Keating's Cough Lozenges.

A certain remedy for disorders of the Pulmonary Organs, in difficulty of Breathing—in redundance of Phlegm—in frequent CONSUMPTION of which Cough is the most positive indication they are of unerring efficacy. In ASTHMA, and in WINTER COUGH, they have *never* been known to fail.

Keatings' Cough Lozenges are free from every deleterious ingredient; they may, therefore be taken at all times BY THE MOST DELICATE FEMALE AND BY THE YOUNGEST CHILD; while the Public Speaker and the Professional Singer will find them invaluable in allaying the hoarseness and irritation incidental to vocal exertions, and consequently a powerful auxiliary to the production of MELODIOUS EXECUTION.

Prepared and sold in Boxes and Tins of various sizes, by THOMAS KEATING, Chemist, &c., No 79, St. Paul's Church Yard, London. Sold Retail by all Druggists and Patent Medicine Venders in the World.

N. B.—To prevent spurious imitations, please to observe that the words "KEATING'S COUGH LOZENGES" are engraved on the Government Stamp of each box, without which none are genuine.

IMPORTANT TESTIMONIAL.

Copy of a Letter from the late COLONEL HAWKER, the well-known Author on "Guns and Shooting."

Longparish House, near Whitchurch, Hants, October 21st, 1846.

SIR,—I cannot resist informing you of the extraordinary effect I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks, that defied all that had been prescribed for me; and yet I got completely rid of it by taking about half a small box of your Lozenges which I find are the only ones that relieve the cough without injuring the stomach or digestive organs.

I am, Sir, your humble servant,

P. HAWKER.

MARVELLOUS REMEDY.

For a Marvellous Age.

Holloway's Ointment.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM & SCORBUTIC HUMOURS!

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS!

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment when having to cope with the worse case of sores, ores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East, large shipments of this Ointment to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness of contraction of the joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar disgusting complaints can be effectually cured if the Ointment be well rubbed in, over the parts affected, and by otherwise following the printed direction around each pot.

The Pills should be used conjointly with the Ointment in most of the following cases:

Bad Legs	Chapped hands	Piles
Bad Breasts	Coins (Soft)	Rheumatism
Burns	Cancers	Scalds
Bunions	Contracted and	Sore Nipples
Bite of Mad-	Stiff Joints	Sore throats
dog & snake	Elephantiasis	Sore heads
Sand Flies	Fistulas	Skin diseases
Coachy	Gout	Scurvy
Chilblains	Glandular Swelling	Tumours
	Lumbago	Ulcers
		Wounds
		Yaws

Sold at the establishment of Professor HOLLOWAY, 244, Strand, (near Temple Bar,) London and 80, Maiden Lane, New York, also by all respectable Druggists and Dealers in Medicines throughout the civilized World, and in all parts of Canada, at the following prices:—1s. 3d.; 3s. 3d. and 5s. sterling, each Pot.

☞ There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

DANDALION COFFEE.

A Novelty! A Rarity!! A Luxury!!

THE virtues of DANDALION have long been held in high estimation, but the difficulty of obtaining it in all seasons of the year, has impeded the wishes of the public in extending and promoting its more general use.

The above preparation is therefore offered to the public with confidence, as possessing all the properties of the plant, and when used according to direction, it forms a most agreeable drink. It is also used to improve the flavour of Coffee and Cocoa. Sold in packets at 1s. 9d. and 2s. 6d. sterling, by FELLOWS & CO.,

July 26. Opposite lower end Market street

Dr. Noble's Invigorating Balm.

THIS admirable preparation is the most effectual remedy known for Baldness and falling off of the Hair, giving it a rich glossy appearance, unequalled by anything of the kind. It contains no alcohol or alkaline substance, (as all the washes do which are now used,) and will restore the natural colour after those articles have deprived the hair of it. We can refer enquirers to persons, both old and young, many of them who have been bald several years, and have had their hair stored by this preparation. It acts by assisting nature and will in no way prove injurious. Prepared and Sold by FELLOWS & CO.

THOSE who believe Economy is the mother of Wealth, will seek Retrenchment in their Tailor's Bills, which in a Gentleman's annual expenses is a considerable item!

T. W. KELLY,

Late Foreman in the Woollen Hall, from his long experience respectfully suggests, that Gentlemen who may require his services, would do well to procure their own material, and by employing Mechanical skill in the construction of their Garments, win over the advantages resulting from this mode of Business—and emphatically pronounce it progress. T. W. K. has concluded to give the community the opportunity of making the experiment, pledging himself that all the skill he possesses shall be faithfully exercised for the benefit of his customers.

Credentials authentic and abundant are in his possession as to his ability as a practical Mechanic, and he trusts his NEW IDEA will meet with public patronage.
