HALSEY'S FOREST WINE.

Mr. David Marvin, a celebrated practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of Sarsaparilla.—Messrs. S. S. Lampman & Co., the largest and most respectable Druggists in Syracuse, in a letter, say: —"From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good medicine, and will, undoubtedly, become the leading medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Halsey's Forest Wine, by recommending it to many of his patients. Sold by H. G. KINNEAR, St. John.—*See Advertisement in another column.*]

Extract of a letter received by Messrs. S. Wiggins & Son, of this City, from their correspondents in Halifax:—

"HALIFAX, Dec. 27.—Captain Grossard, of the ship "Henry Duncan," of Poole, loaded by you, reached here on the evening of the 25th instant, in search of assistance, having left his vessel near the entrance of the harbour, with fifteen or sixteen feet water in her hold. A few days after leaving St. John he encountered very heavy weather, which caused the ship to spring a leak, and continuing daily to increase, he deemed it advisable to bear up for this port. After making the light at Sambro' and getting a pilot he was blown off on the night of the 21st, but succeeded in getting in with the land again on the 23d; when attempting to reach Prospect Harbour, a few miles to leeward of the light, the ship struck on a reef at 8 p. m.—Shortly after, the crew left her, but returned again at daylight, when they procured further assistance, and got her into a place of safety, where she now lies. It is to be feared that she is in a bad state, as with the assistance of from twenty to twenty-five men from the shore, they cannot reduce the quantity of water in her. We have engaged a steamer, hourly expected, to tow hence to the harbour."
