BRIBERY IN KANSAS.

Democrats and Republicans Endeavor to Seduce Populists.

TOPEKA, March 20.—The bribery investigation now in progress here before a committee of the State Senate, intended originally to cover charges of corruption made by the Topeka Capitol in connection with gamblers, developed a huge sensation this morning and no one can say where it will end. The testimony had no connection with the original charges, but was incidentally brought out. Representative McFleney, Populist, of Kansas City, Kan., swore that he and Mr. Burgard, a Populist representative from the same city, were both subject to corrupt offers made by Cyrus Leland, the noted Kansas Republican, if they would vote as he suggested. He testified that Leland offered him $5,000 to vote for W. H. Rossington, Democrat, for United States Senator, and that Burgard told him that Leland had offered him $1,000 to vote for the Republican candidate for state printer, and that Burgard had also told him about a proposition made to him (Burgard) by Leland to vote for state printer.

Not the Right Word.

"No," said Bertha sadly, "'pain' doesn't express what I suffer at these times—it is simply 'anguish!' I know I ought to consult a physican, but I dread it so! I can't bring myself to do it. Then, too, 'female diseases' always seemed so indelicate to me, I can't bear to have any one know or speak of mine."

"Yes, dear," answered Edith, "but don't you know you can be cured without going to a physician? Send to any druggist for a bottle of Dr. Pierce's Favorite Prescription, and take it, and I warrant you'll feel better in a few days."

The manufacturers warrant this medicine, too. They guarantee it to do exactly what it claims, viz: to cure leucorrhea, painful irregularities, excessive flowing, prolapsus, inflammation or ulceration of the uterus, and the innumerable other "female weaknesses." It so strengthens and builds up the uterine system, and nerves, that worn-out, run-down wives and mothers feel rejuvenated after taking it and they are saved the painful embarrassment and expense of a surgical examination and a tedious, tiresome treatment.
