HARTFORD TOOK THE RUBBER.

Players and Spectators Groaned at the Umpire, But Toronto Was Up Against It.

WORCESTER HERE THIS AFTERNOON.

The Double-Headers at Montreal and Syracuse Resulted in Even Breaks.

Toronto was up against the umpire or something at the Island yesterday, and just when we should be making that gain that was predicted here last week Hartford's bunch comes along and captures two out of three. Umpire Doescher was very bad. In fact the Eastern League has treated Toronto rather shabbily in this respect, tho Montreal is raising a kick, as below, about Hinn that fits pretty well here now, and just tells where Pat Powers figures in the game:

We made a prayer to Powers
To be so good and kind,
To send an umpire here who is
Not either dead or blind.

Such was the bleacher prayer
Upon that awful day,
But in the light of past events,
This much I'll safely say:

That Patrick Fatman Powers
Cares not a single jot
For our fair town, and so he'll hear
That earnest prayer—"not."

Double headers were in order at Montreal and Syracuse yesterday, where they as usual split even, while at Rochester the Ponies, who are the attraction at the Island this afternoon, were beaten. Williams will pitch to-day. The record:

Clubs.	Won.	Lost.	P.C.
Providence	50	31	.617
Rochester	44	32	.578
Worcester	38	36	.515
Hartford	38	37	.508
Springfield	36	40	.473
Montreal	35	40	.466
Toronto	35	44	.443
Syracuse	31	47	.397

Games to-day: Worcester at Toronto, Hartford at Montreal, Springfield at Syracuse, Providence at Rochester.

Hartford 6, Toronto 2.

Doescher's yellow work with the indicator kept Toronto from winning yesterday afternoon at the Island. He had everyone in the air, and his guesses were very bad. The visitors took an early lead and should have had another run in the first. Manager Barrow had re-arranged the team, with Clymer at short in place of Bruce, Lynch at second, Tom Daniels in the outfield and Grey getting into the game. He led off with a base on balls, beat the throw down to second, but stuck his foot into the bag and was out. Jim Bannon walked and went to third on Tom's clean single, the latter stealing, and both scored on Lynch's clean hit to right centre. Steelman threw the runner out at second and Carr was retired on a grounder to pitcher.

Two singles and an out produced Hartford's first run in second. The enemy was quickly retired in the fourth, Gatins, the third man, sending up a fly that Lynch caught, and in turning to throw in the ball dropped, when the runner was unfairly called safe. Massey, Fleming and Steelman followed with hits, and the loose work helped in the three runs.

Things looked promising for Toronto in the fifth, with two on bases, when Jim Bannon hit into a double play. Hits, errors and outs gave Hartford two runs in the sixth, and the game looked lop-sided.

Bruce replaced Schaub at the bat in the eighth, and fielded out the game at third. The Islanders started a rally in the ninth, Tom T. Daniels opened with a single. Bemis was out on a fly to Myers and Bruce drew his second base on balls. Clymer slammed the ball to the right foul line and Carr scampered home, but Doescher said it was a foul, and the batsmen then put up a little one for Shindle, as did Williams, who hit for Hooker, and the game was over. Sharrott's two-base hit to centre scored both men.

Hamilton Beat London.

Hamilton, Ont., July 26.—Buege pitched a faultless game for Hamilton to-day, London getting but eight scattered hits off him, while he did not give a chance or have a wild pitch, and fielded his position well. Hamilton therefore won in spite of some bad fielding and Thompson was hit hard by the locals. Score:

THE WIND-UP AT COBOURG.

Fourth and Last Day Makes L.Y.R.A. Regatta Complete Success.

VIVIA THE FASTEST 40-FOOTER

Beaver and Pedro Won Their Races, the 35 and 25-Foot Classes—Summaries.

Cobourg, July 26.—To-day was the fourth and last day's racing of the L.Y.R.A. regatta. Favorable winds and good races kept up considerable excitement all day. Probably the prettiest finish during the entire regatta was in the 35-foot class, when the Beaver crossed the line about 25 seconds ahead of the Minota. There was a large attendance all day and a feeling of regret prevailed when the last race had been completed.

The first race this morning was at 11 o'clock, when the 40-footers started. In this were the Vivia, who finished first, the Clytie second and the Neola did not finish.

At 11.10 the start for the 35-footers was made. Those competing were the Beaver, Minota and Hamilton. All three crossed the line very close together and made a beautiful race thruout. It resulted as follows: Beaver first, Minota second and Hamilton third.

The 25-foot class, which started at 11.20, had five competitors, Pedro, Koko, Winona, Ill Away and Pickle. The Pedro won this race, with Koko second, Winona third, Ill Away fourth and Pickle fifth. Following is a list of the time for each race:

40-footers—
Vivia 4.26.40
Clytie 4.46.40
Neola ..... Did not finish.

35-foot class—
Beaver 3.37.50
Minota 3.38.28
Hamilton 3.42.10

25-footers—
Pedro 2.35.46
Koko 2.38.33
Winona 2.44.20
Ill Away 2.51.58
