DR. WARREN'S

BOTANIC LIFE TEA.

In sudden colds and slight attacks of disease, this preparation will, if resorted to in time, almost invariably effect a cure. Indigestion, Lassitude, Jaundice and diseases of the Liver, are speedily removed by its use. It strengthens the stomach and removes all morbid craving for alcoholic drinks.

☞ Men who follow the sea, or are otherwise exposed to inclement weather, will find this Tea very grateful, as its warming effects are in a moment diffused through the whole system. Sole agency for the Maritime Provinces.

Ayer's Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote and disappear. Hence its wonderful cures, many of which are publicly known, of **Scrofula**, and all scrofulous diseases, **Ulcers, Eruptions**, and eruptive disorders of the skin, **Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm**, and internal **Ulcerations of the Uterus, Stomach, and Liver.** It also cures other complaints, to which it would not seem especially adapted, such as **Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility**, and **Leucorrhœa**, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring, for by renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even when no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
