TO THE ELECTORS

—OF THE—

CITY OF LONDON.

Ladies and Gentlemen:

Your vote and influence respectfully solicited for

W. M. CARTSHORE

As Mayor for 1893.

LADIES AND GENTLEMEN,—Realizing the great responsibility, it is with some reluctance that I have consented to allow my name to go before the electors for the position of mayor for 1893. I am fully sensible that to any man engaged in business the position cannot be accepted except at a considerable sacrifice of time; but the important tasks which I with other aldermen of 1892 have been negotiating during the year, namely, the lease of the London and Port Stanley Railway, electric street railway franchise and other matters of minor importance are in an unfinished state. Many ratepayers have expressed themselves that it would be unwise of me to withdraw from the council until the solution of these important matters is reached and the city of London placed in a position to enjoy lake competition, and provide the residents of this city with modern and rapid transit. The London and Port Stanley lease is a matter on which will hinge the prosperity of this city, and any lease entered into which does not provide proper safeguards to prohibit combination in rates of freight would prevent this city ever assuming any great importance as a manufacturing and commercial center, whereas if satisfactory maximum rates for freight and passengers and other provisions relative to advance charges, running powers, etc., are provided for, this city will undoubtedly witness a revival of business and a corresponding increase in population.

The electric street railway franchise is of little less importance. Rapid service and cheaper fares will prove a great boon to the citizens and an element of attraction, which will put us on a par with other go-ahead cities.

These matters properly adjusted will, I am sure, attract merchants and capitalists who intend erecting manufactories in Canada, and have already convinced the projectors of the pork packing establishment, which is now under construction, of the importance of this locality as compared with that of other cities in the Dominion. We have also been in correspondence with one of the largest manufactories in the United States, with a view to establishing a branch of their factory here, and the London and Port Stanley lease satisfactorily arranged, will, I am satisfied, be largely instrumental in deciding them to give this city their favorable consideration.

The present council for the past year has done well for the city, and the outlook is more encouraging than at any time for the last twenty years.

I appeal to every elector to support me, if in his judgment my services would be of value to the city. My time is very much taken up in business, and the time is too limited to make a general personal canvass, but I shall feel grateful to my friends who are so disposed to give me their vigorous and hearty support.

I remain, yours very respectfully,

W. M. GARTSHORE. b

ELECTORS.

THE PEOPLE'S

Building & Loan Ass'n, of London, Ont.

(Incorporated Under Act 169, Revised Statutes of Ontario).

Authorized Capital, $5,000,000

Head Office, Molsons Bank Buildings

This association offers to both large and small investors the highest rate of interest on their deposits, and every dollar is secured by first mortgages on real estate, and that under a system which reduces the borrower's indebtedness monthly.

THINK IT OVER.

$3 deposited monthly for 7½ years will yield $500. $6 will increase to $1,000 in the same time. December series of shares now open for purchase.

WHY PAY RENT?

Illustrations showing how a person without any capital can own his home, worth $1,000, in 7½ years. He subscribes for ten shares and pays as follows:

Membership dues	$ 10
$6 monthly dues for 48 months	288
He then buys a home worth $1,000 and the association advances the purchase price to pay for it. He then pays $15 per month for 42 months, amounting to	630
Total amount paid in,	$928

From the foregoing illustration it will be observed that a $1,000 home has been paid for in 7½ years by investing only $928, and in addition thereto the shareholder has had house rent free for 3½ years.

These extremely advantageous terms can only be secured under the building and loan system. If you do not understand the illustration call and get it explained to you.

W. M. SPENCER, president; LIEUT.-COL. W. M. GARTSHORE, vice-president; WM. SPITTAL, secretary-treasurer.

LONDON WEST BYLAW

To Provide for the Annexation of the Village of London West to the City of London.

WHEREAS the Municipal Council of the Village of London West has passed a resolution and the Municipal Council of the City of London has passed a similar resolution affirming the expediency of the annexation of the said village to the said city upon certain special terms agreed to and approved of by the said councils, namely:

1. The said village to be annexed to the said city as Ward No. 7.

2. The assessment of the new ward to be fixed for ten years at the present assessment, but any improvements or new buildings to be assessed on the same basis of valuation as in the remainder of the city.

3. Police protection to be afforded in the new ward as directed by the city.

4. It is understood that the water service will be extended through the new ward when the revenue therefrom will guarantee a 10 per cent. interest on the outlay, and that hydrants will be placed on the streets so extended upon without charge to the new ward, but that any further extension of mains for fire protection only and any fire alarms required shall be paid for by the new ward, and that the said last mentioned extensions are only to be made on a majority of votes of the ratepayers of the new ward, and after a sufficient rate therefor upon the property in Ward No. 7 has been duly imposed and levied.

5. No additional expense to be incurred for electric lighting in Ward No. 7 than at present incurred by the village.

6. The village debt to be assumed by the city as amalgamated, including its share of the county debt, and the city to be entitled to receive from and be repaid by the county the values of the interests which the village has at the time of amalgamation in the property or assets of the county.

7. If these terms are approved of by the City Council the London West Council are to submit a bylaw to the electors of London West at once so that amalgamation can take place as soon as possible.

8. The city to keep the breakwater in repair; but it is understood that the city shall not be liable for any damages to Ward No. 7 or to private individuals caused by flood or otherwise in consequence of the breakwater being washed away or partly washed away.

Be it therefore enacted by the Municipal Council of the Corporation of the Village of London West with the assent, adoption and approval of the electors of the said village as follows:

1. That the annexation of the said village of London West to the said City of London upon the special terms hereinbefore recited be approved of.

2. That the Municipal Council of the said village be authorized to settle all other details and do all necessary acts to consummate the annexation upon the special terms aforesaid.

3. That the vote of the electors of the said village upon this bylaw shall be taken at the annual municipal election on Monday, the 2nd day of January, 1893, and the poll shall be kept open between the hours of 9 o'clock in the forenoon and 5 o'clock in the afternoon of the said day in the two polling subdivisions of the said village.

4. That George B. Cooper shall be the deputy returning officer at the first polling subdivision in which the votes shall be taken in the council room at the village school house.

5. That Robert A. Jones shall be the deputy returning officer at the second polling subdivision in which the votes shall be taken at Albert Hall, on the Wharncliffe Highway.

6. That on Tuesday, the 3rd day of January, 1893, at the hour of 12 o'clock noon, at the said council room, the clerk of the Council shall sum up the number of votes given for and against the bylaw.

7. That on Friday, the 30th day of December, 1892, at the said council room, at 12 o'clock noon, the reeve of the village shall, as provided by statute, attend to appoint persons to attend at the said polling places and at the final summing up of the votes by the clerk respectively on behalf of the persons interested in and promoting or opposing the passage of this bylaw respectively.

First and second readings by Council on 30th November, 1892.

Notice is hereby given that the foregoing is a true copy of a proposed bylaw which has been taken into consideration and which will be finally passed by the Municipal Council of London West in the event of the assent of the electors being obtained thereto after one month from the first publication hereof on this day, and that at the hours, day and places therein fixed for taking the votes of the electors the polls will be held.

Dated at London West this 3rd December, 1892.
