The Cadets of the Robson Intermediate League will hold a very important meeting to-night in their clubrooms at 174 East Queen-street at 8.30. Players and members are requested to attend. They will play St. Michael's College on the college campus on Saturday at 3.30.

Manager Murphy of St. Mary's II. requests all players to turn out to-day at 6.30 in uniforms at Upper Canada College grounds.

The Diamonds request the following to turn out to practise to-night: Cooper, Mitchell, Jebb, Kemp, Hickey, Britnell, Taylor, Watt, Wass, Hurst, Alberts, George, Kilner, Hewitt and Kohlmeyer.

The North Toronto baseball team will hold a meeting to-night at Deer Park Hotel.

The Queen Citys will hold a meeting at Teddy McCormack's Hotel immediately after practice this evening. Members and players are requested to be on hand, as the team will be picked for the Marlboro game.

Members of the Marlboro II. baseball club are requested to turn out for practice to-night, as the team for Saturday's game will be picked. A full turnout is expected, and every person is requested to be on hand early.

The town of Acton, which has such a good reputation in sporting matters, will be particularly active next Saturday, when a team representing Beardmore & Co. will journey to that town and play a team picked from the Acton Tanning Co. The team representing Beardmore & Co. will be picked from the following: W. Levack, Todd, Willis, J. Levack, Klein, McLeod, Irentice, Dexter, Irving, Robertson, Thrush, Tew and Brew. Mr. W. Mooring of Toronto will officiate as umpire.

Opening Senior C. L. A. Game.

The Tecumsehs had their final prep for the game to-morrow with the Galt Manchesters on the new Ball Grounds, and they will step on the field at 3 o'clock in prime condition. The selection of a team will not be made until to-night. It is very probable that one or two juniors will succeed in landing a place on the senior line, as the committee has been greatly impressed by the form shown by them in practice. The visitors will send down a very strong aggregation, including Slep, the 200-pounder, who is the star of the team. An invitation to attend the game, which will be started promptly at 3 o'clock, has been extended to the Mayor and the members of the City Council.

Toronto Team for Montreal.

The Torontos had a big turnout last night at Rosedale, when the Seniors lined out against the Young Torontos. This was the final practice before leaving for Montreal. The team leave to-night at 10 o'clock, and will probably be accompanied by Treasurer Adamson and President A. F. Rutter. The following players will go to Montreal to battle with the Shamrocks: Hanley, Dowling, McBride, Gray, Stewart, Lambe, Im. Buerkle, Pringle, Murphy, Taylor, Murray, Greatrix.

Junior Lacrosse League.

The first championship game in the Junior City League will be played on Sunlight Park Saturday afternoon between the Orioles' last year's Junior champions and the Broadviews. The Orioles will pick their team from the following players: Sheppard, Davis, Yeaman, Yeaman, Cox, Woodley, Richards, Galbraith, Hogg, McIntyre, Hale, Stella, Neve, Page. The teams will meet at Ketchum Park at 2.

Football at Hanlan's Point.

The game to-morrow afternoon between the Scots and Little Tories is causing much comment in the local Senior League. The Yorks were last year's Intermediate champions, and their playing a draw with the Gore Vales last Saturday ensures good ability to play in this league. The Scots, however, are well known for their fast and effective defence work, especially that of Scott and Humphrey at back, and Browning, Bradley and Evans on the half-back line. There are many changes in their forward line this season, which materially strengthens their team. The Yorks with such players as Bromlee, Swan and Williamson on the defence, and Gilding, Drummond, Empringham, Toms and Paton on the forward line, may be considered worthy opponents to the veteran Scots. Play is called for 3 o'clock, and as the 13th Battalion band will render selections during the game, an enthusiastic crowd is expected.

100 TO 1 SHOT WON THE RACE

Not at Hamilton, But Hengist, With Landry Up, Turned the Trick at Gravesend.

PASSE PARTOUT'S STEEPLECHASE

Racebud, 25 to 1, Beat Flying Bess at Hamilton—Favorites and Second Choices Won Other Events.

New York, June 6.—The winning of Hengist at 100 to 1 was the feature of the racing at Gravesend to-day. He made the most of the running in the second race, and lasted long enough to win by a head in a hard drive from Bluff. Landry had the mount. Malster was a hot favorite, but he was pocketed in the early part of the race, and was bumped and knocked back at the stretch turn. Winning favorites were again few and far between, only two getting first to the wire. These were Smart Set and Ten Candles, and Shaw had the mount on both, and won easily in each case. Summary:

First race, 5 furlongs—Smart Set, 112 (Shaw), even and 1 to 2, 1; Nugget, 112 (J. Slack), 8 to 1 and 3 to 1, 2; G. Whitter, 112 (Piggott), 4 to 1 and even, 3. Time 1.01 2-5. Cheat Em, Fair Knight, Far Cry, Ivory Bells, James P. Keating, Sunderlands and Calthness also ran.

Second race, about 6 furlongs, selling—Hengist, 104 (Landry), 100 to 1 and 30 to 1, 1; Bluff, 107 (Bullman), 8 to 1 and 3 to 1, 2; Spry, 103 (Shaw), 13 to 5 and even, 3. Time 1.11. Mango, Malster, Carl Kahler, Wayward Boy, Pils Greenwood, Cespedes, Sweepstakes, Connie, and Frank Callahan also ran.

Third race, 1⅛ miles—Ten Candles, 117 (Shaw), 6 to 5 and 1 to 2, 1; Andronicus, 113 (Cochran), 3 to 1 and 4 to 5, 2; Rochester, 108 (Burns), 5 to 1 and 7 to 5, 3. Time 1.53 2-5. Alsike also ran.

Fourth race, the Manhanset Stakes, 5 furlongs—Dolce Far Niente, 115 (Spencer), 6 to 1 and 8 to 5, 1; Jack Demund, 115 (M. Cochran), 6 to 5 and 1 to 3, 2; Sombrero, 115 (Piggott), 9 to 5 and 1 to 2, 3. Time 1.02. Dixie Line and Flywheel also ran.

Fifth race, the Empire State Steeplechase, about 2½ miles—Passe Partout, 147 (Huestonn), 6 to 5 and 1 to 2, 1; George Keene, 133 (Carson), 8 to 1 and 3 to 1, 2; Dr. Eichberg, 152 (Finnegan), 8 to 5 and 3 to 5, 3. Time 4.22 2-5. Redpath, Highlo, Kloralike, Walter Cleary and Westown also ran.

Sixth race, 1 1-16 miles, selling—Nitrate, 91 (Cochran), 5 to 1 and 2 to 1, 1; Oliver Mc, 105 (Bullman), 7 to 2 and 6 to 5, 2; Young Dixon, 108 (Landry), 30 to 1 and 10 to 1, 3. Time 1.48. Marothon, Bondman, Billionaire, Big Gun, Phillippine, Gisl and Fairy Tale also ran.

Racebud Beat Flying Bess.

The favorites were all inside the money on the third day at Hamilton, the Free Lance and Winepress were the only first choices to finish in front. The day was fine, the track good and the attendance about the same as on the preceding day. Racebud was the surprise, landing the first event at 25 to 1.

The Hamilton police made a noble effort to abate the tout nuisance yesterday morning, but the ring seemed to be again alive with the variety in two colors in the afternoon. Why not ask our Inspector Stark to send along one or two of his staff, and then watch the tribe vanish.

Montreal at twos, Miss Lobster at 7 to 5 and Soupreg at 3 to 1 were the well supported second choices to score. The beaten favorites were Flying Bess even money, Lady Berkeley 4 to 5, Pilaster 7 to 5 and Algie M. 6 to 5.

Postel brought Racebud the shortest route, caught Thompson napping and just stayed long enough to win. The favorite gave the public a bad dump. Only a few lucky players were on the long shot.

Free Lance raced up the stretch when ready and won the second easily, place the same. The public cashed two ways on the race.

Lady Berkeley was a false favorite in the long race, the contest for supremacy being between Montreal and Barley Sugar. Form players backed the winner.

Pilaster, the favorite in the fourth race, hustled Miss Lobster for a good finish. Stable support backed the winner down a point. The public was on Pilaster, while a wild rush on Irakuse sent her odds from tens to threes in a jiffy. Transfer rewarded some show players.

In the sixth race Winepress came away the last eighth and won with plenty in reserve. Toddy Ladle outgamed Infelice for the place. The whole bunch were backed one way or the other. Tip Gallant was strongly supported and ran disappointingly.

It was Soupreg and Algie M. all the way for the closing event of the day, the rest nowhere except that The Brother finished alone for the show. Wise money was on the winner, while the public went down with the favorite.

Five races, including the Walker Cup Steeplechase, are on the card for to-day.

"Pop's Poppycock."

Sporting Editor World: I've talked to a number of sporting men re the two decisions at the O.J.C. meeting. "Pop" may be right in saying that because the judges protected the public by declaring bets off in the Red Coat race they should have done the same in the Advance Guard-Moor race, but I do not see it in that light. The sum of the conversations I have had is this: True, the judges should protect the public, but protecting the public can never be construed to mean that every man or set of men united in one interest (say the backers of Advance Guard or of Glenwood) should get a race for their money. If this were done every race would be protested by some backer who felt sore. One of the chances of the game is not getting a race for your money. It is better to have one straight rule that the bets go with the decision of the judges, and everybody knows what to expect. But I've no doubt of this, that the public are with Pop.

JAMES BRAID BEAT HARRY VARDON.

Scotland's Representative Won the Open Golf Championship of Great Britain.

Gullane, Scotland, June 6.—The concluding day's play in the open golf championship started with ideal weather. Yesterday's weeding out process practically left Harry Vardon and James Braid to fight for first place, as they were seven strokes ahead of the next players, Taylor and Laidlay. The spectators, who included some well-known members of Parliament and a few Americans, almost neglected the other matches to watch the two favorites. The bad putting noticeable yesterday was attributed to the spongy greens. Vardon drew with J. H. Taylor, so he had every incentive to play his best.

At the conclusion of the first round Harry Vardon was leading, with a score of 77, Willie Park, Jr., had a score of 78, and J. H. Taylor, the champion, had a score of 79. At the end of the socnd round Harry Vardon and James Braid were leading, with scores of 155. Champion Taylor's score for the two rounds was 162.

Scotland's prospects of winning the championship had not been so bright in many years as when James Braid accomplished the remarkable feat of going round Muirfield links in 74, and completed the third round 5 strokes ahead of Harry Vardon. The latter got bunkered several times, and his play was generally weak. Taylor equalled Braid's capital work of 74. The features of Braid's play were perfect driving and deadly putting. Nearly a thousand spectators followed him, and their enthusiasm was great. The amateur, Hilton, played a fine round for 75, and took the lead of the amateurs.

Braid won with a total of 309. Vardon was second with a total of 312, and Taylor third, with a total of 313.

Lawson's Defender Shows Speed.

Boston, June 6.—The cup defender candidate Independence had her second trial to-day. Yachting conditions were perfect. As on Monday she made very little commotion, but glided seemed to sail along on top of the waves rather than thru them. For eight minutes Captain Haff kept her going to starboard; then, easing off the sheets, he gave the Independence her head. Off to the windward she flew. How fast she was going could not be judged, but she easily dropped the steam craft.

In the trial she met with her first accident, a not very serious jamming of the steering gear, but sufficient to stop the sail after an hour and a half, during which she attained speed on a reach of a little over three miles of 13½ nautical miles an hour. The accident led very unexpectedly to a most thoro test of the yacht's rigging and her big steel mast, thru the sudden gybing without preventer stays being run back to take up the strain.

Early Rugby Talk.

Ottawa, June 6.—Several members of the Ottawa Football Club Executive believe that in the event of their not applying for readmission to the Quebec Rugby Union there may be a possibility of having the Ontario Union divided up and the financial aspect of things made better for Ottawa. It is suggested that instead of having the Ottawa, Granites of Kingston, Argonauts of Toronto and the Hamiltons all in one section, two divisions be made, the Ottawas to play two home and home matches with the Granites, the Argonauts to play two home and home matches with the Hamiltons, and the winners in each division to play off for the Ontario championship. Under this system it would mean that the Ottawas would play twice in Kingston and the Granites play twice here. The points system would decide in the home and home games, avoiding any possibility of ties.

The Strike at Ottawa.

Ottawa, June 6.—Nineteen contractors have signed the union agreement with the striking carpenters, and 140 carpenters are back at work. Bricklayers and masons have laid down tools on several contracts, refusing to work with non-union men. The Building Trods Council, which includes all building trades, except the bricklayers and masons, last night deferred action on the strike till next week. If no settlement is reached by that time, a general strike may be ordered. There is no change in the situation re tinsmiths' and machinists' strike.
