JUDSON'S CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT,

FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and

CONSUMPTION.

DO NOT NEGLITECT.

CONSUMPTION

Can and has been cured in thousands of cases by this only certain remedy.

Judson's Chemical Extract of
CHERRY AND LUNGWORT,

and no remedy has ever before been discovered that will certainly CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless as to have been pronounced by physicians and friends to be past all possibility of recovery, and at times thought to be dying, has been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiar adopted to and essentially necessary for the cure of

COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all deceased matter by expectoration, producing a delightful change in the breathing and chest, and this after the prescriptions of the very best medical men, and the invention of kind and sorrowing friends and nurses have failed to give the smallest relief to the *Consumptice sufferer.*

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medines which were said to be *infallible cures*, but which have proved only palliatives, but this medicine is not only a palliative but *a cure for ulcerated lungs*. It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as *Spitting of blood, Coughs, pain in the side, night-sweats, &c.*

About 1000 certificates of almost *miraculous cures*, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like quackery, [will show them to any person, calling at our office.] This medicine will speak for itself, and enough in its own favour, wherever it is tried.

Caution—This medicine is put up in a large bottle, and you must find the name of Judson & Co., Proprietors, New-York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John St, New York.

To Owners of and Dealers in Horses.

CARLTON'S FOUNDER OINTMENT

For the cure of Founder, Split Hoof, Hoof-bound Horses, contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c, on Horses.

CARLTON'S RING-BONE CURE.

For the cure of Ring Bone, Blood Spavin, Windgalls, and Splint—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.

The changes of weather and season, with the change of use and feed, have a very great effect on the sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c., all of which will be prevented by cure, when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbiverous animals—all diseases arising from or proceeding a bad state of the blood, are speedily cured by them. Remember and ask for CARLETON'S CONDITION POWDERS, and take *no others.*

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES,

and for the cure of all diseases of man or beast that require *external* application, and for *contracted cords* and *muscles*, strengthens *weak limbs*, and is also used for *sprains, bruises, saddle galls, swelled legs*, and sores of all kinds on horses.

CARLETON'S Articles for Horses and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety cases out of one hundred any of the above complaints.—They have been used by Farmers, livery-men, stage proprietors and others, with the most marked and decided success.

Caution—None can be genuine unless you find the name of J. Carleton Comstock on he Wrapper of each article.

COMSTOCK'S VERMIFUGE.
