OVER TWENTY-ONE MILLIONS IN HARD CASH

That the Merchants Bank of Canada (statement in another column) does not intend to be taken unawares, is amply proven by the figures of their statement which shows a balance on hand in coin, government notes, and cheques of other banks of over $21,000,000.

The so-called quick assets are in 1915 over $7,000,000 in excess of the 1914 figures, the increase being equal to about 68 per cent.

Naturally it has been impossible under these circumstances to equal the profit of previous years, yet, despite the large amounts donated to the various national war funds and the bank's share of direct war taxation, a profit of almost exactly $1,000,000 is shown (995,481), being about 7 per cent. on the combined capital and rest.

The shareholders have thus been able to realize their usual dividends and the reserve still stands at $7,000,000 with a balance of $245,000 to the right side of profit and loss.

Shareholders will now understand as perhaps they never have done before the banker's wisdom of accumulating a large reserve which alone permits our financial institutions, despite the curtailment in the general business to maintain their dividends, while at the same time establishing a standard of safety which reflects itself in the increased amount of the interest bearing deposits;—these standing now at $50,000,000 as against $46,000,000 last year.

Taken altogether the statement is one which must very much please both the bank's shareholders and its customers, and the management is entitled to congratulations on the showing made.

Book For Men, Free

8,000 Words, 80 Illustrations

TO MY READERS:

Of the little illustrated advice book described below, which I gladly send free to all men who fill in the coupon, I beg to say that it represents the very BEST information of a private nature which I am able to offer you as a result of over 20 years' observation and study of my subject, during which time I have personally interviewed many thousands of men, young and elderly, single and married, rich and poor alike, who came to me in confidence with their confessions of debility, lost nerve force and failing strength.

It is, reader, this vast and unusual opportunity which has enabled me to compile this very popular and valuable little free book (over a million of which have been sent everywhere to men who wrote me for them), and in a manner to reflect the exact living, breathing experiences and needs of real men who sought information as to the newer ways of self treatment without the use of drugs.

Remember, this book of over 8,000 words and 80 illustrations will come to you by return mail in reply to your request, and in a perfectly plain, sealed envelope, for it is no one's business but your own what the envelope contains. There is absolutely no obligation on your part to buy anything or pay anything, and merely the receipt of this book does not mean in any way that you are to use one of my VITALIZERS (see description below) and, in fact, only a portion of the book has any reference to the VITALIZER at all. Primarily it is a compendium of useful information for private reference, which you and all other men may easily profit by through life.

Therefore, please use the coupon, or, if nearby, I should be very glad to have you call.

SANDEN, AUTHOR.

It is a fact, reader, which you and I must recognise and admit, that the whole world admires and is fascinated by strong, vigorous, husky, manly, manhood, and we must also admit that it is this same manhood and this alone which is back of the real leaders and producers in every walk of life. No matter where we go, we find it to be the manly, vigorous, vital fellow who forges to the front, who fascinates men and women of this community, who does the really great things. An unmanly man merely means nature's laws gone wrong, for it is he who halts and hesitates, who takes the back seat, who does not fit into the picture in a way that a manly, vital nature should. And yet, reader, it is my firm belief that any man, no matter what his past, no matter what dissipations or follies may have left their mark upon his physical and mental being, I say to you that such a man, unless there be some unusual reason, may hope for a complete return of his strength, vigor and self-confidence, if he but go about his self-restoration in a natural, commonsense way.

Manly Men Move the Whole World.

I make a little appliance which we will call a VITALIZER, because I think that is the best word to describe its strange power. I don't want you to think of getting one of these VITALIZERS just now, but I would like you to investigate my claims as to what I believe can be accomplished by almost any weakened man who uses this VITALIZER faithfully for a few weeks. I speak, of course, of him who is willing to give up dissipation and lead a decent, conservative life, not only while using the VITALIZER, but for the future. The other kind of man, the dissipated, can hope for nothing from any treatment, no matter what it may be, hence such a man is eliminated from my consideration.

This little VITALIZER is made to wear upon the body all night. It weighs only several ounces and is no more unhandy than an ordinary belt, yet it generates a great FORCE that I call VIGOR, which flows into your blood organs and nerves while you sleep. Men say it often takes any pain or weakness out of the back in one application, and that 60 to 90 days' use has been sufficient to restore manly strength and to put men in the "never felt better in my life" class. Special attachments carry the FORCE of the VITALIZER to any part of the body, for the use of women as well as men in cases of rheumatism, kidney, liver, stomach, bladder disorders, etc.

Over two hundred thousand of these VITALIZERS have been used or are now being used by men all over the world.

You had better learn more of the VITALIZER. It is fully described in my free book. If you live near me, why not call and test the VITALIZER yourself.

WHAT THE FREE BOOK TELLS

The free illustrated advice booklet mentioned above is meant to be a simple declaration of certain important truths that every man in the world should know. The day has gone by when men are kept in ignorance of the real problems pertaining to these private subjects, and this illustrated advice booklet, which I send to men sealed, by mail, gives certain important facts relating to sex, just as these facts are. The booklet also fully describes my VITALIZER and you are told how you may get one for your own use if you decide that you want one. Please use coupon below, or call. Hours 9 to 6.

NERVE-RACKED CHILDREN

Made Bright and Well by Dr. Cassell's Tablets.

Used to Scream Terribly for no reason whatever

Just a bundle of Nerves

Weak, Wasting away, and Digestive Troubles.

Thought she could never recover

Now cured and happy through DR. CASSELL'S TABLETS.

Canadian mothers of little weak or nervous children should read this testimony to Dr. Cassell's Tablets, given out of simple gratitude by Mrs. Worrall, 32 Alt-street, Liverpool, England. They will then see what a valuable health-builder they have in this great remedy.

Mrs. Worrall says:—"Dr. Cassell's Tablets have quite cured my little girl, Gladys, of extreme nervousness and digestive troubles, and I think it only right you should publish the story for the benefit of other mothers whose children may be delicate.

"Gladys began to ail when she was only two years old, and steadily grew worse, though we did all we could think of to get her well. She was very peevish, and cried dreadfully. Sometimes she would scream for no reason at all that we could discover, and nothing would pacify her. She was just a little bundle of nerves. Her appetite was very poor, and naturally she got quite thin and weak, and her little cheeks fell in dreadfully. Indeed, she hardly ate anything, and seemed just wasting away. We tried a lot of different things that did no good at all. Then we had advice and treatment for Gladys, but that, too, was of very little use. We were told she was suffering from nervous breakdown and enlarged liver. After that we took her to an institution, where for nine months she was treated as an out-patient. Perhaps she was a little better for a time, but was soon as ill as ever. Next we took her to Ireland for three months, and that seemed to help her. But almost at once she relapsed into the old weak state.

"For four years this had gone on, and the child was as far from health as ever.

Gladys Worrall.

In fact, she was so ill that we thought she could never recover. One day, however, I was advised to give her Dr. Cassell's Tablets, and then, what an improvement! The child became stronger and not nearly so nervous. Her appetite returned, she brightened up wonderfully and rapidly put on flesh. Now, in her seventh year, she is completely cured. She goes to school, and is just as well and happy as any child could be."

Save the children. Do not let them suffer when the remedy that has saved life in cases unnumbered is ready to your hand in Dr. Cassell's Tablets. This great medicine for the people has been most successful in the treatment of weakness and wasting, whether in old or young.

WASTED TO A SKELETON.

"Nerves" and Bowel Trouble.

Mrs. Lewis, of 14 Lyon-street, Vernon-street, Bolton, Lancs., England, says: "Dr. Cassell's Tablets saved my baby's life when he had been given up, and I was just waiting for the end. He was a fine baby when born, but very soon he

Baby Lewis.

was taken with bowel weakness, and began to waste away. The food he had either returned or set up severe diarrhoea, which caused the poor little thing terrible pain. He cried a lot, and his sleep was very disturbed. He would wake up suddenly with violent attacks of sickness, and evidently in great pain, and I was at my wits' end to know what to do. Poor baby had wasted until he was only a frame of bones, and he looked almost as though he would fall to pieces, he was so appallingly thin. We could count every rib, every bone of his backbone.

"Of course, I tried everything I could think of, and also took baby to an institution, but no sort of treatment did any good at all. By this time he was so far spent that we were waiting for the end. Once I was told that he could not live till Monday—that was on a Saturday. But in the end we got Dr. Cassell's Tablets, and the improvement was immediate. The diarrhoea and sickness ceased, and from that time my child never looked back. Now, at thirteen months, he is a fine, big healthy baby. He has cut five teeth, and is just a picture of health."
