TENDERS FOR JAIL SUPPLIES.

The Markets and Health Committee Award their Usual Contracts.

The Markets and Health committee met yesterday. Present: Chairman James, Ald. Fleming, McMillan, Drayton, Carlyle (St. Andrews'), Verral, Johnston and Macdonald. It was decided to lay over the question of abolishing the 600-yard limit to St. Andrew's and St. Patrick's markets until the butchers interested had been notified. Ex-Ald. George M. Evans suggested that St. Andrew's market be made a market for general produce. A committee was appointed to purchase the horses for the department. Tenders were awarded as follows: Jail supplies—Milk, Chapman, Symons & Co., Yonge street, 4¼ cents per quart; bread, James Slatter, Parliament street, 6 cents per 3 pound loaf; meat, George Chessman, Parliament street, 4 9 10 cents per pound; dry goods, Simpson & Simpson, Colborne street; clothing for prisoners, C. Martin & Co., King street, $7.15 per suit; groceries, John Butcher, Queen street west; wagons for street watering, Smith Bros., Duke street, $822 for three; horses, S. J. Grand, 54 cents a day each; feed, T. McConnell & Co.; dog tags, Dorrien Plating company, 3½ cents each.

The Allan Line.

The full list of sailings of the Allan line steamships has now been published, and may be had at the company's office, corner of King and Yonge streets. Some important alterations have been made in the cabin plans of some of the steamships, and the inside rooms under the saloon of the Polynesian, Sarmatian, Circassian, Peruvian and Sardinian will no longer be used. All cabin passengers will now be berthed on the saloon deck on any of the steamships mentioned. The cabin rates by the mail steamers will be $60, $70, $80; return, $110, $130, $150. The cabin rates by the extra steamers to Liverpool direct will be $50 and $60 and $90 and $110 return.

The Circassian, the first extra steamer from Quebec, will leave May 14. The Polynesian will be the first mail steamer, and will leave Quebec May 20.

A short sea passage, the beautiful scenery of the River St. Lawrence, sure and close connection made at Point Levis by the Grand Trunk railway, or at Quebec by the Canadian Pacific (the passengers being taken direct to the steamer and put on board without expense) are amongst the many attractions and advantages offered by the Allan line and St. Lawrence route. x

Around the City Hall.

Mayor Howland was in his place, all smiles, yesterday.

During March Inspector Awde collected $891 in license fees, auctioneers, butchers, pedlars, cabs, billiards, etc. Since January he has collected $6980.

Special meeting, board of works, at 2 this afternoon.

A building permit has been issued to J. E. Thompson to erect a two-story and attic rough-cast, brick-fronted dwelling on Trinity square, to cost $2800.

The argument in the Garrison creek sewer investigation has been fixed for next Thursday.

Business Pointers.

If you want a good reliable watch cheap, call on Doherty, Queen street west.

Hello! who made your carriage? Why, J. P. Sullivan, 14 and 16 Alice street; he always gives satisfaction, run light, ride easy, guaranteed for one year. All orders are promptly attended to, and a large assortment of finished vehicles always on hand to select from.

Have you seen the new hat store? C. H. Tonkin (late of Tonkin Bros.) has opened at 718 Yonge street (North Toronto) with the most nobby stock of spring hats that can be procured. His prices are away down.

L. E. Kingsbury, 13 King street east, is—the—cheese man of the Dominion. He has cheese all sizes, shapes, colors, prices, etc. His Limburger is immense. Try a piece.

—A boy will *smoke*, a boy will joke,
A boy will always play;
But a boy won't flirt, a boy won't mash,
Because he ain't built that way.

A girl *will* flirt, a girl *will* mash,
But she won't give herself away;
A girl might smoke "*Toronto Belle*,"
If she were so built that way.

Sugar Made From Coal Tar.

—The great German chemist, Dr. Fahlberg, has recently invented a process for producing sugar of a rich pink color from common coal tar. Its chemical name is "anhydro orthosulphamine benzoic acid." The name is hardly so musical as Wheaton's Dupiez Shirt, and we do not think the product itself will ever become as popular as Wheaton & Co.'s goods are to-day. Leave your order at 17 King street west, cor. Jordan. 136x

Real Ladies

—Are those who can appreciate fine fitting garments, and *smart ones* are those who come right straight along and learn to be a first-class cutter by our Prof. Moody's New Tailor System of Dress and Mantle Cutting. Draft *direct* on your own material. Easy to learn. *Special inducements* to join our class for the next *few weeks*. Come at *once*. The World *says go at once*. *J. & A. Carter*, 372 Yonge street, corner Walton street, practical dress makers and milliners. 36

They Take the Lead.

Upholstering is one of the fine arts. To be a good upholsterer, means that a man must not only be a good workman, but that he must have a certain amount of good taste. T. F. Cummings & Co., 349 Yonge street, take the lead in Toronto. They turn out none but first class work, work that cannot be excelled. Ladies' work made up to order. Drawing-room suites a specialty. 246x

At it Again.

—As usual The Waterloo House is startling the natives with bargains; this time by offering an immense purchase of a well known make of ladies' corsets, worth $1.00, for 25c. and 33 cents. Over 100 pairs were sold in four hours. Ladies should hurry up for a good choice. The second drive is a line of about two thousand New York spring hats, 25c. and 35 cents each, really worth 75c., $1.00 and $1.25. 278 Yonge, cor. Alice. 246

—R. J. Licence & Co., wholesale and retail dealers in picture frames, mats, room mouldings, &c., &c., have opened out a new establishment at the south east corner of Bay and Adelaide streets, and are now fully prepared to supply all comers. The firm make a specialty of the above articles, and are second to none in regard to quality, price, &c. x

A Positive Fact.

—It will pay all parties using harness to call and inspect the Canadian Harness Co.'s grand display. They can save you from $5 to $10 a set. Blue Ribbon harness $18, worth $27; No. 2 for $13, worth $23; No. 3 for $10, worth $15. All work hand stitched and guaranteed in every respect. Sale rooms and factory, 104 Front street east, opposite Hay market. 246x

The Central Prison Fire.

—Among the crowd who witnessed the above fire Sunday were hundreds sporting Mackay's fashionable canes and smoking his Toronto Belle cigar. Mackay has the finest assortment of canes in the city, in all styles and prices, from 7c. up. Give him a call, 104½ Queen St. west. A. B. MACKAY. 246x

The Debate at Ottawa

—Is at an end, there is no more opposition, the reformers and conservatives have joined hands and agreed that there is no cigar equal to the General Middleton and Our Brave Boys brands, and that in the future they will smoke no other brands, manufactured only by w. e. dobson, Toronto. 246

Our New Mayor.

—The last election was noted for the number of women voters (or rather lady voters), but the man who will poll the largest vote for selling the best, cheapest, most endurable and novel baby carriage, is "Strathern," the "housefurnishing" man: 179 Yonge street. Poll early. 246x

Real Estate.

—Persons having real estate to sell are requested to leave description with Eager & Faulkner, 21 Adelaide street east. If desired, they will be published in their spring list free of expense. No charge is made unless sale is effected through them. 246x

—If you are contemplating making a trip to Europe, remember the loss of the steamship Oregon and invest a few dollars in a policy in the Accident Insurance company of North America. Medland & Jones, Equity Chambers, 20 Adelaide street east, are the general agents, and their telephone number is 1067. y246
