"Too much cannot be said in praise of it, and those who fail to read it will suffer a serious loss. Possesses a deep interest on every page."—*The Churchman.*

"This is every way a remarkable work, worthy of the thoughtful study of all who are interested in the great question now pending as to the relations of natural science to revealed religion. . . . A mine of practical and suggestive illustrations."—*Living Church.*

"This book is a defence of doctrines of the Faith from a standpoint so new that it will make a new departure in apologetics."—*New York Herald.*

## UNFERMENTED WINE,

Prepared for Sacramental and Dietetic use by

F. WRIGHT, MANUFACTURING CHEMIST.

KENSINGTON HIGH STREET, LONDON, W.

"This WINE is guaranteed to be the juice of the finest grapes of the Cote d'or, Andalusia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years' continous sale in every climate, and is now used in upwards of 1500 Churches of all denominations. The mode of manufacture is a slight modification of a well-known ancient practice, and effectually preserves the grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and fever, in which the stomach is too weak to digest other food. Children suffering from febrile ailments drink it with avidity, even when all other food has been refused.

JOHN M. HODGES, ESQ., M.D., F.C.S.,
*Public Analyst for Antrim County and Belfast Borough.*

"I have chemically examined the bottle of Wright's Unfermented Wine (taken by my son from the stock held by Mr. Wright's Belfast Agent), and find that it is free from alcohol, and contains the constitutents of grape juice. When mixed with water it will prove an agreeable beverage."

FROM REV. JOHN BURWASH,
*Formerly Professor at Mount Allison Wesleyan College, Sackville, N.B.*

Sackville, May 23rd, 1882.

"I have just finished the analysis of the Wine sent. It is necessarily a slow process, some of the steeps taking two days. This Wine contains NO ALCOHOL, nor any deleterious ingredient. * * * It can be relied on as wholesome, not having any intoxicating properties. * * * ."

## STOP AND THINK

before you buy all the extensively advertised nostrums of the day which have made no genuine cures, and have nothing to commend them to the public, but false praise from the vendors, who instead of manufacturing an article of worth, which would cost money, give to agents immense profits to ensure their sale, and the sick who have been induced to try them, only find out when too late that they are really no better, and often worse than before using them, then in the meantime the proprietors have

CAREFULLY

laid away a fortune, and in a short time the very name ceases to be seen or heard.

Gates' Life of Man Bitters may be relied on as a medicine of great merit, and has made some of the most remarkable cures ever known, and has never been introduced into any locality where it has not given evidence of great value to the suffering sick. Hundreds of cures have been made in the provinces with this medicine in connection with the Invigorating Syrup, and hundreds of certificates from good citizens, and the clergy, many of which are on oath, can not fail to convince the most sceptical of their great curative properties.

DON'T BE DECEIVED

use the medicines that has been tested for over forty years, and will certainly cure you. So positive are we of their power to cure, that we offer to pay $1000 for a case they will not cure or help. Ask $1 for a false statement made by us of any certificate of cure, testimonial, or recommendation published. Sold everywhere at 50 cents per bottle, 12 bottles for $5 50. Made entirely in Gates, North Middleton, N.S.
