A REVIVAL OF ROWING.

FIRST DAY OF THE SWEEPSTAKES REGATTA IN ENGLAND.

Beach, Teemer and Matterson the Winners—Wallace Ross Easily Disposed Of—Hamilton Makes a Great Showing Against Utica at Baseball.

LONDON, Aug. 30.—A portion of the trial heats to decide who shall be the contestants in the International sculling sweepstakes on Wednesday were rowed to-day. The weather was scorching hot.

In the first heat Neil Matterson of Australia and Wallace Ross were the contestants. The course was from Battersea to Hammersmith. Matterson got an advantage of a few feet in the first half minute, but before the first furlong had been covered Ross drew up level with him. At the end of the next furlong Ross led by a length, and when a mile and a half or almost half the distance had been rowed he was two lengths in advance. Directly after reaching this point Ross almost stopped and Matterson went ahead, and at Putney Bridge led by three lengths. After this the race was over, Matterson winning leisurely in 18 mins. 41 secs.

Bubear then rowed over the course, scoring a bye.

The course for the second heat was from Hammersmith to Kew. The contestants were John Teemer of McKeesport, Pa., and Geo. J. Perkins of England. Teemer was the favorite, 5 to 1 being offered on him. Teemer at the start rowed rather a snatchy stroke, enabling Perkins, who had the best water, to gain a slight lead in the first few hundred yards. Teemer then settled down to a longer and steadier stroke, and soon got on a level with Perkins. He drew steadily ahead, and when Barnes Bridge was reached he led the Englishman by four lengths. Teemer won eventually without effort, finishing three lengths ahead. Time 18 mins. 40 secs.

The third heat was between Wm. Beach, the Australian champion of the world, and G. W. Lee of Newark, N. J., the course was from Kew to Hammersmith. Lee led by a couple of lengths the first quarter of a mile, but after that was beaten. At Barnes Bridge, Beach drew away and won the heat easily by three lengths. The betting was 10 to 1 in favor of Beach. Twice during the heat Lee got over in Beach's water and the second time he fouled him. Beach claimed foul and it was allowed.

To morrow Bubear will meet Beach and Matterson will meet Teemer.

Utica 6, Hamilton 5.

HAMILTON, Aug. 30.—Owing to the rain in the morning and threatening weather in the afternoon, only 325 people were present at Dundurn to see one of the most exciting contests of the season between Utica and Hamilton. Hoover's umpiring was erratic, and in favor of the visitors:

The St. Louis League Club.

BOSTON, Aug. 30.—The statement is made on the authority of the directors of the Boston Baseball Club that a paid agent has followed the St. Louis' for weeks in the interest of the Boston club; that the Boston club has offered a sum for Glasscock and Myers far exceeding any figure heretofore named for a league player; that $10,000 has been offered for a choice of five players from the St. Louis team; that the entire team and the league franchise has been offered to Boston for $15,000 and a shouldering of obligations, but has been refused; that the Boston club has agreed to pay any sum for Glasscock that the league officials may name, and pay that player any salary the league may decide is proper, and that according to the construction of the league committee now having in charge the destiny of the St. Louis players it seems likely that from business reasons, Glasscock and Myers, and possibly others of St. Louis, will play in Boston next season.

Fair Play.

Billy Mountjoy is pitching again for Denver.

Davis and Darling will be the Toronto battery to-day.

It is said that Chamberlin will join the Buffalo team.

The Cuyahogas have released Richmond, their shortstop.

Rochester has engaged Barr, formerly a Washington pitcher.

There is now some talk of the St. Louis league club being transferred to St. Paul, Minn.

Official notice has been received of the blacklisting of James McKinley by Portland.

Pete Woods has won 7 out of 10 games that he has pitched since joining the Hamiltons.

The Hochesters have five pitchers, namely, Robert Barr, Hofford, Horner, Parsons and Bakley.

Toronto and Syracuse play this afternoon. A great game is expected. Play will be called at 4 o'clock.

Pitcher Getzein of Detroit was fined $300 by Capt. Hanlon last week. Getzein has been fined $400 during August.

Corcoran, formerly of the Macon, Ga., club, has been signed by the Binghamton management. He plays third base and can catch.

Only one game will be played to-day over the Don between Toronto and Syracuse, the latter having expressed a preference for a return trip.

Syracuse Courier: Morrison, Faatz and Earle of the Toronto, three of the best men in the league, will play in Syracuse next season, it is said.

The Rochester Association has paid for its grounds and canceled all of its indebtedness. Besides doing this the association has a snug little sum in bank.

It is understood that several of the present Rochester team will be asked to play here again next season. The salary list will be increased over that of this year.—Rochester Herald.

Referring to the pool selling and betting on the Montreal and Toronto lacrosse match Saturday, the Hamilton Times says: "And yet there are people have the cheek to talk about the evil influence of professionalism in baseball. There isn't any pool selling here on baseball" but then lacrosse is purely amateur, you know."

W.H.O., city—Both are wrong. The reading yesterday should have been: Buffalo, 40 won, 39 lost, percentage .506; Hamilton, 42 won, 35 lost, percentage .546. It will be seen The World was only out on Buffalo, whereas our contemporary was out on both. Under the circumstances the bet must be a draw.

Toronto is now third on the record but she will have to play good ball to remain there. Hamilton was kind enough to do her best to knock Utica out yesterday but she just failed. Better luck to-day. In the meantime the Toronto will have to try and repeat the record they made when the Eastern clubs came here on their first trip, and we may yet get there or thereabouts.

Nearly all the members of the Savannah club were arrested at Atlanta last week, charged with drunkenness. The whole Southern League is a disgrace to baseball. Games are bought and sold, umpires difto, and the players conduct themselves everywhere like the veriest rowdies. Clubs give away games, so that certain hated rivals may not outstrip another favorite team. Good players want to sign with either the League or Association, and make their behavior purposely offensive, so that they may be released.—Louisville Courier Journal.

The English Gentlemen Cricketers.

E. J. Sanders, manager of the team of English Gentlemen Cricketers now en route for America, has announced the official list of players as follows: W. E. Roller, captain; T. R. Hyne-Haycock, J. A. Turner, A. R. Cobb, E. H. Buckland, H. W. Bainbridge, F. T. Welman, H. Rotheram, K. J. Key, Rev. A. J. Fortescue, C. E. Cottrell and E. J. Sanders, manager. The bowling strength of the team is particularly formidable. Roller, who was troubled with a lame arm when he was here last fall, has fully recovered. Turner's fast delivories are well remembered. Buckland, the slow bowler, was very successful in the recent match between Oxford and Cambridge. Bainbridge is one of the fastest bowlers in England and unplayable upon a bumpy wicket, and Rotheram lives in the memories of cricketers who saw the match between the Gentlemen of Philadelphia and the Marylebone Cricket Club at Lord's in 1884, when he bowled like a demon. Weiman is the best amateur wicket keeper in England, and Cobb has been doing brilliant work in that position for the University this year. Key is a great addition in the batting strength. He scored 146 in the intercollegiate match, and is very high in the All-England list of averages. Rev. A. J. Fortescue and Cottrell are also able batsmen. The team play in Toronto Sept. 7, 8 and 9.

B Wins.

Editor World: A bets B that the Toronto Lacrosse Club held the championship pennant longer than any other club in the world. Who wins? E. A. L.

General Notes.

John L. Sullivan is to run a hundred yards race on Sept. 13 against Arthur Chambers for $500 a side.

The Saratoga race meeting, which ended Saturday, was the most successful in the history of that association.

O'Donovan Rossa, the dynamiter, has been a frequent attendant at the races recently, both at Monmouth and Brighton.

The Irish Lacrosse team sailed for home by the Umbria on Saturday well pleased with their trip. A delegation of the New York Lacrosse Club saw them off.

Oliver K. cost George Forbes $4500 two years ago, and the horse has already won $20,000 this season. 16 Oliver K. wins the $10,000 purse at Hartford to-morrow he will be matched with Harry Wilkes to trot at Cleveland on September 17.

A teacher, in catechising her class of boys at Sunday school, asked: "Who was the strongest man?" A little chap of 8 years answered, without a moment's hesitation: "Sullivan. Now ask me who is the best rower."—Harper's Magazine.

Editor World: Wm. Kitchen of Eglinton will play a game of quoits with any man in Toronto for $25 or $50 a side. John Shepard, or Malone, North Toronto, being preferred; quoits not to exceed 7 lbs.; game 61 points. Man and money to be found at Oulcott's Hotel, Eglinton, any night this week.

Luke, Mr. Belmont's imported English jockey, had two mounts at Sheepshead on Saturday. On Florence K. in the third race he was unplaced, but in the next race, the Autumn Stakes for 2-year-olds, he rode Mr. Belmont's Lady Primrose and finished a good third to Firenzband Belvedere.

The Albions of this city played lacrosse at Weston on Saturday, and defeated the Westons by 3 goals to 1. The Albions secured the first, third and fourth games, the Westons taking the second. Time, first game 3 mins., second 25 mins., third 7 mins., fourth 30 mins.

A lacrosse match took place at St. Catharines yesterday for the Intermediate championship between the Athletics of that city and the Brockville club. The Brockville club won the first, second and fourth games in 4, 8 and 31 mins., the Athletics taking the third in 18 mins.

The season for fall shooting, embracing wild ducks, pheasants, etc., opens on Wednesday next, September 1. The prospects for pheasants are reported much as usual; but dwellers near some of the marshes tend to discourage a chap when they tell him that "they haven't seen a wild duck this fall." The general reports afford sportsmen but little satisfaction.—Guelph Mercury.

George Ware of Buffalo defeated Charles Gaudaur of Atherley, Ont., in a three-mile race on Conesus Lake Saturday. It was a close, exciting race, Ware winning by a quarter boat length after Gaudaur supposed he was himself a winner. John P. Roth trained Ware and J. Supple trained Gaudaur. The last named thinks he can easily defeat Ware, so another race is probable.

Goodwin's "Turf Guide," containing every race in North America to August 27, inclusive, along with the usual departments, is to hand. To a man who wishes to be posted on the American turf, and what sportsman does not, it is the cheapest 50 cents worth ever heard of. Ruff's Guide, the British racing authority, contains less of a present practical nature and costs in this country $1.50.

Parkdale defeated Goodersham & Worts on Saturday by 14 runs. Scores, Goodersham & Worts 49, Parkdale 63. Taylor made 20, not out for Goodersham & Worts in good, patient style. Morrison for Parkdale played in his usual brilliant manner for his 26 runs and S. W. Black batted well for his 18 runs, got at an opportune time. The bowling of both teams was very good all round.

The Buffalo Courier of to-day says: If there is to be a kid glove contest at an early day on Canadian soil, the intention is, probably, to keep the matter a profound secret. But unfortunately for those interested, the loss of a dispatch—evidently a copy of one that was sent—has given the "tip" prematurely. There was picked up on the street last evening a message addressed to George Fulljames of Toronto, and signed "W. S. Sheehan," which reads as follows: "See Patillo and arrange kid glove fight between N. Y. kid and McDowell, to come off this week at Hamilton. Answer."

Miss Woodford has broken down, her forelegs having given out completely. She will be bred to Hindoo. Tom Marith has also broken down. Inspector B has gone amiss and may possibly not again be seen on the race-track this year. Tremont has been retired from the turf for the year. All these belong to the Dwyer Bros. Phil Dwyer says it's hard to have the cracks on the complaining list, but the Brooklyn stable has won nearly $150,000 during the present season, which is $37,000 more than their total winnings for 1884 and $65,000 more than their 1885 winnings. Miss Woodford's total earnings amount to $109,480, by far the greatest amount ever won by any horse on the American turf.

WALKER

STILL WITH US.

He Rises to Remark

"Now, by my Halidom," quoth Walker
"As sure as eggs are eggs,
At these hard times I'll have a whack
And knock down the pegs.
I'll hang no circus posters out,
I'll never bear a drum,
But folks shall know what I'm about—
Its prices makes things hum.

"Here, Julius Cæsar Ponto Brown,
Just sharpen up my ax:
Once more I'll cut the figures down,
My folks can't stand the tax:
The times are hard—the workingman
Can't comforts ill afford,
But give him my instalment plan
He will not need to board."

Amazement well may pale each cheek,
Well may all dealers groan,
For such small payments week by week
Before were never known.
The long, long toiler day is done,
Night's certain settles down,
Walker's beacons flash up one by one,
His prices rouse the town.

Men, women, children—how they flock
To this midsummer sale;
Walker never has so large a stock—
But prices tell the tale.
And who is there so foolish still
To board or idly roam,
When weekly, if you pay the bill,
You get so nice a home.

Who, indeed! Surely all people yearn for a home of their own, from the cradle to the grave. This one want animates alike rich and poor. The rich can get a home when they please, and so can the poorest man or woman with weekly instalments by going to
