Grain and Produce.

Flour is about the same as reported yesterday, with no change of any account, although sales are somewhat better to-day, and there is more enquiry reported. Barley is moving a little more freely, but holders expect a little higher prices and are not pressing the market.

On call at the Board of Trade to-day buyers refused to go above $1 for wheat, bidding that sum for No. 2 spring and No. 2 red. One car of red winter was offered at G.T.R. elevator for sample at $1, with no bid.

The Street Market.

The receipts of grain on the street to-day were fair and prices steady. About 400 bushels of wheat offered and sold $1.00 to $1.03 for fall, $1.02 to $1.04 for red winter, $1.03 to $1.04 for spring and 33 to 35 for goose. Barley steady, 400 bushels selling at 47c to 53c. Oats steady; 400 bushels selling at 33c to 34c. Peas nominal, at 57c to 61c. Hay quiet and steady, with sales of twenty loads at $13.50 to $16.00. Straw steady at $10.00 to $11.00 a ton for bundled and $7 for loose. Dressed hogs, $6.90 to $7.00. Beef, $3.50 to $5 for forequarters and $6.50 to $7.50 for hindquarters. Mutton, $7 to $9. Lamb, $9 to $11. Veal, $7.50 to $9.

Receipts of hay to-day were large, but as there was only a fair demand, prices dropped to $13 to $15, the highest price paid being $15, which went for a very fine load of timothy. Receipts of straw were fair and prices steady at $10 and $11.

LIVERPOOL MARKETS.

LIVERPOOL, May 7.—Wheat firm, demand poor; holders offer sparingly. Corn firm: demand fair. Spring wheat, 7s 4d; red winter, 6s 7d; No. 1 Cal., 7s 4d; Corn, 3s 10½d; peas, 5s 5d; pork, 62s 3d; lard, 35s 3d; bacon, long and short cleared, 32s 6d and 33s 9d; tallow, 25s; cheese, white and colored, 55s.

BEERBOHM'S REPORT.

LONDON, May 7.—Floating cargoes—Wheat firmer; corn nil. Arrivals—Wheat, 10. Sold—Wheat, 4. Waiting orders—Wheat, 17. Cargoes on passage—Wheat steadier; corn strong. French country markets steadier. Liverpool—Spot wheat steady; corn firmer. Corn 3s 10½d, ½d dearer.

Parallel Lines.

Every student knows that in close reasoning parallel lines of thought are laid down and deductions educed.

We have drawn the above visible lines simply to bring them prominently before your eye and to ask what they represent to you.

A railroad man to whom we showed them said, "To me those four lines represent a double-track railway."

A doctor replied to the same interrogatory, "The lines are to me the large arteries and veins lying alongside each other in the human body."

As every intelligent man or woman knows, the blood of every living person flows with almost railroad speed through the arteries, forced by this wonderful engine, the heart. From the arteries it is side-tracked through the capillaries and veins, and every drop of blood goes through the kidneys for purification no less than 2500 times every twenty-four hours. If the kidneys be diseased the impurities of the blood containing the worn-out tissues, and deleterious acids are not drawn out or excreted as nature intended, but continually pass and repass through every fiber of the system, carrying death and decay with every pulsation. Unless remedied the heart becomes weakened, the lungs trying to do double work break down, the liver becomes congested, the stomach refuses to digest food and the result is a general break down.

Why?

Because the kidneys, the sewers of the system, are foul and stopped up, and the entire blood becomes nothing more nor less than sewage.

Now is it not criminal, nay, suicidal, to allow such a state of things to continue when a simple remedy is within your reach, known for a certainty to do as represented, which will open the closed pipes of the kidneys, allow the effete matter to escape, relieve the overworked heart, lungs and liver, cause a healthy appetite, put the bloom of health in your cheek, the dove of hope in your breast and the light of life in your eye?

Do not allow prejudice to blind you to your best interests, but to-day procure Warner's Safe Cure and be put on the straight road to rude health and correct living.

Our parallel and closing lines to you are, take our advice and your exuerience will justify you in thanking us for bringing under your notice a remedy without a parallel.

It Makes You Hungry

"I have used Paine's Celery Compound and it has had a salutary effect. It invigorated the system and I feel like a new man. It improves the appetite and facilitates digestion." J. T. COPELAND, Primus, S. C.

Spring medicine means more now-a-days than it did ten years ago. The winter of 1888-89 has left the nerves *all fagged out*. The nerves must be strengthened, the blood purified, liver and bowels regulated. Paine's Celery Compound—*the Spring medicine of to-day*—does all this, as nothing else can. *Prescribed by Physicians. Recommended by Druggists. Endorsed by Ministers. Guaranteed by the Manufacturers to be*

The Best Spring Medicine.

"In the spring of 1887 I was all run down. I would get up in the morning with so tired a feeling, and was so weak that I could hardly get around. I bought a bottle of Paine's Celery Compound, and before I had taken it a week I felt very much better. I can cheerfully recommend it to all who need a building up and strengthening medicine." MRS.
