If a man could walk day and night without resting he could make a journey around the earth in 123 days.

# The Japanese Lead the Van

## On Sunday They Were Twelve Miles From Pekin.

### Unconfirmed Reports Say the Allied Army Forced an Entrance to the Capital and Rescued the Envoys—Presbyterian Missionaries Slain.

Tokio, Tuesday, Aug. 14.—A semi-official dispatch from Tung Chow (Tung Chau), dated Aug. 12, says: "The Japanese troops occupied Fung Chow today. We are now ten miles from Pekin. The Chinese seem to have retreated towards Pekin. Last night a quantity of arms and a granary, with great stores of rice, were captured."

SHANGHAI SENDS BAD NEWS.

Shanghai, Aug. 15.—Rinderpest is prevalent among the cattle shipped from Shanghai for Che Foo for the British troops. The shipments have been stopped.

The consuls will meet today. The landing of the British troops is not objected to by the representatives of other nations; but the latter have declared they will adopt the same course. To this the British have objected, and have threatened to withdraw the troops which are now ready to land.

THERE ON MONDAY.

New York, Aug. 16.—"I learn from a thoroughly trustworthy Chinese source that the army of the allies reached Pekin on Monday," says the Che Foo correspondent of the Journal and Advertiser, in a cablegram dated Tuesday last. "I have every reason to believe that the army forced an entrance and that the envoys and their friends are probably now safe with the Christian army."

London, Aug. 16—3:50 a.m.—"The allies are reported to have reached Pekin Monday," says the Shanghai correspondent of the Daily Express, writing yesterday. He adds Chinese official news confirms this statement, but without details. A Paris message repeats this, but the statement, especially as it emanates from Shanghai, must be accepted with considerable reserve.

Other London morning papers, basing their remarks upon Washington dispatches, which, with the exception of the foregoing from Shanghai, form the latest news regarding the advance, are divided in opinion, some believing that the allies must already have reached Pekin, and others preferring to believe that the relief will not be accomplished until the end of the week.

A Daily News correspondent says: "Sir Alfred Gazelle hopes to keep the enemy running and to follow him right into Pekin."

WITHOUT A SHOT.

Ngan Ping was occupied without firing a shot, according to a dispatch to the Daily Express from that place, dated Aug. 11. "It is believed," the message adds, "that Gens. Tung Fuh Siang Ma and Chung are entrenching, 4,000 strong, at Tung Chau. The allies may avoid Tung Chau, pursuing the route northwest from Chang Kia Wan. Tung Chau appears to be about 12 miles from Pekin."

A dispatch to the same paper from Shanghai, dated yesterday, says that the officials profess to be willing to hand over the foreign ministers, their families and servants, but will not permit the departure of native Christians.

EMBARRASSING.

"The Russian government," continues this telegram, "has notified Li Hung Chang of its willingness to receive M. de Giers outside the walls of Pekin, thus avoiding the entrance of the Russian forces." This independent action is calculated to embarrass the allies seriously. Japan demands that Gen. Yung Lu shall meet the allies outside the city gates and deliver the ministers and all the native Christians.

The Times has the following dispatch from Shanghai: The viceroy has withdrawn his opposition to the landing of British troops on condition that this does not entail the presence of other forces, but instructions have been received from the British government that disembarkation is to await further orders. The public, official and unofficial, is unanimously of the opinion that withdrawal at this stage would be deplorable, and would produce the worst results.

SLAUGHTER OF MISSIONARIES.

Boston, Aug. 15.—The American board of commissioners for foreign missions today received a cablegram dated Aug. 13, from Consul Fowler at Che Foo, in which he says that a messenger sent to Pao Ting Fu has returned, and reports that the Presbyterian missionaries were killed June 30, and the Congregational and China inland missionaries July 1. The missionaries of the American board stationed at Pao Ting Fu were Rev. Horace T. Pitkin, Miss Mary S. Morrill and Miss Annie A. Gould, both of Portland, Me. The character of the messenger sent to Pao Ting Fu is wholly unknown to the officers of the board, but the message indicates that Consul-General Fowler and Rev. Dr. Henry Porter credit the report.

## More Satisfactory.

BRITISH GOVERNMENT'S VIEW.

London, Aug. 15.—Mr. Wm. St. John Brodrick, under secretary of state for foreign affairs, speaking this evening at a Primrose League fete, said the government was not without hope that the legations in Pekin would shortly be relieved. He added that the government considered the situation more satisfactory than it was a few days ago. Referring to the landing of British troops at Shanghai, Mr. Brodrick said the government was prepared to land forces if necessary for the protection of British lives and interests, adding significantly: "We all know that we are determined to risk everything and to put forward all our strength and resolution before allowing British interests to go down in any part of the world." The appointment of Field Marshall Count Waldersee, Mr. Brodrick said, was welcome, and he expressed the hope that it would strengthen the ties between England and Germany. Discussing the general situation in China, he declared that there was every reason to hope that the viceroys in the Yang Tse Valley would sincerely throw their influence against insurrection.

BELATED DISPATCH.

Washington, Aug. 16.—The Chinese minister this morning received a belated cable dispatch from Minister Conger, in the American cipher. The department also has received an appeal from Li Hung Chang, the Chinese peace envoy, to have the allied army stop their advance at Tung Chow, at which place, he says, they will be met by high officials of the Chinese Government, and the legationers turned over to them.

BITS OF CHINA.

The newspapers of Berlin announce that France has accepted Field Marshal Count Von Waldersee as commander-in-chief of the allied forces in China.

The Official Messenger (St. Petersburg) declares that, although the czar accepted Emperor William's proposal to appoint Field Marshal Count Von Waldersee to the command of the allied forces the czar has not the slightest intention of receding from the political programme.

The German Government now admits that the advance upon Pekin is well under way, having received official confirmatory dispatches today. The foreign office is greatly astonished at the rapid advance of the international troops.

SOUTH ONTARIO ELECTION TRIAL

Toronto, Aug. 16.—The examination of the Hon. John Dryden, in the South Ontario election case, which had been fixed before a special commission at Osgoode Hall for yesterday, has been adjourned till tomorrow afternoon at 2 o'clock.

A VICTIM OF THE HEAT.

Toronto, Aug.16.—Richard O'Donohoe, of 80 Colborne street, who was prostrated by heat on Saturday last, died yesterday at 12:30 o'clock at St. Michael's Hospital. O'Donohoe was working at the St. Lawrence market at about 4 o'clock on Saturday and fell unconscious. He recovered consciousness and rallied somewhat, but soon began to sink again. O'Donohoe was a widower, 58 years of age.

# LIBERALS OF WEST LAMBTON

### Nominate Dr. Johnston as Their Standard Bearer.

**Big Liberal Convention at Sarnia—The Speakers—Hon. Wm. Paterson on the Growing Time—The Liberal Platform.**

Sarnia, Aug. 15. — The Liberals of West Lambton today tendered to Dr. T. G. Johnston, who for the past two years has so ably represented them in the Dominion Parliament, a hearty unanimous nomination as their candidate in the coming election. The doctor's name was the only one submitted to the convention, and its reception could not have been more hearty. Hon. Wm. Paterson, minister of customs, Mr. John Fraser, M.P., H. J. Pettypiece, M.P.P., and the candidate made brief but forcible speeches to the delegates present.

Dr. Johnston's nomination was moved by Mr. Montague Smith, of Forest, and seconded by Mr. John McFarlane, of Sarnia township.

Mr. Smith said that it afforded him great pleasure, as a citizen of Forest, and an elector of West Lambton, to nominate the doctor, who had represented the riding in parliament for two years, and had proved himself to be a faithful guardian of the public interests and the interests of his constituents.

THE CANDIDATE'S SPEECH.

After a wait of four or five minutes Dr. Johnston was conducted into the hall by his mover and seconder, accompanied by Hon. Wm. Paterson and Mr. John Fraser, M.P., amidst enthusiastic applause. The nomination was tendered to the doctor by Mr. Joseph Cairns, the chairman, amidst renewed applause. Dr. Johnston assured the electors that he esteemed it an honor to be again selected as the candidate. Looking back on the record of our country for the last fifteen or twenty years, every one conversant with the affairs knew the condition of depression that existed. Since the advent of the Liberal party to power everything had changed in that respect. From being looked upon as a second-rate colony, as an incubus rather than anything else to the British empire, we now occupied a very brilliant position, and were looked upon as first in the colonies that surround Great Britain. This, he need hardly say, was due entirely to the policy of the Liberal Government, and to the leader whom they were all glad to follow today. In that leader, Sir Wilfrid Laurier—(cheers)—we had a man whom we might well be proud to follow. Through public and private life he had proved himself above reproach, and his one aim had been to make Canada a united nation, and one of which much more would be heard in a very few years. He had proved himself in everything a man of capacity. Under the Liberal Government the trade had increased from a comparatively small amount to over $1,000,000 a day, and there had been no increase of taxation, and in no way had our national honor been sacrificed. In the administration of the departments there had been great improvement. He pointed to the wise administration of the Intercolonial Railway by Hon. Mr. Blair, which had converted a deficit into a substantial surplus, and of the postoffice department by Hon. Mr. Mulock, in which department a large deficit would this year be converted into a surplus. Mr. Mulock had accomplished this, notwithstanding the reduction in postage, which entailed a heavy financial difficulty. In the financial administration of the country the conditions were equally satisfactory, and this year we would

(Continued on page 5.)
