You'll Be More Than Satisfied

if you get here in time to-morrow to buy one of these Two-piece Suits at $3.95. No chance for disappointment---every one of the eighty suits offered cost far more than three-ninety-five to manufacture. Needless to say, it's a rare thing to see as many as eighty suits going at less than their original manufacturing cost. But this merchandising opportunity turned up just in time for the last Friday before stock-taking, and by nine a. m. to-morrow, eighty men should walk out of this store, more than satisfied.

The materials are all-wool homespuns, Oxford tweeds, some tropical weight English tweed; single and double breasted; one-quarter lined; patch pockets; trousers in semi-pegtop style, with keepers for belt, and turn-up at bottom. Friday, at 8 a.m. **$3.95**
