ORILLIA BEAT BRANTFORD.

Exhibition Game—Score 8—4—Lacrosse Notes.

Brantford, June 8.—(Special.)—The Minto Cup aspirants were badly beaten by the touring Orillias this afternoon by a score of 8 to 4.

The game was a very poor exhibition with a poor crowd in attendance. Apparently the locals made no attempt to win out. They were careless at nearly every position. The visitors played a steady game, their combination work being really good. Powers and Cain were absent from the home and their absence was much felt.

However, supporters feel confident of a big change on Saturday, when the Tecumsehs are here. To-day's game cannot be taken as any test of the Brantford's ability.

RACING ON MANY TRACKS HAMILTON FAVORITES WIN

After Warning From Judge Burke, Castro Captured His Second First—Results and Entries.

Favorites won four of the five events at Hamilton on Wednesday. The incident for gentlemen riders that could hardly be called a horse race, also went to the first choice. The card was made up of five $300 purses, silver cups going to the first and second in the amateur contest.

Apart from the third all the races were won easily, Powell taking the money from the second choice, Tom O'Day at the wire. The surprise was in the steeplechase, Mr. Churchill, at 10 to 1, going to the front at the water jump, and winning handily, Golden Way and Pillardist, even second choices, running second and third. The race was a splendid spectacle, all going the distance except Gracie K., that was never better than last.

It was Chauterelle all the way in the first, Dr. Guernsey, backed two ways, landed the place money easily. The second was just as easy for Chatelaine that ran her last time in the Seagram colors, Doc Graydon taking her to his stable after the race. Fanny Blazes, at long odds, with little support, was second and Euclaire third.

Revelston was a good thing in the half-bred hunters' flat and won almost as easily as Grandee took second or Mars third. The also rans carried their riders home with difficulty.

With one race to his credit, Castro had the mount on the favorite and Judge Burke gave him this warning as the horses paraded:

"Castro, ride that mare out or I'll take away your license." The favorite won all the way. Scarfell just as easily won second. G. W. Cook yesterday disposed of his six thorobreds to Archie Gates. The horses transferred are Benckart, Merriment, Orontas, Marston Moor, Too Many and Awe.

Hamilton had a heavy rain and the track was heavy. The Grand Trunk Railway special consisted of four well-filled cars, and was taken to the track and back in fast time.

Gravesend Touts Arrested.

New York, June 8.—Thirty professional touts or race track tipsters were arrested to-day at the entrance to the Gravesend race track, the action having been taken to abate an evil that has existed to the annoyance of passengers going by rail from the city to the tracks in this vicinity. It has been the practice of touts to crowd and push thru the trains on the way to the races, soliciting passengers to purchase "tips" on horses on the day's racing card.

TOURING CRICKETERS LOSE TORONTO 153, M'GILL 77

Good Scores by Dr. Cameron, Ferrie, Heighington, Baldwin and Leighton.

The touring cricket team from McGill College went up against Toronto C. C. yesterday and suffered defeat. The boys in crimson and green proved themselves proficient in handling the willow, six players reaching double figures. The other five also batted well. The other players had hard luck, going out for small scores, with the exception of Lucas, who played splendidly for 20 in the first and 29 in the second innings. McLachlan also played carefully for 37. Baber took eight wickets for 63 runs, Jones four for 32, Wallace three wickets for 28 runs. The game was very interesting, and many spectators enjoyed it, despite the cold, damp temperature. 'Twere well could cricketers arrange the weather and everyone would be happy. Score :
