Last Saturday morning the junior class of "Acadia" went on the usual geological trip to Windsor. In the afternoon their football team played a match with the Kings College team on the ground of the latter. The Acadia boys kicked off and within fifteen minutes Wyman of Kings scored a touchdown. The game continued in the Kings field, and at the half time, Munroe carried the ball across the line. Chesley made it a touchdown during the second half, in spite of the gallant efforts of the Kings half-backs. The ball was kept well in their field. At time was called the score stood, Acadia juniors, 6; against 0. The Kings half backs played a fine game; but their forwards were weak and scarcely a match for the junior forwards.
