TESTING HIS HONESTY.

Your druggist is honest if when you ask him for a bottle of Scott's Emulsion he gives you just what you ask for. He knows this is the best form in which to take Cod Liver Oil.

SEVERE DIARRHŒA CURED.

Gentlemen,—I was troubled with chronic diarrhœa for over three years and received no benefit from all the medicine I tried. I was unable to work from two to four days every week. Hearing of Dr. Fowler's Extract of Wild Strawberry I began to use it. Am now alright.

GIVES GOOD APPETITE.

Gentlemen,—I think your valuable medicine cannot be equalled because of the benefit I derived from it. After suffering from headache and loss of appetite for nearly three years I tried B. B. B. with great success. It gave me relief at once, and I now enjoy good health.

NOW WELL AND STRONG.

Sirs,—It is my privilege to recommend B. B. B. For two years I was nearly crippled with an inflammatory disorder of the kidneys from which six bottles of B. B. B. entirely freed me. I am now well and strong, and gladly recommend the B. B. B. which cured me after I had almost given up hope.

WORTH READING.

Mr. Wm. McNee, of St. Ives, Ont., had eleven terrible running sores and was not expected to recover, all treatments having failed. Six bottles of Burdock Blood Bitters completely restored him to health. Druggist Sanderson, of St. Mary's, Ont., certifies to these facts.

LOOKED LIKE A SKELETON.

Gentlemen,—Last summer my baby was so bad with summer complaint that he looked like a skeleton. Although I had not much faith in it, I took a friend's advice and tried Dr. Fowler's Extract of Wild Strawberry. He soon got better. I truly believe it saved his life.

FACTS ABOUT DYSPEPSIA.

Wrong action of the stomach and liver occasions dyspepsia. Dyspepsia in turn gives rise to bad blood. Both these complaints are curable by B. B. B., which acts on the stomach, liver, bowels and blood, and tones and strengthens the entire system, thus positively curing dyspepsia, constipation, bad blood and similar troubles.

Satan, of course, never makes an assignment. If he should make one, the accounts of it would doubtless wind up with the statement; "Creditors will be paid in full."

JAMES MCCARTNEY, Springfield, K. C. N. B., says: For over 3 months I was confined to the house with complete nervous prostration, the result of a heavy cold contracted in the fall. I was very feeble, and so nervous I could not sleep. I had no desire for food, and what I ate gave me great distress. I had severe pains in the head, back and side. Nothing appeared to help me, and the doctor gave me up as a hopeless case. I at length went to St. John to enter the hospital, as a last resort; but was advised to try Hawker's Nerve and Stomach Tonic and Liver Pill, which, I am thankful to say, soon restored me to perfect health and strength.
