DIVINE SARAH IS AGAIN UNDER KNIFE

By Courier Leased Wire.

New York, April 18—A slight improvement was evident this morning in the condition of Sarah Bernhardt, her physicians said. The actress was operated upon last night for an affection of the kidneys in an effort to save her life. It was stated several hours later that the patient displayed more vitality than had been anticipated.

A bulletin issued this forenoon read;

"Madam Bernhardt has rallied from the operation; is resting comfortably, but is still seriously ill."

New York, April 18.— Madame Sarah Bernhardt, the famous French actress, was operated upon at Mount Sinai Hospital last yesterday by Dr. Leo Buerger. She is dangerously ill with an infection of the kidneys and the operation was deemed the only hope of saving her life.

Assisting at the operation were the patient's personal physician, Dr. Felix Marot, who accompanied her from France, Dr. Samuel W. Lambert, Dr. Emanuel Libamn, Dr. Geo. Brewer and Dr. Emanuel Baruch.

After the operation Mme. Bernhardt was said to be resting quietly. The decision to resort to the knife was not reached until 10.30 o'clock last night. Early in the day improvement in her condition was apparent, but it took a sharp turn for the worse late in the afternoon.

Forest City Won Basketball Game Here Last Night

LONDON IN RUNNING

For Championship of Ontario Now

The London Junior basketball team completely outclassed their opponents, the St. Catharines juniors, in the semi finals that were played on the Y. M. C. A. floor here last night. The play-off was held here on neutral ground, as each of the opposing teams had won their home games by a margin of six points. The half time score was London, 33; St. Kitts, 18, and when the scorers finally drew a long breath and turned in their totals, the full time decision was London, 60; St. Kitts, 29. The Londoners got away to a good start, and with their superior combination play and steady checking methods had piled up seventeen points before their opponents could notch a basket. The boys from the Forest City displayed the best ability that has been witnessed on the local floor this season and their finished tactics were a revelation to the spectators. London was penalized to the extent of fifteen fouls while St. Kitts garnered in eleven.

As a result of their victory last night, the London juniors will play a sudden death game with Kingston, probably in Toronto, for the championship of Ontario. The teams and scores:

London		St. Catharines	
Gillies 10	Forward	Steels	9
Mascara 24	Forward	Bauman	12
Lightfoot 10	Centre	Mitchell	2
Cline 4	Guard	Disher	2
McGeoch 12	Guard	Manley	4

Total 60.

Half time score: London 33, St. Catharines 18.

Referee—McLeod, Hamilton.
Timekeeper—Smith, Hamilton.

LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to Flush Kidneys if Bladder bothers you —Drink lots of water

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

DISGRACEFUL DEFEAT FOR FOE IN VIMY FIGHT

Officers of Prussian Guard Deplore Fall of Ridge

MOST SERIOUS BLOW

Of Entire War Struck Through German Cowardice

Canadian Army Headquarters in France, April 7.—(By Stewart Lyon, Canadian Press Correspondent)—The Battle of Vimy was a disgraceful defeat for the enemy troops who took part in the action. This is the strongly held opinion of highborn officers of the Prussian Guard, captured by patrols on our front, where a whole brigade of this Guard has taken the place of the Bavarians drawn out after the battle.

An officer, who is well known in British Columbia, where he has visited as a big game hunter, says that despite the intensity of the cannonading of which, it is only fair to say, he had no personal experience, the Ridge could have been held against the infantry attack by resolute men who had served on the ridge and know the extent of the measures and means of sheltering the force holding it from bombardment. The blow has been the most serious yet inflicted, for the battle not only deprived his country of much war material, but indicated demoralization of the men who garrisoned the Ridge

Medical returns as to the wounded Germans taken in the battle, show that slightly over eight hundred out of a total of four thousand captured, required surgical treatment. There may be something in the officer's view that the bombardment produced a panic among the German infantry.

Smoke still rises from Lens, where the enemy seems to be burning everything of value. The mines may be wrecked in the Lens district, but the coals remain and new shafts will be sunk.

The enemy resistance on the southeast of the Vimy Ridge has stiffened. Everybody on this front has been greatly encouraged by the good news from the south of Arras.

During the recent scouting work of the Canadian cavalry, a young officer and patrol of less than a dozen men killed or captured several members of the fleeing German infantry. A concealed machine gun then opened fire on the horsemen. The lieutenant fell wounded, but refused the rescue proffered by his sergeant, who he ordered to run back to the infantry lines with the important information gathered during the ride through the enemy's country. The sergeant got through, but the lieutenant is posted as missing and is presumably a prisoner. His self-sacrifice had important results.

Work has been commenced on a six hundred foot dock at Sarnia for the Dominion Salt Company. It will take about a month to complete the job.

A party of ten nursing sisters left London on Monday to report at Montreal for service. Among the number was Lieut. Ella Garrett, of 47 Hale St, London. Miss Garrett is a graduate of Sarnia general hospital.

John Burgess was charged with desertion from a local Kingston battalion and was brought back from the United States by a military officer to stand trial.

The river at Lindsay was open almost to Sturgeon Lake but a few days since, while on the lake itself the ice was 30 inches thick.
