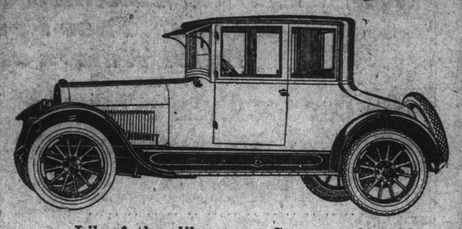
Buick Buick



Like father like son. So goes the old saying.

Everyone knows the Buick Six—its reliability, its economy, its general proven worthiness. Wherever motor-car owners gather it has always been the subject of sincere praises.

The Buick Four has now arrived, and it is a fitting descendant of a long family of illustrious ancestors.

Containing as it does the famous Buick qualities of reliability, economy of operation and long life, at its low price the new Four offers the most remarkable of motor-car values.

We have the 1922 six cylinder and four cylinder models in stock.
