BRANT.

Ald. Thos. Elliott, Brantford, has definitely announced his intention of opposing Dr. Secord, the present incumbent, for the mayor's chair in the approaching elections.

John Ferris, one of the employes of the Waterous Engine Works, Brantford, was badly crushed by a piece of heavy machinery falling on him Saturday morning. His leg was broken, and he was otherwise seriously injured.

Dr. Higinbotham, Brantford, was reading in his study on Friday evening, when he upset the lamp, setting fire to the carpets and curtains and scorching the piano. The brigade was called out.

C. H. Creighton and D. J. Kenyon, foreman and assistant foreman respectively of the Leamington Post, have formed a partnership and purchased the Paris Review.

BRUCE.

Lieut.-Col. Aylmer, who inspected the arms and accoutrements of No. 2 Company at Kincardine last week, was highly pleased with their state, and says that if other officers commanding companies took as good care of the company's stores as does Capt. Lascombe, there would be no room to find fault.

Joseph Cressey, Teeswater, had his leg badly broken by a runaway at Wingham Saturday.

ESSEX.

A Sabbath school has been organized in connection with the English Church at Tilbury Center.

The Hendries, of Detroit street railway, and who also own the St. Thomas street line, are negotiating for the purchase of the Sandwich, Windsor and Amherstburg electric road. It is said they offer $107,500 for it.

The Leamington Business Men's Association have elected the following officers: President, G. F. Cronk; vice-president, James S. Greenhill; secretary, James Fell; treasurer, G. W. Jackson; directors, Thos. Fuller, W. F. McKenzie, P. Phillips, Wm. Smith, F. E. Scherer and J. A. McDonnel.

ELGIN.

George Brown, Port Stanley, has purchased Wm. Cudney's half interest in the fishery at Port Burwell. Mrs. E. J. Treble, of Buffalo, owns the balance.

William Wells, an old resident of St. Thomas, died Saturday in his 66th year.

John Gordon, farmer, Southwold station, died Saturday, aged 51. He had resided in that neighborhood from childhood.

Complimentary banquets were tendered at Aylmer on Friday night to John Marlatt and John Hodge and wife. The first-named was "caned" with a gold-headed stick, and the two latter each received a beautiful Bible.

Joseph Baldwin, Port Stanley, had a narrow escape from losing his right hand while placing a block under the reverse gear of his threshing engine as he was threshing clover seed for Jas. Watson, Talbot street. The leather mitten caught, and pulled his hand in so that two fingers of his right hand were lacerated in a frightful manner. Only by main strength did he extricate his hand.

The other day Josiah Long, while driving in Yarmouth, found a large eagle struggling to free itself from a barb wire fence in which it had become entangled. He killed the bird.

GREY.

Ven. Archdeacon Mulholland has tendered his resignation as rector of St. George's Church, Owen Sound, and will preach his final sermon on Christmas Day. The venerable clergyman began his official duties in connection with St. George's congregation on Oct. 9, 1849, which has continued uninterruptedly until the present—a period of 43 years. Few men are permitted so great a length of service in one locality. Failing health has made the resignation discretionary. A request has been forwarded to the bishop to permit Rev. John Rees, who has been officiating for the past few weeks, to remain for a time at least.

Robert Lee, near Shelburne, was badly crushed while moving a building on Thursday. The building was on jacks standing on frozen ground, and Mr. Lee was under the building fixing a roller, when the jack broke through and let the building down.

HURON.

James McAlpine, for twenty years a resident of Wingham, was tendered an oyster supper there the other evening on the occasion of his leaving for Brussels to reside.

J. T. Balfour, Varna, has been appointed head teacher in Sandwich public school at a salary of $550 a year, with a staff of five assistants.

Ill feeling existing between Jonathan and Richard Fritzley, two brothers engaged in McEwen's salt works, Goderich, culminated in a somewhat serious manner the other evening. After some words, while at work, Jonathan, it is said, threatened to strike Richard with an iron crowbar, and the latter, seizing an axe handle, struck the former on the head, fracturing his skull.

LAMBTON.

Sixteen years ago the Toronto Shooting and Fishing Club leased from the Walpole Island Indians for a term of years 36,000 acres of marsh land, to be used as a game preserve. At the end of the ten years the club released the land from the Government direct, ignoring the rights of the Indians. When the latter attempted to shoot on their former preserve they were driven off. They objected to this unfair treatment, and will go to law about the matter.

There was a great race between the Monarch and Empire on the last trip down. Both boats left the Soo Wednesday about the same time, the Empire getting the lead by about twenty minutes. The race was a tight one, but about 4 o'clock on Thursday morning the Monarch passed the Empire and reached Sarnia at 5:15 a.m., about 40 minutes ahead of her sister boat. The Monarch's time from the Soo was 16 hours and 35 minutes, the fastest time she has yet made. The Nimick, Northern King and Northern Queen also left the Soo at the same time as the Beatty boats, but were beaten by both the latter.

MIDDLESEX.

John Gordon, Delaware township, near Southwold station, died on Saturday, aged 51 years and 6 months. He leaves three of a family, Duncan, Margret and Tena, all at home. His wife died four years ago. He had resided in the neighborhood since he was 2 years of age, when he came from Scotland with his parents, who now reside at Fingal.

Miss Cloney, of the Glencoe High School teaching staff, has been called home to St. Catharines on account of illness in her family.

Mrs. Archibald Campbell, an old resident of the township of Caradoc, died in Strathroy on Thursday evening. The deceased lady was born in Scotland in 1817, and was therefore 75 years old. She came to Canada when a young woman with her brothers and sisters and settled in Adelaide township. She was married about 1845 and lived nearly 47 years on the farm two and a half miles north of Mount Brydges. Nearly four years ago she came to Strathroy, where she has since lived. Six weeks ago she was severely injured by a fall, and complications followed, from which death resulted. Mrs. Campbell leaves a husband and three sons—Neil, of La Grange, Indiana; John, of Winnipeg, Man., and Daniel, of Chatham. There are also three daughters—Mrs. Scott, of Indiana, and two who are unmarried, living at home. Two sons died several years ago. Fifteen years since Mrs. Campbell united with the Baptist Church in Mount Brydges. The funeral service was held on Sunday at 3 p.m. in the Baptist Church, Strathroy. Rev. John Morrison, pastor of the Frank Street Methodist Church, conducted the opening exercises, and Rev. P. K. Dayfoot, pastor of the Baptist Church, preached the sermon. The remains were interred in the Strathroy cemetery.

On Sunday morning about 2 o'clock, a fire was discovered on Frank street, Strathroy, in a building owned by E. Rowland, banker, and occupied by G. Guatin as a livery stable. The cause of the fire is not known. Four horses and three conveyances were burned, and the building badly damaged inside. Insurance on contents, $2,000; loss on building, $1,500; insurance, $1,000.

Rev. F. K. Newton, of Bayfield, newly appointed rector of Strathroy, began his pastorate on Sunday.

WELLINGTON.

Mrs. Grant, Guelph, had a narrow escape from asphyxiation Saturday. In removing a kettle from the coal stove she left the lid off, and she was found by her brother in a somewhat critical condition. Help was soon at hand, and she is now doing nicely.

Wm. Parker, Guelph, aged 87 years, fell Friday, breaking his hip bone.

WATERLOO.

Mrs. Cuddy, who was married at Galt about a year ago and left with her husband for Minnesota, is dead.

The appointment of Rev. Dr. Griffin, Galt, as treasurer of the superannuation and general conference fund, will necessitate the reverend gentleman's removal to Toronto.

THE DUNLOP LIQUOR CURE.

What the Remedy Is Designed to Do.

(From Toronto Globe.)

Only those who are abroad and mix with the general public can fully realize how widespread is the interest manifested in the Dunlop method of redeeming those who have fallen victims to the liquor or opium habits. During the past few weeks a representative of the Globe has taken the opportunity of interviewing a number of those who have taken the treatment, or been instrumental in helping others to do so, at the Woodstock institution, and the consensus of opinion is that the cures already effected are simply marvelous. No miracle is professed to have been wrought, but men and women are freed from the thraldom of a taste for liquor—in fact they cannot drink. By this means manhood is restored, and solid ground is given for the exercise of will power and wiser judgment in the future. And this opens a field for the truest philanthropy in the way of advice and financial aid, if need be, to sufferers from intemperance. One of the worst cases, in some respects, and most hopeful in others, now under treatment at Woodstock is a man who was a complete wreck, who was helped by sympathizing friends. The promoters do not claim to place impossible barriers against a man or women again persisting in acquiring new habits of dissipation, but it is safe to conclude that only a very small percentage will willingly return to the depths of degradation from which they have been rescued. And herein lies the inestimable value to humanity of the Dunlop cure. b
