## GEMS AND GEMS.

What does mankind do to all out-cast—Mechanics with strong iron chests.

When a young lady loses a bracelet for a rich lover, she probably sows that she may reap.

London milkmen have the couscience to call water at just as high prices in wet weather as in dry.

Whether old age is to be respected depends much on whether it applies to men or women or to ponies.

Model wives formerly took a "stitch in time," now, with the aid of sewing-machines, they take one in no time.

Meeting Napoleon, Mrs Clever said "A girl seems all ahead."—"Yes till you talk to her," replied Mr. Clever.

Anything Midas touched was turned to gold. In these days, touch a man with gold, and he'll turn into anything.

A conundrum that no one can answer—What becomes of a man's word when he won't keep it, and no body else will take it!

The creditors of an absconding Yankee found, on opening his safe, that the only thing he had laid up for a rainy day was an umbrella.

A musical author, being asked if he had composed anything lately, "My last work was a composition with my creditors."

A physician writes, asking the renewing of a bill, and says:—"We are in a horrible crisis; there is not a sick man in the district."

After all, says an old doctor, "there are only two kinds of disease, the one of which you die, and the other of which you don't."

The lady who was married in a balloon in Cincinnati the other day has since shown how it affected her by blowing up her husband sky-high.

Nothing will sooner tempt a bachelor to abandon his resolution to marry than to sleep in an adjoining room to a young couple with a colicky baby.

"What do you think is the best size for a man?" drawled a lazy fop, who was talking to his physician. "Exercise," sternly replied the doctor.

Why is it fair to infer that women are in favor of the best kind of I mean? Because they certainly prefer that all man should be good husbandmen.

The excuse of a young lady to her clergyman, who caught her napping, was—"Dont you think that ladies had better be fast asleep than fast awake?"

Why is a thief your only true philosopher?—Because he regards everything from an abstract point of view, is opposed to all notions of protection, and is open to conviction.

A young lady of Milwauke, said, her beau was a thief." When requested by the mother of the accused to prove her charge, replied, "He stole a dozen kisses from me."

An old lady recently directed the attention of her husband to a pair of twins remarking as she did so, "How much these two children do look alike, especially the one this way!"

A student while undergoing his examination was asked what was the action of disinfectants, and replied, "They smell so badly that people open the windows, and fresh air gets in."

A sharp talking lady was reproved by her husband, who requested her to keep her tongue in her mouth. "My dear," she said, it's against the law to carry concealed weapons."

Don't be too anxious to solve a conundrum. We know a man who got two black eyes in endeavouring to find out the difference between a man and a woman fighting in the street.

DIAMOND PUZZLE.

Centres, read downward and across, will name a king of Ethiopia, who invaded Egypt in the reign of the blind King Asenyia. 1 A consonant; 2 a vehicle; 3 a favorite object; 4 king of Ethiopia; 5 a vessel; 6 a portion; 7 a consonant.

NUMBERED CHARADE.

Whole, I give a general view. 1, 2 is my father; 7, 8 my mother; 3, 4, 5, 6 my daughter; and 5, 6, 7, my servant. My 7 2 does not care a 5 2 1 what the 7 6 1 says, for while the 1 4 is navigable the 5 6 7 will supply us with wool. It now being 7 4 5 3, I feel inclined for a 3 2 1, so say adieu.

CHARADE.

My first is a circle; my next you will find
Much used by a very great part of mankind;
If you happen to speak of yourself, my third
Is sure to be there and sure to be heard;
My fourth to progress, or advance, signifies,
A motto for those who in life wish to rise;
My whole you possess—even, now it may be,
You are passing it, while you are seeking the key.

HOW THE OLD AND INFIRM ARE SUPPORTED BY FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES.

During the vigor of youth the expenditure of the power of the mind (which is the real seat of the man's strength) is balanced by activity of the nutritive functions, without the aid of science. But Time, the everlasting dissipator of reason as of events, sets a limit to his power, and it is at this epoch that science may render to man the desired assistance, and restore the drain upon his wasted energies.

Each effort of the mind, every act of the body, will extract a volume of nervous element in proportion to the magnitude of the thought or action, and since Hypophosphite combination really will supply the *vis vitæ* to the body, it must support the human mechanism successfully after the vigor of youth is past.

Dr. R. V. Pierce, of the World's Dispensary, Buffalo, N. Y., whose family medicines have won golden opinions and achieved world-wide reputation, after patient study and much experimenting, succeeded in perfecting a Compound Extract of Smart-Weed, or Water pepper, that is destined to become as celebrated as his other medicines. It owes its efficacy not entirely to the Smart-Weed, which, however, is a sovereign remedial agent, but largely to a happy combination of that herb with Jamaica Ginger and other vegetable agents. The combination is such as to make it a very pleasant remedy to take. Taken internally, it cures Diarrhœa, Dysentry, Summer Complaint, Cholera Morbus, Colic, Cramps and pain in the Stomach, breaks up Colds, Febrile and Inflammatory Attacks. It is sold by all druggists and dealers in medicines.

☞ Did you ever think that what is termed a common cold, when systematically neglected, often leads to that most fatal and distressing disease—consumption—but when attended to at once is generally easy of cure. If you are troubled with a cold or cough, "Byron's Pulmonic Wafers" will be found to be most efficacious in removing it.—They give immediate relief, and generally effect a cure when used in time. Sold by all Druggists and country dealers. Price 25 cents per box.

Wm. Henry Smith was sentenced 20 inst., to be hanged on Dec. 23rd for the murder of Ralph Spence Finlay, in Sombra, on May 21st last.

Scientific Items.—A writer in Putnam's Magazine says: "Isin a curious fact that there is never a white colt nor a black calf. The whitest horse was blackest in its birth, and the jet black cow was unmixed red." Whether this is correct or not, we cannot positively say; but this we do believe, that the best medicine for removing pain from the system is the "Canadian Pain Destroyer." In cases of rheumatism, sprains bruises or severe colds and summer [illegible] sale by all Druggists and country dealers. Price 25 cts per bottle.

Cure your Horses.—It is to the interest of all who own horses to keep them in a healthy and sound condition; experience has proved that "Darley's Condition Powders and Arabian Heave Remedy" is the most efficacious, and has been used by thousands who will cheerfully confirm this statement. For Heaves, Coughs, Colds, and all diseases which affect the wind of horses it has no equal, nor is it squalled as a condition medicine; it purifies the blood, corrects and improves the appetite, and softens the skin; in fact, so great is the improvement in the condition and appearance of the animal as to have led many to doubt if it could be the same horse. Remember the name and see that the signature of Hurd & Co. is on each package. Northop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

Read This Twice.—Five to thirty drops of Thomas' Eclectric Oil, will cure common Sore Throat. It never fails in Croup. It will cure a Cold or Cough in twenty-four to forty eight hours. One bottle has cured Bronchitis of eight years standing, recent cases are cured in three to six days. It has restored the voice where the person had not spoken above a whisper in five years. As an outward application for all cases of pain or lameness, nothing like it has ever been known. One bottle will cure any case of Lame Back or Crick in the Back. For diseases of the Spine and Contraction of the Muscles it is unequaled. In Rheumatic or any other pain the first application does you good. It stops Ear Ache and the pain of a Burn in three minutes, and is altogether the best and cheapest medicine ever offered to the people—the cheapest, because it takes so little to do you no d. It is composed of six of the best cures known, and nothing else. It is worth its weight in gold. Why not buy it to-day?—A. B. Rochers, assistant postmaster, Arthabaskaville P. Q., writes:—"Thirteen years ago I was seized by a violent attack of Rheumatism in the head, from which I have nearly constantly suffered. After having used "Thomas' Eclectric Oil" for nine days, bathing the forehead, I have been completely cured and have only used half a bottle. This I can certify under oath if you wish."—Rev. J. Mallory, Wyoming, N. Y. writes: "Dr. Thomas Eclectric Oil cured me of Bronchitis in one week. Dozens all over the country say, "We have never sold a medicine that has given such complete satisfaction as this."

Sold by all medicine dealers, Price 25 cts.

Beware of Counterfeits.

For the protection of the Public of British North America, I deem it my duty to state that my Pills and Ointment are neither manufactured nor sold in any part of the United States.

Each Pot and Box bears the *British Government Stamp*, with the words, "Holloway's Pills and Ointment, London," engraved thereon. On the label is the address, 533, Oxford Street, London.

This notice has become necessary, in consequence of vile and spurious imitations of 'Holloway's Pills and Ointment,' being fabricated at 78, Maiden Lane, New York, by parties styling themselves "Holloway & Co.," with an assumed trade mark, thus—

Unprincipled vendors can obtain this trash at a very low price, and so deceive you by selling the same for my genuine Holloway's Pills and ointment, which are manufactured only at 533 Oxford Street, London.

Persons who may be so deceived will be pleased to communicate with me.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Evans, Mercer & Co., Montreal.
Messrs, Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. B. Barker & Sons, St. John, N. B.
Apothecaries' Hall Co., Charlottetown.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Pallen, Chatham, N. B.
Messrs. Munro & Co., Montreal.
Messrs. J. Winer & Co., Hamilton, Ont.
Mr. H. J. Rose, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Bond, Goderich, Ont.
Messrs. Elliot & Co., Toronto.
Mr. J. Chaloner, St. John, N. B.
Messrs. Hanington Bros., St. John, N. B.
Mr. R. S. Priddy, Windsor, Ont.
Mrs. Orpen, Morden, N. S.
Mr. George C. Hunt, Jun., Fredericton, N. B.
Mr. W. H. Thompson, Harbor Grace, N. F.
Mr. J. M. Wiley, Fredericton, N. B.
Messrs. W. & D. Yuile, Montreal.
Chas. I. Davies, Fredericton, N. B.

The medicines are sold at the lowest wholesale prices, in quantities of not less than £20 worth—viz., 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here—

It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. ### Local Agents Wanted.

An Agent wanted for each Town and County in the United States.

Parties desiring to act as agents, must accompany their application by a letter of recommendation as to character and responsibility, from and signed by the Editor of a newspaper published in the town or county for which agent proposes to act. The agency is to sell the bonds of the *Industrial Exhibition Co.*

| | |
|---|---|
| Whole Bonds | $20 each. |
| Half " | 10 " |
| Quarter " | 5 " |

The Industrial Exhibition Company will furnish agents with Circulars, etc., etc

Each newspaper published in the town where agent is located, will as soon as agency is established, be given an advertisement, advertising such agency and the Company, and fully explaining the plans, purposes and objects of the Company. Such advertisement will continue in such papers, as long as agency is successfully conducted.

The Industrial Exhibition Company is the first to adopt the plan so long in use by the European governments, of selling bonds when the principal is made secure and not risked, but where there is a chance for a large premium, an investment of $20 is sure to return to the investor $21—one dollar more than cost—and the holder of a $21 Bond, may obtain a premium, either of $50, $100, $200, $5 0, $1,000, $3,000, $5,000, $10,000, $25,000 or $100,000. The interest, which is ordinarily distributed to all the bond-holders as pro rata, is in this loan distributed by chance. The purchaser of a bond knows he will receive back his investment, with a small rate of interest added, and in consideration of taking this small rate of interest, he has a chance in the above named premiums, which are simply the distribution of interest on the whole loan.

Each bond participates in four drawings each year until it has drawn a premium, when it is surrendered, the premium paid, and the bond cancelled

The Industrial Exhibition Company, under a special charter, granted by the State of New York, is given authority to issue these bonds. The Legislature of the State, recognising the great benefits which will arise from the success of this enterprise, have exempted all the real estate and property of the Company from taxation and assessments for five years, and has also conferred other great privileges

Every American who understands the purposes of this Company will, of a necessity, feel a pride in aiding it to a successful termination.

Each individual who buys a bond becomes an owner and an interested party, and when he views the structure erected with his money, can say, "I aided to erect in our country, the most magnificent building the world has ever seen, a palace which, in truth represents the industry, energy and mechanical genius of the American people."

The manufacturers and the inventors of America are peculiarly interested in the success of his enterprise, for the reason that it is to be their home, where all their inventions and manufactures can be exhibited and sold.

The building will contain 5,320,000 square feet space.

Purchasers desiring Bonds before an agency is established where they reside, will communicate direct with this office, from where they can be supplied.

Parties desiring to act as agents, or to purchase bonds will address,

Iron in the Blood

PERUVIAN AN IRON TONIC SYRUP

MAKES THE WEAK STRONG.

*The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "debility and dyspepsia" simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out the seeds of disease, and leaving nothing for disease to feed upon.*

*This is the secret of the wonderful success of this remedy in curing* Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

*Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.*

*See that each bottle has* PERUVIAN SYRUP *blown in the glass.*
