CHRISTIAN FATHER'S PRESENT TO HIS FAMILY.

Important and interesting Work,

Embellished with

SEVERAL HUNDRED FINE ENGRAVINGS,

Just Published and for sale at the Hat & Fur store of GEO. & EDW. SEARS, King street, St. John, N. B., and sold by Booksellers generally throughout the British Provinces.

BIBLE BIOGRAPHY; or, the lives and characters of the principal personages recorded in the Sacred Writings; practically adapted to the instruction of youth and private families; together with an Appendix, containing thirty dissertations on the evidences of Divine Revelation, from Timpson's Key to the Bible; being a complete summary of Biblical Knowledge, carefully condensed and compiled from Scott, Doddridge, Gill, Patrick, Adam Clarke, Pool, Lowth, Horne, Wall, Stowe, Robinson, and other eminent writers on the scriptures; embellished with *Several Hundred Engravings on Wood,* illustrative of Scriptural scenes, Manners, Customs, etc.

OPINIONS OF THE PRESS.

From the New-York Evangelist.

This is a work possessing many novel and uncommonly attractive features. Its appearance is beautiful. Its biographical sketches embrace the most interesting incidents and events in the lives of the principal personages of the Scripture History woven together in a pleasing and sprightly narrative, and faithfully accompanied with excellent practical lessons. Its chief claim, however, to popularity, consists in its multitudinous pictorial embellishments.

Something like five hundred engravings on wood are contained in the volume, many of which are costly and elegant, and in a high style of art, and none discreditable to the theme of the work. These relate to numerous ancient and oriental customs, scenes, manners, history, &c.; and while they add great spirit and interest to the objects which they illustrate, form of themselves a pleasing and profitable study. The work is a rare combination of the useful and attractive—adapted at once to engage the attention and affect the heart. We should regard its possession by families—whose children may obtain from its striking representations of Scriptural truths and events lasting impressions of their reality—as highly desirable. The Appendix contains thirty brief but comprehensive and excellent essays upon the Evidences and Archæology of the Scriptures, which add greatly to the value of the work, as designed for the instruction of youth and families.

From the United States Literary Advertiser—A work of considerable attraction and value has just been published by Mr. SEARS, of this city, entitled "*Bible Biography,*" comprising the history of the lives and characters of the leading personages mentioned in Holy Writ. This volume should unquestionably find a welcome at every fireside throughout the country; its contents are as interesting as they are important and instructive, and the judicious editor has, by the aid of numerous pictorial embellishments, contrived to present us with one of the most attractive and at the same time useful books that have appeared this side the Atlantic. We trust the religious community at large will appreciate the work, and reward the liberal enterprize of the Publisher.

From the Boston Daily Mail.—"We cordially recommend this excellent book."

From the Boston Mercantile Journal.—"We can cheerfully recommend it to the notice of every Christian Parent, as a beautiful gift book to present to his family."

From the Boston Daily Times.—"An elegan work of five hundred pages, and containing about 500 engravings. The contents of the volume appear to be sound, judicious and interesting. If this book meets with a circulation commensurate with its merits, it will be found in every dwelling in the Union."

From the (N. Y.) Baptist Advocate.—"We cheerfully commend the book to the readers of the Advocate, as a work of much merit, furnished at a very cheap rate."

☞ Persons in the country, would do well to procure a subscription book, and obtain at once the names of all their friends and acquaintances, at least, as subscribers to this invaluable sacred gem. Will each Christian friend who complies with this request, have the kindness to inform the publisher how many copies will be wanted for his neighborhood, by mail, *(post paid,)* as soon as possible? It is his intention to spare neither pains nor expense to introduce this entirely new and original volume, into every family where the Holy Bible is read and respected.

☞ This beautiful and interesting Work consists of one large octavo volume, of about 500 pages, printed from new and elegant bourgeois type, on the finest paper. The price is fixed at $2 50 per volume, handsomely bound in gilt, and lettered.

☞ Agents—*responsible men*—wanted in every town and village throughout the British North American Provinces.

ALSO FOR SALE AS ABOVE—

The following Valuable and Popular Works, illustrated with many hundreds of Engravings, at New-York prices:

SEARS' ILLUSTRATED COMMENTARY OF THE OLD AND NEW TESTAMENTS,

in Three Volumes, of 400 p. p. each; and containing 600 Scriptural Engravings—elegantly bound in gilt and lettered. Price only $2 per Volume, or $6 for the sett. Too well known to require description.

The following recommendatory notice of this invaluable work, is from the Rev. W. C. Brownlee, D. D., of New York city:

"The second and third volumes are greatly superior to the first, both in regard to the execution of the plates, and in regard to the subjects selected. They are less imaginative and fanciful pieces, and abound more with real views of lands, mountains, and cities. Hence this work has a distinguished historical and antiquarian value. It is a very beautiful and rich publication, well calculated to attract youth, and all persons of taste, to the study of Biblical scenery and antiquities. We have been reading it with deep interest, as a work calculated in our opinion to promote Biblical knowledge—pleasing to the scholar, delightful to the christian, and tending to soften and correct the prejudices of unbelievers. He who possesses this work, has in fact, the substance of a little library on the scenery and antiquities of Scripture History."

V. A valuable little Work, suitable for presents for the young, and Sabbath Schools, with 130 illustrations of the Scriptures, 400 pp. 16mo, entitled

EASTERN ARTS AND ANTIQUITIES.

VI. Another useful little volume for young persons and Sabbath Schools, entitled BIBLE QUADRUPEDS, with splendidly engraved and printed illustration, 272 pp. 16mo.

☞ All the above books are found to be valuable additions to Sabbath School and religious Libraries, and are the most useful and suitable Gift Books for Holiday presents now published. Teachers and Parents are invited to call and examine these books.

They will be found the most popular and useful works ever published, for enterprising men to undertake the sale of in all our principal cities and towns. All Postmasters are requested to act as Agents.

BUNTING'S VETERINARY TABLET;

Being a Synopsis of the Diseases of Horses and Cattle, with their cause, symptoms and cure.

By Peter Bunting, Veterinary Practitioner, St. John.

THE Subscriber in offering this Work to a generous and discerning Public, would respectfully intimate, that it combines the experience of the most eminent Veterinary Surgeons and Practitioners in Europe, and that the whole has been carefully revised by the Author, and such alterations made therein as the peculiarity of the climate of New-Brunswick required. Notwithstanding the perfection to which the art has arrived in Great Britain, there are diseases known there, which have never been known to exist here, and vice versa; consequently an English Veterinary Tablet, would be found to be very imperfect indeed in North America. He would also beg leave to assure Farmers, and others, that with his Tablet before them, very few cases of disease would ever occur, which they would not be enabled to treat with perfect safety, by following the instructions there laid down.

For sale, neatly bound, (till further arrangements are made) at Mr. McMillan's, Phœnix Book store, Prince Wm. street; and by the proprietor, Sydney street, near st. Malachi's Church, st. John, N. B.—Price 2s. 6d. PETER BUNTING.

SHARP'S COMPOUND

Concentrated Alkaline

Infusion of Sarsaparilla.

SARSAPARILLA Has of late years been much used, and with great success in cases of Chronic Rheumatism, as an alterative in Scrofulous affections, Scurvy, Obstinate Cutaneous Eruptions, Indolent Ulcers, diseases of the Periostrum and bone, attended with obscure pains, wasting of the flesh, tenderness of the parts, tumours and nodes unconnected with Syphilis, and in that state of the habit known among medical men under the term *Cachexia,* but which it is not easy to define; in such cases Sarsaparilla proves a most valuable remedy, and often effects a cure when all other remedies have long been administered in vain, and when the diseased state of the system has been of many years duration.

It is also considered by the most eminent surgeons of the present day, to be the best medicine for re-establishing the constitution after it has undergone the effects of mercury.

The infusion contains all the properties of the Sarsaparilla, in a highly concentrated state, together with the addition of an alkali, which is strongly recommended by the late Abernethy, also by professor Brande, who in a late edition of his valuable work on Pharmacy, says, "the addition of an alkali in the preparation of Sarsaparilla, seems greatly to facilitate the extraction of the saluble matter, and may be used with great advantage."

Amongst the advocates for this medicine, may be mentioned the names of sir B. C. Brodie, Bart., sir James Clarke, the late sir A. Cooper, Bart., Drs. J. A. Paris, M. Ryan, Grahame, Marshall Hall, M.D. F. R. S. &c. &c. Prepared and sold in bottles, in 3s. 9d. each, by J. G. SHARP,
