### *IT WAS SEAGRAM'S DAY.*

**Elected to a Place on the O. J. C. Committee—Waterloo Platers Make Fast Trials.**

A meeting of the Executive Committee of the Ontario Jockey Club was held yesterday, when Mr. J. E. Seagram, M.P., was elected to the vacancy in the board caused by the death of Senator Ferguson. One hundred new members have been added, and after to-day new ones will be taken in on the old terms.

Secretary Ogden believes there will be some additional entries to the Queen's Plate, but as yet none have reached the O.J.C. office. Owners have until to-night to mail entries. The others races to close to-day are: Red Coat Races Nos. 1 and 2, Ontario Plate, Woodstock Plate, Street Railway Steeplechase, Dominion Handicap.

Bon Ino and Ferdinand of the Waterloo Queen's Plate candidates were tried out at Woodbine Park yesterday morning, and did the mile in about 1.49. This is the best work heretofore this spring and makes the Seagram Stable look like a good thing again for Her Majesty's colors, notwithstanding the rosy reports from Windsor about the fast work of the Wicker. Mr. Seagram was present himself and saw the trials, and altogether it was a big day for him. Joe Miller paced Ferdinand, Dalmoor and The Tar for the first attempt. Miller finished first in 1.49 4-5. Ferdinand stuck to the outside and one enthusiastic railbird believed the chestnut went all of 1 1-16 miles, and besides he finished well in hand. Next Charlie Boyle brought out Bon Ino. Mussulman, Downright and Abbotsford, and they went around in 1.49 flat, the plater in the lead. Mussulman pulled up lame and in very bad shape.

A large crowd saw the trials, and now they say Leading Lady and Wicker will not be in it when the noted race is over.

Some of the other horses were sent along at an easy gait. Charlie Gates gave Revolver and Maud Cooper useful exercise. Vicar of Wakefield and W. B. breezed six furlongs in 1.20. John Nixon's King's County and Boston went three quarters in 1.27 and Hi Ban Villette a quarter in 25½. The Sage galloped six furlongs at a two-minute clip.

In the afternoon Patrol, who has rejoined the Seagram string, galloped the mile in 1.50, while Halfling, Connoisseur, Princess Flavia and Tragedian went the distance at a two-minute clip.

Trainer Tim Gaynor will arrive here today from London with Mr. Adam Beck's lot of thoroughbreds. The string consists of eight horses. They have wintered at Washington, and are as follows: Distant Shot, Snapshot, Straystep, Wadsworth, Barometer, South Africa, Generosity and the 2-year-old Killcourt, by Cortes, out of Kitestring, winner of the Queen's Plate in '89. Gaynor will start the horses at worn at once.

F. L. Fellowes let the contract yesterday to J. Phillips for painting the new stand at the Woodbine.

# LAVIGNE STILL CHAMPION.

## Connelly Beaten for Light Weight Honors.

## BATTLE LASTED 11 ROUNDS.

### Five Knock-Downs and Choynski Threw Up the Sponge.

**The Saginaw Kid Was Favorite in the Betting at 2 to 1 On—Match Was for 25 Rounds and 3,600 People Saw the Contest in the Broadway Athletic Club, New York.**

New York, April 30.—George A. (Kid) Lavigne of Saginaw, Mich., is still the lightweight champion of the world. To-night in the Broadway Athletic Club, before 3000 people, he met and defeated Eddie Connelly of St. John, N.B. Both men weighed in this afternoon below the stipulated weight of 133 pounds, and they were matched to box 25 rounds to decide the world's championship.

The battle was fast and furious, but at the end of the 11th round Lavigne had Connelly fought to a standstill, after sending him down five times in succession with right swings on the head and jaw. Connelly gained a host of friends by his gameness in getting to his feet in a couple of seconds each time, but these efforts were unavailing, and he staggered into his corner at the end of the 11th round hopelessly beaten. Joe Choynski, who was Connelly's principal handler, saw that the fight was over so far as the Canadian was concerned, and would not permit Connelly to subject himself to any more punishment. Referee Roche had no alternative but to award the winning honors to Lavigne, which the Saginaw man earned cleverly.

The betting was 2 to 1 in favor of Lavigne, and a good deal of money changed hands.

Lavigne's seconds were Sam Fitzpatrick, Benny Murphy, Jim Ryan and Tony Track, while Connelly was handled by Joe Choynski, Jimmy Kelly, Dick Moore and Billy Smith.

In the preliminaries George Ryan, the Milwaukee welterweight, knocked out Louis Beckwith, a negro of Cleveland, in the 8th round. Beckwith was to have met George Biers, negro, of Boston, but Biers had an injured hand.

### *THE C. A. A. O. REGATTA.*

**Date Fixed for August 6 and 7, But the Place Not Yet Decided Upon.**

George H. Gooderham presided at the Executive Committee meeting of the Canadian Association of Amateur Oarsmen last night at the Queen's. There were present besides T T Gallagher, A Boyd, W W Osborne, W C Jenkins, S P Grant and W A Littlejohn, the popular secretary.

The Brockville Club explained by letter their position in connection with a professional. Junction Joe Clark was the victim. He left the amateur ranks unwittingly, and when he was declared a pro. promptly resigned from the club, and his case is now before the A.A.A. of Canada. The explanation was satisfactory.

Eastern oarsmen have asked the C.A.A.O. if a junior winner in a working boat is a senior sculler. A committee was appointed to define a working boat, and report on the question at the next meeting, May 22.

A discussion took place on the advisability of introducing races with turns, but it was decided to stick to the old straightaway course.

It was decided to hold the annual regatta Aug. 6 and 7 at a place to be decided later on, and in the meantime the secretary was instructed to make overtures to some likely places.
