WESTERN ONTARIO EDITORS PLEDGE UNDIVIDED SUPPORT FOR BIG VICTORY LOAN DRIVE

Dailies and Weeklies in Several Counties To Vie With Each Other in "Putting Across" Boosts for Campaign—Newspapermen Will Leave No Stone Unturned to Make New Mark in Big Push.

A meeting of newspaper editors, chairmen of their respective counties for publicity in the Victory Loan drive, was held yesterday afternoon at the Tecumseh House. The division of which they are members embraces London, Middlesex, Elgin, Kent, Lambton and Essex. Most favorable reports of the co-operation pledged by the editors of all dailies and weeklies circulating in the division were given. Each country chairman is appointed to direct and assist the other editors in his county, and all of those concerned are enthusiastic over the prospects of a publicity campaign without a precedent in Ontario.

No district is more favorably endowed with newspapers and newspaper readers than Western Ontario. There are practically no people who do not take a keen interest in the affairs of their country, and by the agency of the press the need of securing the funds for the prosecution of the war will be brought home vividly to every man, woman and child.

Western Ontario Patriotism.

Every newspaper editor is asked to make the campaign in every section of these counties of such a nature as will demonstrate the selling power and patriotism of the Western Ontario newspapers. The whole province is divided into such divisions, and a competitive spirit has been developed which will count in the results.

Editors of newspapers in any of the counties should not hesitate to get in touch with their county chairman if they require assistance of any kind. Illustrations and ideas as well as literature will be gladly provided, and an effort to join the Western Ontario papers into one "40-horse" team should appeal to the sentiment of all those who believe in the province.

A. J. West, managing editor of the Border Cities Star, reported a sweeping campaign in sight for Windsor and its affiliated communities.

No Paid Canvassers.

Unlike most of the other cities, Windsor from the outset refused to have paid canvassers employed on the loan, and every dollar of the $6,000,000 objective will be secured by the work of citizens who give their time without monetary recompense.

Windsor will witness an attack from land, water and air during the course of the campaign. Airplanes will scatter literature over the city. Henry Ford's Eagles will swoop over the face of the Detroit River, and from all sides the citizens will be met inland by a steady bombardment of requests to sign the dotted line that buys a bond.

Mr. West is most enthusiastic for the success of the loan, and anticipates that Henry Ford will be prominent in the drive.

Will Put Over Loan.

A. D. Mackenzie, managing editor of the Sarnia Observer, reports a great interest among the nwspapermen of his county. They will do everything in their power to put over the loan, and have plans under way to enlist the interest of the public.

M. M. Maxwell, managing editor of the Chatham News, stated that the publicity machinery for Kent County was never in such good working order, and Mr. Bradley, for the St. Thomas Times-Journal and Elgin County, had a favorable report and many good suggestions.

W. J. Laut, managing editor of The Advertiser, divisional chairman, promised the support of the London newspapers to the general welfare of the Victory Loan. A. E. Miller, managing editor of the Free Press, who is chairman for London, was unable to be present.

IMPORTERS ARE ADVISED TO GET LICENSE BEFORE BUYING FROM ENGLAND

London importers have been advised of the necessity of securing licenses before importing from England goods which are on the restricted list.

Word to this effect was received yesterday by a local broker from his agent in London, England. "We would suggest that you keep in touch with the customs, and when you are ordering goods which are on the restricted list that you at the same time make application for license to import, and send the number either to us or to the manufacturers, so that it will be available when the goods are ready for shipment."

HARDLY ANY LECTURES CAN BE GIVEN AT THE MEDICAL SCHOOL NOW

First and second year lectures in the Western Medical College were allowed to be resumed Tuesday the medical officer of health stipulating that the students should "spread out" and that all crowding should be prevented. Out of eighteen members in first year class B, only five were present at the first lecture on Tuesday, and the afternoon lecture was cancelled owing to the fact that Fred Campbell, B.A., M.D., the lecturer is suffering from the "flu." Dr. Campbell was gold medalist of the Western a couple of years ago. Resuming the third, fourth and fifth year lectures is out of the question, owing to the fact that the men in these years have been enlisted to help the doctors, and the doctors are unable to give clinics.

PTE. HARRISON TAKES FIRST CLASS HOHORS

Pte. Arthur Harrison has been successful in obtaining first-class honors in mechanical engineering and motor driving, according to a letter received from him by his father, W. Harrison, 671 Dundas street.

Pte. Harrison left here in April with Section 12 of the 1st Canadian Tank Battalion, now in England. The fact that out of a class of 100 men only 18 passed the examination, shows that the test in which he won a first class certificate, qualifying him to drive a tank, was a stiff one.

CAMLACHIE ANNIVERSARY.

CAMLACHIE, Oct. 22.—Knox Church congregation held its anniversary services Sunday last at 11:30 a.m. and 7:30 p.m. There was a good attendance at both services. The choir rendered special music, and Rev. Mr. Campbell of Inwood was the preacher of the day.

HELPING THE WOUNDED

Our Canadian nurses are needed "over there" now as never before. This is the time to learn how to take care of the wounded, the sick—or any emergency. You can learn a great deal by obtaining the "Medical Adviser" from your nearest druggist, a book of 1,000 pages, bound in cloth, containing chapters on First Aid, Bandaging, Anatomy, Hygiene, Marriage, Mother and Babe; or send 50c to Dr. Pierce, Courtwright street, Bridgeburg, Ont.

Thousands of women in Canada have overcome their sufferings, and have been cured of woman's ills by Dr. Pierce's Favorite Prescription. Fainting spells, chills or great pain at regular or irregular intervals should be corrected, and every woman who suffers from backache, headache, nervousness, should take this "Prescription" of Dr. Pierce's. Send ten cents for trial package to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., or branch, Bridgeburg, Ont., or write for free confidential medical advice.

Toronto, Ont.—"As a tonic and builder I can highly recommend Dr. Pierce's Favorite Prescription to tired and rundown women. I am the mother of eight children and have frequently had need of such a tonic, but did not know what to take until my sister gave me some of the 'Favorite Prescription' which she herself had found to be good. It was exactly the tonic my system required and one bottle did wonders for me, so I take pleasure in telling others, hoping that they will give the 'Prescription' a trial and be benefited just as I have been."—Mrs. Elizabeth Taylor, 254 Ontario street.

Cuticura For Baby's Itchy Skin
For free sample of Cuticura Soap, Ointment and Talcum address "Cuticura, Dept. E, Boston." At all druggists.

DEATHS AND FUNERALS

BURIED AT WOODLAND.

The funeral of Miss Bessie Louise Smith, daughter of Mr. and Mrs. Ross Smith, was held on Tuesday to Woodland Cemetery. Rev. G. F. C. Morris conducted the services. The pallbearers were Harold Chapman, Harold Richmond, Mac George, George Gauld, Carleton Wells and Arthur Horwood.

LITTLE GIRL BURIED.

The funeral of little Elaine Raffaele was held from the residence of her parents, 576 Richmond street, at 2 o'clock Tuesday. Interment was made in St. Peter's Cemetery.

DEATH OF JOHN YOUNG.

The death of John Young occurred at his residence, 417 Dundas street, Tuesday. He is survived by his wife, Mary E. Young. The funeral will be held on Thursday from the family residence to Woodland Cemetery at 2 o'clock.

DEATH OF L. G. HOUSE.

The death occurred in this city Tuesday morning of Leonard Grant House, aged 32 years. Mr. House was a returned soldier, and is survived by a wife and one child in England. The arrangements for a military funeral will be made later.

FUNERAL OF J. T. FALCONER.

The funeral of the late James Templeton Falconer took place Tuesday afternoon from the family residence, 200 William street, and was largely attended. The service at the house was conducted by Rev. James McKay, of New St. James' Presbyterian Church.

The pallbearers were W. Mara, R. Syme, T. McDonald, J. Andrews, Wm. Mortimore and Archie McCallum. The interment took place in Mount Pleasant Cemetery.

LEAVES HUSBAND, TWO CHILDREN.

The death of Mrs. Lizzie May Corsaut occurred Tuesday afternoon at St. Joseph's Hospital from influenza, followed by pneumonia. She was in her 34th year, and is survived by her husband, James Corsaut, who left here with the 135th Battalion, and has been two years in France, besides two children, Hazel and Howard. Her parents also survive, in addition to four brothers, John and Arthur in France; and Jethro and Clarence of this city, and three sisters, Mrs. J. A. McLeod and Mrs. W. Ward, of Detroit, and Mrs. A. E. Brock of Buffalo.

The funeral will take place on Thursday from the undertaking parlors of Geo. E. Logan to Woodland Cemetery.

FUNERAL OF MRS. S. HENRY.

The death of Mrs. Sarah Henry, widow of John Henry, occurred in this city on October 14, at her residence, corner of Regina and Maitland streets. The funeral was held from St. Peter's Cathedral on October 17, where requiem high mass was sung by Rev. Father Hanlon, assisted by Father Brennan as deacon, and Father Brisson as subdeacon. The pallbearers were six grandsons, Wilfred, Gerald, Eddie and Francis Henry, Phillip Mohan and Lewis Mohan. Interment was made in St. Peter's Cemetery.

Mrs. Henry was 82 years of age, and a native of Bowmanville. She is survived by two daughters, Mrs. P. Mohan, 245 Pall Mall street, and Teresa at home, and three sons, J. B. Henry of 345 Maitland street, George and Frank of this city. Two sisters and two brothers also survive, Mrs. Henry, Mrs. B. Fitzmaurice and Mrs. I. Johnson, James Nesbitt and William Nesbitt, all of this city.

FUNERAL OF MRS. BLACK.

The funeral of Clara May Black, wife of Ernest Black, was held this afternoon from the family residence, 629 Lorne avenue. Interment was made in Woodland Cemetery, Rev. W. R. McIntosh conducting the services. Mrs. Black is survived by her husband, three young sons—Bert, Gordon and Neil, her mother, Mrs. Patton of this city, a sister, Miss Ida Patton, also of this city, and a brother, James Patton of Chicago.

DEATH OF MRS. G. A. SMITH.

The death of Mary Eliza Smith, wife of George A. Smith, occurred at an early hour this morning at the family residence, 143 Simcoe street, in her 60th year. The funeral will be held on Friday at 1:30 o'clock from the family residence to Mount Pleasant Cemetery. Evangelist T. L. Belcher of the York Street Mission will conduct the services. Mrs. Smith is survived by her husband, three daughters—Mrs. H. Snowden of this city, Mrs. C. Hammond of Detroit and Miss Susie at home, and two sons, George and Charles, both of this city. Mrs. Smith is also survived by four brothers and one sister, George Book, Adam Book, Charles E. Book, Richard Book and Mrs. Robert Weir.

DIED IN WESTMINSTER.

The death of William Rae of Westminster occurred at his home yesterday in his 80th year. He is survived by his wife, Marion Rae and two sons, James and John, and one daughter, Mrs. H. Farris of Sarnia Township. Interment will be made to Pond Mills Cemetery on Friday. The time of the funeral has not yet been arranged.

DIED ON WEDDING TRIP.

The death of Pte. John F. Wilson, in his 26th year, occurred in Woodstock on October 20. Pte. Wilson had only been married one week and was on his wedding trip. He and his wife had arrived at Woodstock on their way to London when he was taken suddenly ill and died in the hospital from Spanish influenza. The young couple had intended making their home here. The body has been shipped to this city, but no arrangements for the funeral have yet been made.

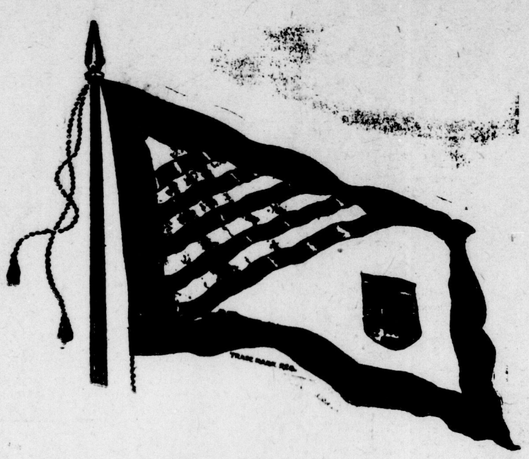
DEATH OF F. G. MARTLEW.

F. G. Martlew, an employee of Silverwood's, Limited, this city, died yesterday of Spanish influenza. He had been in the employ of the firm for the last five years. He was well known in sporting circles of this city, having won the all-round championship of the Harrier Club. He took an active part in physical classes, and was a member of the Y. M. C. A. senior basketball league. The Harrier Club, in which Martlew was a prominent member, has lost one of its best and most popular men. Mr. Martlew was an Englishman and came to this country some five years ago. Besides his wife, he leaves two small children, residing in this city. The remains were forwarded to Ingersoll this afternoon to the home of his wife's father. The interment will take place on Thursday.

DEATH OF EDWARD ALLEN.

Word was received by the local Canadian Express office this morning that Edward Allen had died suddenly on Tuesday night. Mr. Allen had been superintendent of the western division of the Canadian Express Company for several years, and was well known to London businessmen.

HONOR FLAG



VICTORY LOAN HONOR FLAG

WHO STRIPPED BUSH OF JERUSALEM CHERRIES ON LADY'S VERANDA STEP?

Are They Poison? She Asks, Either Fearful or Hopeful.

"Are Jerusalem cherries poisonous if taken internally?" a woman subscriber to The Advertiser asked today.

"Want to take them for Spanish influenza?" was a counter-question put to her.

"Can't," she replied, "they are already taken." And then a sad tale she did unfold.

Several weeks ago, the second Saturday in September, to be exact, she spied on the market a husky-looking little Jerusalem cherry plant, boasting some green berries, some yellowish green and some reddish yellow. She would have passed it by had not the vendor cried just at the psychological moment (that's what she called it, psychological), "Jerusalem cherries to decorate your Christmas table. Buy 'em now and get a big bargain."

She Fell.

She fell for the idea of the green plant with the glossy, red berries in a dull, green jardiniere showing glints of red which she had at home. She got a mental picture of it on Christmas Day, standing on a mission oak library table, the firelight playing upon it. She bought the plant and lugged it home.

She joyfully watched that plant develop, the appearance of berry after berry (or cherry after cherry) until the whole top was crowned. She watched the reddish yellow cherries ripen into brick red and the green into reddish yellow, and so on. Yesterday, when the sun shone warm and bright on her veranda, she decided to give her cherished Jerusalem cherry a sun bath. She put it right out on the foremost step of the veranda to give it a real outing. The shades of night were beginning to fall fast when she remembered it again and hied her forth to take it in. She wondered if it was the darkness or if her eyes deceived her. Or had a wicked fairy left a changeling?

All Gone.

All gone was the ruddy bloom of her cherries. Two alone remained, a hard, green cherry that no one could possibly covet, and a near red cherry that some inquisitive thumb nail had punctured. Left were the sockets from which the glowing cherries had been taken to identify it as the original plant.

The first inclination of the owner was to register extreme indignation, to get on the trail of the culprit and turn "it" over to justice. The second state of mind was one of fear. Supposing some children had eaten them and should die, whatever would their parents say? Being assured by a friend who didn't know any more about it than the plant owner herself that Jerusalem cherries weren't poison, and, in fact, people in Palestine made preserves out of them, the indignation of the robbed one waxed again.

"WHY," said she, "don't people train their children to leave things alone?"

"Did you?" asked her friend who had vivid recollections of peony rose bushes stripped bare of "little apples" and other devastation wrought by the infants of the woman who owned the Jerusalem cherry plant.

LEGAL QUERIES

R. S., BOTHWELL.—If the will of John Jones runs as follows: "I will and bequeath all my personal property, farm and implements, etc., to my son, John Jones, subject, however, to him paying the following legacies three years after the date of the death of my wife, Sally Jones, that is to say, to my son, Billy Jones, the sum of one thousand dollars, etc." If not paid on that date is the will legal? ANS.—Yes. Does he have 30 days more? ANS.—No.

NEWSPAPER EDITORS OF WESTERN ONTARIO PLAN ORGANIZATION

Move on Foot Here to Unite Provincial Publications West of Brantford.

An informal discussion of a proposal to organize a Western Ontario editors' association was held in this city yesterday on the occasion of a gathering of newspapermen to discuss publicity plans for this division of the Victory Loan.

A representation of the leading newspapers in Western Ontario was strongly in favor of uniting the editors of all newspapers published west of Brantford in an organization that would have for its objective the advancement of Western Ontario in every possible manner by a concerted effort.

Plan Eagerly Approved.

All of those who attended the meeting took up the suggestion eagerly and pointed remarks were made regarding the control of newspaper affairs at Toronto and the lack of interest shown in the affairs of the richest, mostly thickly populated district in Canada. While it was admitted that Toronto and the eastern division showed no spirit of opposition to the western newspapers, it was felt that a closer alliance of the newspapers in this district would work for the mutual welfare of the whole district.

The newspapers would have a mouthpiece and would get together to discuss questions of vital interest to their own communities and to the district which, insofar as sentiment and enterprise are concerned, form what might be regarded as a province distinct from the eastern portion.

Not an "Outlaw" Body.

In no sense would this be an "outlaw" organization, but it would be sectional and designed to advance mutual interests and to make Western Ontario a distinct entity. Those present felt that the new organization would be assured of a membership of at least sixty and that the editors of weeklies and dailies would be willing to join.

A committee, which will advance the organization immediately after the Victory Loan campaign, was named as follows: W. Laut, The Advertiser, chairman; A. J. West, Border Cities Star; M. M. Maxwell, Chatham Banner-News, and Mr. Bradley, St. Thomas Times-Journal. Any of these will be glad to receive the views of other editors regarding the proposal.

HE CAME, HE SAW, BUT HE DID NOT STAY TO GIVE ANY INFORMATION

Deputy Fire Marshal's Visit Here Was of Silent Variety.

When it comes to unobtrusive "enters and exits," bacon, biscuit, credit, or whatever is the prize, must be handed to Deputy Fire Marshal T. H. Cowan of Toronto, who stole into London a week after the gas explosion in the east end, two weeks ago last Saturday, and who left just as quietly over a week ago, without any publicity being given him as among those present.

"Yes, the deputy marshal was here for over a week," said Chief Aitken today. "I was out with him a couple of times, and saw Mr. Cowan for a few minutes before he left. He did not volunteer any information as to his discoveries here, nor did I ask for any."

It is not known whether Mr. Cowan wears rubber heels or is just naturally shy of newspapermen et al.

MINISTER OF EDUCATION TO DEAL WITH LOCAL PROBLEM OF TEACHERS

In connection with the trouble between some of the teachers and the board of education, Secretary R. M. McElheran has received a communication from Dr. Waugh, stating that he is gathering all the facts in connection with the case for the purpose of submitting it to the minister of education. Some time ago the matter was referred to Dr. Waugh as chief inspector of public and separate schools of Ontario, but nothing was heard from him until Tuesday. At present he is out of the province, but it is expected that he will return in the course of a few weeks.

VOICE OF THE PEOPLE

LORD MILNER'S VIEWS.

To the Editor of The Advertiser:

I feel that you are to be commended for your very strong editorial in today's issue, "A Diabolical Declaration." When reading in a previous edition the telegraphed summary of Lord Milner's address, I was conscious of a sickening feeling of disgust that was nauseating, and also a shuddering wonder as to how many of England's statesmen are permeated with the same ideas as Milner. There is a well-defined suspicion that their number is very large. The kaiser should send this South African admirer of his one of his "celebrated telegrams."

What are we fighting for anyway? To uphold what he calls a stable government in Germany? Most people in Canada at least have the idea that we are "over there" to assist in putting an end to the whole Hun system of government, which includes the kaiser and his family, and to do it in such a thorough way that they cannot by any possible means come back. Lord Milner to the contrary, notwithstanding. More and then more similar editorials will, I am sure, have a good effect. Faithfully yours,

M. G. HAY.

Brick street, Oct. 19, 1918.

To increase the defensive forces of the body against epidemics or illness take BOVRIL
Body-building power proved to be 10 to 20 times the usual ration
Canada Food Board License No. 13-442.

QUERIES REGARDING MILITARY SERVICE

Address Your Problems to the Military Editor of The Advertiser and They Will Be Answered From Official Information.

LIFELONG READER: Q.—I came home on pass for three days on October 12, and was taken sick with Spanish influenza the night I arrived home. Am I entitled to subsistence allowance and doctor's bill?

A.—Cases similar to yours are dealt with separately upon their respective merits. If there was a military doctor in the vicinity of your home you could have called to attend you you would not be granted your civilian doctor's fee. Moreover, if there was a military hospital near your home which you could have entered for treatment you have no claim for subsistence. Parade before your commanding officer on returning to your unit, provided with a certificate as to your illness, from your civilian doctor, and with his bill, state the facts to him, and he will forward your claim to district headquarters for consideration if the case is a worthy one.

BOTHWELLITE: Q.—1. I am 21 years old, and a farmer. I received leave of absence on June 20 for 30 days. Then I asked for an extension, and received 10 days. Then I applied again, and got a provisional leave, and now it is cancelled, and I have to report on the 31st of this month. If I apply for another leave or extension again will I get it?

2. Will the farmers' sons have to report on October 31, when they are free from the Spanish influenza and it is so bad in the Heights?

3. When I am the only son and only support of my parents, if I can prove that I would be of more use to them for the winter, could I obtain leave of absence?

A.—1. It is not likely that any further leave of absence will be given to farmers, several extension having already been granted to harvest the crops. The military authorities have announced that all harvest leave expires October 31.

2. Yes. According to present arrangements these men will receive a searching medical examination on return back to their units. The Spanish influenaz epidemic is abating at Carling Heights, and it is hoped by the military authorities that it will be eliminated by October 31st.

3. Your case will be dealt with on its merits, and if the military authorities consider your claim just one you will receive indefinite leave of absence. Parade before your commanding officer on reporting for service, with full facts of your case and proof of same, and your claim will be considered.

READER: Q.—Are badges issued to men of 19 years of age who tried to enlist and were placed in Category C1.?

2. If so, where are they obtained?

3. Should I have received exemption papers, as I am now 20 years of age?

4. Could I get them by sending my medical history sheets to the proper authorities?

5. If so, where?

A.—There are service badges issued to men who endeavored to enlist and were rejeted as medically unfit for military service, and if you were rejected on voluntarily applying for enlistment you are entitled to same.

2. They are sent out from Ottawa, and application blanks for same may be obtained by writing to Major C. O. Fairbank, War Service Badge Department, Wolseley Barracks, London, Ont.

3. No.

4. You should have registered with the 19-year-old class, as the fact that you endeavored to enlist did not exempt you. Write to the deputy registrar, giving your full name, date of birth, address and occupation immediately, and inclose on a separate sheet a brief explanation why you did not register previously. You are now a defaulter, failing to register for military service with the deputy registrar, and you should rectify the matter by registering at once before being accosted by the police.

5. Register with the deputy registrar, Royal Bank Building, London, Ont.

SOLDIER'S WIFE: Q.—Have all married men, having served in France, received three months' pay and three months' separation allowance on discharge?

A.—Regulations state that any man who has served at least six months in the Canadian army, any part of which has been overseas, and has been honorably discharged, is entitled to three months' pay of rank at discharge. This includes separation allowance if the soldier is entitled to same. Perhaps all men entitled to such pay have not yet received same, on account of the military authorities not being able to locate them, but they will receive it on making application for same to the proper authorities. The present mode of procedure is to give each eligible discharged man one month's post discharge pay and separation allowance on discharge, the balance to be forwarded to him during the ensuing two months.

OLD BILL. Q.—1. I have been drafted into the Western Ontario Regiment. Can I be transferred to the Siberian Expeditionary Force?

2. To whom should I apply for same?

3. What branches of the service are open for recruits in the Siberian Expeditionary Force?

A.—1. Yes, provided that your officer commanding will recommend your transfer.

2. To your commanding officer.

3. Military headquarters informs The Advertiser that it will be necessary for you to transfer to the Siberian Infantry, as you are now serving in that branch of the service.

F. H. B. Q.—1. An A2 man aged 26 is exempted until November on account of supporting his widowed mother, his brother being overseas. If he applies for an extension and is refused, has he any choice of unit?

2. If he reports for service and applies for leave of absence, is he obliged to serve with his unit until it is granted?

3. In the event of more men being required in view of heavy casualties, would it not be probable that men on such leave will be called before class 2 is called up?

A.—1. No. He must serve in the Western Ontario Regiment, unless he enlists voluntarily before being ordered to report for service, and if the latter course is pursued he can enlist in any branch of the service accepting men of his category.

2. Yes.

3. There is no official information available as to which class will be called to serve first, but the Government reserves the privilege of cancelling all leave of absence if the need for men warrants such procedure.

LONDON MAY REACH MILLION MARK

Despite the war and conditions arising out of it, London thus far has had a good year in the building trades. To date $733,050 worth of permits have been taken out. This is about $15,000 above the amount of permits for the ten months ending October 31, last year. It is anticipated that before the end of the year nearly $1,000,000 worth of permits will have been taken out.

Why People Feel Depressed In the Cold Weather

Why is tiredness and languor so prevalent just now? A physician explained that the cold of winter drives blood from the surface of the body to the liver. Normally one-fourth of the whole blood supply is in the liver, and when more blood is accumulated in that organ everything goes wrong.

No better remedy exists than Dr. Hamilton's Pills, which are composed of such vegetable extracts as Mandrake and Butternut, and possess wonderful liver stimulating powers. It's a marvel the way Hamilton's Pills clear the blood of the poisonous humors. They put new life into worn out bodies, build up the appetite, bring back a reserve of nerve energy, tide folks over the cold days of winter and the depressing days of spring. For your health and body comfort get a 25c box of Dr. Hamilton's Pills today.

LOOK AT CHILD'S TONGUE IF SICK, CROSS, FEVERISH

Hurry, Mother! Remove poisons from little stomach, liver, bowels.

Give "California Syrup of Figs" at once if bilious or constipated.

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative;" they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

FORMER LONDONER DIES IN ARIZONA

Word has been received in the city that John L. Ginge, formerly manager of the Canadian Auto Devices Company of this city, died Saturday in Phoenix, Ariz. Mr. Ginge had not been in the best of health for a long time, and about a year ago he decided, along with his mother, to go south, hoping that the warmer climate would be better for him.

Besides his mother, he is survived by one sister in England. It has not yet been decided whether interment will take place in Arizona or whether the remains will be brought to this city.

INFLUENZA CLAIMS MORE VICTIMS THAN GERMAN BULLETS

Disease Can Be Avoided By Keeping Physically Fit, Declare Health Authorities.

According to carefully-compiled statistics, it is an indisputable fact that the Spanish Influenza Epidemic which is now sweeping all parts of the country is daily claiming far more victims than German bullets on the battle fronts of Europe. Although civil and military authorities have succeeded in checking the disease in some localities, it is growing worse in others and continues to spread at an alarming rate. That the disease can be avoided there is no longer any doubt. According to leading authorities, the powers of resistance of the human system can be so perfected that it can throw off almost any infection, not even excepting Spanish Influenza, which is one of the most contagious diseases known.

It is persons who are suffering from lowered vitality, who are weak and rundown and who have not the strength to throw it off who are the earliest victims. Persons who have bad colds, who are suffering from catarrhal troubles, or inflammation of the mucous membranes, are especially susceptible, as the inflamed mucous membrane linings of the nose and throat are an open door to the germs. This condition is almost always accompanied by a weakened condition of the system.

If you are suffering from any of these symptoms, nothing on earth will build you up and strengthen you like Tanlac, which contains the most powerful tonic properties known to science.

This statement is easily proven by the fact that Tanlac is now having the greatest sale of any system tonic in the history of medicine. In less than four years' time over Ten Million Bottles have been sold and the demand is constantly increasing. Thousands are using it daily for the above troubles with the most astonishing and gratifying results.

Tanlac increases your strength and weight and creates a good, healthy appetite for nourishing food. It keeps you physically fit and helps every organ of the body perform its proper function in the natural way.

In connection with the Tanlac Treatment be sure and keep the bowels open by taking Tanlac Laxative Tablets, samples of which are included in every bottle.

Tanlac is sold in London by Standard Drug, Limited, and by an established agency in every town. O.21,23

We would remind you of the well-known fact that
Fruit Cake and Candy
especially Chocolates, are among the things that travel best and are most acceptable to the men at the front. We have a fine stock of these and many other things for the overseas box.
