Commended by the Enemy.

Markdale Standard.

It goes somewhat against the grain to utter sentiments of condemnation for Dr. Sproule in view of his obstructive attitude in reference to the establishment of a public cemetery for Markdale on the Marsh site, but, the course which he has pursued during the present session of Parliament at Ottawa, and the vigorous opposition which he has maintained towards the Remedial Bill in direct opposition to the party which he has faithfully supported these 17 years, we say, in view of his independent attitude in these matters he richly deserves the hearty approval and loyal support of his constituents in East and Centre Grey.

Statesmen and Politicians—A Difference.

Evangelical Churchman.

Are all politicians statesmen? No, we must unhesitatingly answer. What is the difference between a politician and a statesman? We give an old, but true reply: "A politician thinks of the next election; a statesman of the next generation." We hope that our legislators, especially in the present crisis, will rise to the height of statesmen.

The World's Cartoons.

Sarnia Post.

The provincial papers, that is some of them, are expressing admiration of the exceedingly clever cartoons on current political affairs that appear in The Toronto World each day. The cartoons are the work of Sam Hunter, those appearing occasionally in The Post being also Sam's work.

Blaze at Collingwood.

Collingwood, March 20.—About half past 8 o'clock a fire broke out in the net sheds of Mr. George Stalker on Peel-street. The sheds, with nearly all of their contents of nets and fishermen's supplies, were destroyed, only a few pieces of nets being saved. The fire originated from the stove. The loss is estimated at $3000. There is a small insurance.

Death of Gabriel Balfour.

Omemee, March 20.—Mr. Gabriel Balfour, one of the oldest settlers in this part of the country, died this evening in his 80th year. He was born in Barriefield, near Kingston, and was one of the veterans of the rebellion of 1837. He was a life-long Conservative and an Orangeman for over 60 years.

Dyspepsia or Indigestion is occasioned by the want of action in the biliary ducts, loss of vitality in the stomach to secrete the gastric juices, without which digestion cannot go on; also, being the principal cause of headache. Parmalee's Vegetable Pills, taken before going to bed, for a while, never fail to give relief, and effect a cure. Mr. F. W. Ashdown, Ashdown, Ont., writes: "Parmalee's Pills are taking the lead against ten other makes which I have in stock."

Belleville Briefs.

Belleville, March 20.—Miss McPherson died this morning from lock jaw.

Mrs. Elias G. Ketcheson of Avondale died this morning, aged 75 years. Her husband and two daughters, one of whom is the wife of Mr. J. F. Jeffers of Toronto, survive her.

Dyspepsia and Indigestion—C. W. Snow & Co., Syracuse, N. Y., writes: "Please send us ten gross of pills. We are selling more of Parmalee's Pills than any other pill we keep. They have a great reputation for the cure of Dyspepsia and Liver Complaint." Mr. Chas. A. Smith, Lindsay, writes: "Parmalee's Pills are an excellent medicine. My sister has been troubled with severe headache, but these pills have cured her."
