TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasions more sickness and deaths to families than all other causes of disease put together. In the latter part of Summer and Autumn, when the atmosphere everywhere is poisoned from miasmas, arising from stagnant pools and decayed vegetation, whole families are taken down by Malignant Fever, Fever and Ague and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness, yet parent would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children are taken to the grave every year through neglect of parents to attend to the early symptoms of bile and foul stomachs.

Superiority of bile may always be known by some unfavorable symptoms, which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person at this season of the year is bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills are sufficient to keep a whole family from bilious attacks and sickness from six months to a year. A single dose, from 1 to 2, of them will end excellent Pills for a child, from 3 to 4 for an adult, and from 5 to 6 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and carry all morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, mind clear, giving a healthy appetite and good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids to digest and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels they cleanse and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and activity to both body and mind. They not her cause griping nor any other uneasiness whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful to cleanse the system.

The great amount of good these Pills have done for the sick and afflicted have induced thousands to recommend them to their friends and the public. Individuals of worth and integrity in almost every part of the country have testified to the world in the

Testimonial after testimonial showing their great powers of curing in all or most every disease. Some have been tendered to us by individuals of undoubted character and respectability. The following testimony is from a respectable and wealthy farmer of Genesee, New York:—

UTICA, November 9, 1848.

DR. G. W. HALSEY,—Every fall, for several years back, I have had more sickness in my family, of Bilious Disorders, and Fever and Fever. In the fall of 1846 I saw of my pills were taken at the same time with Bilious Fever. In former seasons, when such occurred in my family, I had always employed a Physician. But at this time having two boxes of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, one four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following morning the fever had left them, and they had recovered without any more sickness. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.
