KISBER WINS THE GRAND PRIZE OF PARIS.

Paris June 11, 1876.—The Grand Prize of Paris, the only race of any importance run in France, in which foreign bred horses are allowed to compete, was decided on the far famed Longchamps to-day, and was won by Mr Alexander Baltazzi's Kisber, the winner of the English Derby.

Just before the start the rates ruled 5 to 1 against Kisber, 10 to 1 against Kilt and Mondaine, and 20 to 1 against Eugenerrande, Braconnier and Camelia.

The horses were sent away on equitable terms, and after running about a mile Kisber drew out from all the rest and won in a common canter by four lengths.

Thirteenth Renewal of the Grand Prize of Paris, of $20,000 in specie, given half by the city of Paris and half by the five great railway companies; for colts and fillies foaled in 1873, of every description and country: added to a sweepstake of $200 each, 120 forfeit, and 100 only if declared by midnight preceding the race, and 20 if declared by midnight, May 1, 1876: the second to receive $2,000, and the third 1,000 out of the stakes: colts to carry 121 lbs., fillies 118 lbs. Closed with 162 subscribers. About one mile and seven furlongs.

REMARKABLE GAMES.

The following is the score of the most remarkable contest ever played between professional teams. It took place on Saturday on the Union Grounds, Brooklyn, N.Y. Nine innings, it will be seen, took place without a run.

Mutual..... 0 0 0 0 0 0 0 0 0 1—1
Cincinnati..... 0 0 0 0 0 0 0 0 0 0—0

The most remarkable game of base ball on record was that played in Providence, R.I., on Wednesday last, between the Rhode Island Club, of Providence, and the Taunton Club, of Taunton, Mass., both claimants to the title of champion of New England. It required seventeen innings to decide the contest, but the wonderful part of the display was the small number of errors made on either side. The home club aggregated but three errors, while the Tauntons, excepting the catcher, had only five accredited to them. The following is the score by innings:—

Rhode Island—1 0 0 1 0 0 0 0 0 0 0 0 0 0 0 0 0—4.
Taunton—0 0 0 0 0 0 0 1 1 0 0 0 0 0 0 0 0—2.

TECUMSEH vs. STANDARDS.

The first championship game between the Tecumsehs of London and the Standards of Hamilton was played at the latter place on Saturday. It was a soft thing for the Cockneys as the score shows. During the progress of the game a collision occurred between the catcher and 1st baseman of the Standards in running for a fly, which resulted in Crofton having his jaw bone broken and Fairbairn losing an upper tooth. The following is the complete score:—

Campbell's Quinine Wine.—Report from Dr. J. Baker Edwards, Ph. D. D.C.L. F.C.S. Professor of Chemistry and Microscopy.

I hereby certify that I have carefully analysed the samples of "Quinine Wine" submitted to me by Messrs. Kenneth Campbell & Co., with the following result:

No. 1—Dark in color and turbid, deposits a muddy sediment on standing, has a sweet and acid taste, Orange Flavor and scarcely bitter, yields on evaporation a thick syrup of inverted sugar, contains only a *microscopic trace of Quinine* and *Quinidine*, Is made with Orange Wine.

Sample X—Dark color, with dark muddy deposit on standing, has an acid and slightly bitter taste, contains *Cinchonine* but *no Quinine*. Is made with an *acid wine, not sherry*.

No. 3—Campbell's—Light color, clear, with no deposit, contains Disulphate of Quinine in the proportion of 1 grain to two fluid ounces. Is made with *sound sherry wine*

N.B.—The latter (Campbell's), is the only genuine "Quinine Wine" of the three samples examined.—Signed,

John Baker Edwards, Ph. D. D.C.L.F.C.S.
Prof. of Chemistry and Microscopy, Bishops' College and College of Industry, Montreal.
