next three innings the locals went out almost in order.

Detroit lost its first chance to score in the fifth because Tinker intercepted a liner and turned the catch into a double play. Rossman was safe when his hard grounder bounced off Tinker's ankle. Coughlin was passed and Schmidt's grounder down the first-base line advanced both runners. O'Leary batted a hard liner at Tinker, but the latter jumped for the ball and touched second ahead of Coughlin, retiring the side. The run came in the next innings. Killian made the first clean hit off Reulbach. Jones received a base on balls, but went out with Schaefer in a swift play, Steinfeldt to Evers to Chance. Crawford and Cobb followed with hits, and Killian scored on that of the former, but Slagle ran back to the stands and caught Rossman's effort.

Another chance to score was lost in the next innings. With one out Schmidt was passed, O'Leary struck out and Killian hit towards Evers. Jones was not equal to the emergency, and went out. Rossman started the ninth with a hit, but was forced at second by Coughlin, who was obliged to remain on first, while Schmidt and O'Leary lifted easily-caught flies.

The teams left for Detroit to-night, accompanied by a small army of enthusiasts. Games will be played in the Michigan city to-morrow and Saturday, the Sunday contest being scheduled for Chicago. The receipts to-day were $16,212.50.

New England Women Are Left Alone in Championship.

CHICAGO, Oct. 10.—Feminine golf honors for 1907 will go to New England, as the result of the third round of the match to-day in the women's national championship tournament at the Midlothian Club. The defeat of Miss Sallie Ainslie of Westward Ho, the only western golfer to reach the third round, and of Mrs. R. H. Barlow of the Merion Cricket Club, the last of the Pennsylvania representatives, leaves only young women from Massachusetts to compete in to-morrow's semi-finals. Miss Ainslie was beaten only after a stubborn match that required three extra holes. On the twenty-first green Miss Phipps ran down a long putt for a five, Miss Ainslie taking six. The cards:

Miss Phipps .....out 49, in 54—103
Miss Ainslie .....out 49, in 50— 99

Extra three holes:
Miss Phipps, 14; Miss Ainslie, 15.

A short approach on the eighteenth green was the crucial stroke in the match between Miss M. B. Adams of Wollasson and Miss M. W. Phelps of Braeburn. The latter dropped her ball dead to within three yards of the flag, and went down with the regulation two points, winning 1 up.

The cards:
Miss Phelps .....out 49, in 52—101
Miss Adams .....out 49, in 52—101

Miss Margaret Curtis, in her match with Miss Porter, was hampered by the strong wind, but won, 3 up, 1 to play.

Saturday's Marathon Course.

The course starts at Exhibition Park, twice around the ring, making a mile, then out the lower gate on Dufferin-street. Flags will be placed along the road from the ring to Dufferin-street gate, showing the course to take.

Then up Dufferin-street to King, out King to the Lake Shore, then to Brown's line, about half a mile beyond Long Branch, turn the barrel and return to Sunnyside, taking Queen-street to Dufferin, then down Dufferin to the same gate and the same road to the right in the ring and finishing once around in front of the grand stand. The prizes are six gold, 34 silver and 20 bronze medals to the first 60 to finish.

The trustees have decided to accept Controller Ward's offer to charge 10c admission to the grand stand, and give the surplus to assist the Canadian athletes to go to the Olympian games in England next year. The people should assist the management by having ready change, as it is only 10c, and give the ticket sellers as little trouble as possible. A program of the sports of the day has been printed and is the only official program of the different races.

All runners who have entered should have C.A.A.U. certificates, which cost only 25c; they can be secured from N. H. Crow, secretary, at the Central Y.M.C.A., or can have the matter arranged by Messrs. Irwin and Ward, secretaries, 1282 Queen-street West.

Mayor Coatsworth will start the big race at 3.15 p.m.

TRAMPFAST'S FUTURITY TWO-YEAR-OLD DIVISION

Sets New Race Record for Two-Year-Old Trotters, 2.12 1-4 Owned by Tom Murphy.

LEXINGTON, Oct. 10.—Trampfast, a 2-year-old roan colt by The Tramp, is the new champion 2-year-old trotter. He won the two-year-old Kentucky Futurity here to-day, the first heat in 2.12¼, the fastest mile ever trotted in a race by a 2-year-old, but it required a greater struggle to win. An eyelash in the first heat and a short head in the second heat gained the victory.

Dorothy Axworthy, so lame she could hardly hobble, forced Trampfast to break the world's record to beat her. Thistledown forced the winner to a nose finishe in the second heat.

The Leading Lady, favorite, broke badly in both heats. The previous record for the 2-year-old futurity was 2.14, made by Katherine A., in 1902.

Dorothy Axworthy led from the start until within a yard of the wine in the first heat, but at all times Trampfast, The Laird and Henry Setzer hung at her sulky wheel, and it was any horse's race until Trampfast was announced as winner.

In the second heat Dorothy Axworthy was saved, as it was not believed that Trampfast would repeat. Thistledown was the contender, but the colt, skilfully driven by Tommy Murphy, outstayed the son of Jay McGregor, and won in a nerve-racking finish by a nose.

To-morrow the Transylvania purse will be raced for by Sonoma Girl, Highbal, Wilkesheart, Margaret O., Jack Leyburn and others.

Varsity Annual Games.

The annual games of the University of Toronto will be held on Friday, Oct. 18, and from present indications they ought to be of unusual interest. Many fast men are training for the events and records are very likely to be broken. Halbhaus, who displayed such promising form in the spring championship games, is expected to set a new mark for the 1-4 and 1-2 miles.

In addition to the usual list of events open to undergraduates, a long-distance race, open to all amateurs, will be included in the program. Already a large number of well-known long-distance runners have signified their intention of entering.

Record for Marathons.

The entries for the Ward Marathon road race closed yesterday with 113 competitors for the great Canadian race. The big Boston are all passed by the Ward Marathon, which has made a record as the largest road race ever held in any country in the world's history. One hundred and thirteen young Canadians will race over 20 miles of track and road for the honor, the prize and an ambition to go to the great Olympian games in England next July, as it is most likely the choice of Canadians for the 25-mile Marathon will be made from the winners in such a big race as the Ward Marathon.

C.A.A.U. HAS NOT ANSWERED ARGONAUT CLUB'S REQUEST

Intermediate Interprovincial Series Seems Assured—Ottawa's Team for Argonaut Game To-morrow—Play Opens To-day.

The C.A.A.U. registration committee have not acted on the Argonaut Rugby suspension and unless word is received to-day the team will likely play under the name of Torontos Saturday against Ottawa.

The chances grow more rosy each day for an intermediate interprovincial series. Dundas, Hamilton II. and Argonauts II. are practically assured, while perhaps another team may come in.

There is also some dissatisfaction in the east and a series may be formed down there, leaving the winners of the east and the west to play off.

The game between the Argonauts and Ottawa will take place for sure to-morrow afternoon. That much was made clear last night, when Dr. Wood, who has charge of the Argo team in the absence of Manager Hewitt, made the following statement:

"Of course the game will take place. The seats are already on sale, and all arrangements made for the game on Varsity field to-morrow. As far as the players are concerned, there never was any doubt about them meeting Ottawa, providing the latter complied with the rule of the Interprovincial Union and produced affidavits covering the amateur status of every man."

The plan for to-morrow's big game at Varsity field opens this morning at Lee's.

The Ottawa City team to play Saturday against the Argonauts in Toronto will probably be: Durocher, Coursol, Williams, Gleeson, Kilt, Bruce, Kennedy, Ferguson, Ryan, Disney, Aylmer, Church, Vaughan and Lafleur.

Rugby Gossip.

Dr. Hendry and Dr. Wright have been agreed upon as officials for the Ottawa-Argonaut game at Varsity Field Saturday.

Ovide Lafleur, who had announced his retirement, is out again and is mentioned as the possible captain of the Ottawas.

Ottawa College claim to have a find in Dean, an American player. He plays quarter.

Filiatreault, the dashing wing player of Ottawa College, has been elected captain.

Varsity leaves to-night for Montreal, where they play McGill to-morrow.

Queen's plays Ottawa College in Ottawa to-morrow.

Vics play at Peterboro to-morrow in the first game of the senior O.R.F.U. series.

St. Michael's College (fourth team) wish to arrange a game for Saturday next as a preliminary of the junior O.R.F.U. match with Parkdale. Average age, 15 years. Address or phone the captain, St. Michael's College.

The following players are requested to be on hand at 5.30 sharp: Wagner, Hollingshead, Duff, Tough, Scott, Scythes, Rankin, Austin, Kirby, Dale, Pell, Henderson, Sinclair and Knox. The team to play the invaders Saturday will be picked from those who attend this practice.

Young Torontos will be in fine fettle for their game with Victorias on Saturday, having had full turn-outs every afternoon this week. The game will be played on Rosedale Cricket Grounds at 3 o'clock. All players are requested to be at Rosedale to-night at 7 o'clock, as a final signal practice will be gone thru. The weekly euchre party will also be held at the clubrooms, Yonge and College-streets at 8.30 p.m. All members are requested to bring their friends, as a good time is assured by the executive.
