Rowing Durnan's Matches ⁂ Hockey Parkdale 5 Stratford 2 ⁂ Curling First Games at Winnipeg

Note and Comment

Eddie Durnan's new shell, built by Sims of Putney, Eng., arrived last week, and his second boat by Phillips, the new Putney builder, is expected any day. Each is about 24 lbs. in weight, and the one that suits him best will be retained by the American champion and the other disposed of.

Durnan has things in pretty good shape for his race next July with Bill Haines of Boston. They have the first forfeit of $100 each up in the office of The Boston Globe. One condition is that in case he matches with Dick Arnst for the world's championship Durnan can cancel the Boston match.

The last letter from Arnst showed that the New Zealander is very anxious to row in Canada. As champion he named conditions as follows: Stake, $2500 a side, $1000 expenses and half the steamboat money and the title. These terms are satisfactory to Durnan, and on the latter's acceptance Arnst will cable his first forfeit of $500.

However, there is a hitch. Mr. Durnan has been unable to make any arrangements whatever with the Toronto Ferry Co. Every one knows that the steamboats play an essential part in the professional races and thus, failing to come to terms with the Hanlan's Point people, Durnan proposes to go ahead with the Haines race and if necessary have the same decided on Hamilton bay. The stake is $2000—that is $1000 a mile. Haines is Durnan's senior in years, being 43. He is at present coach of the Union Boat Club of Boston.

As in the Hackett race Durnan will back himself with his own money against Haines, and if the Ferry Co. will consent to the use of some of their boats on a Wednesday or Thursday afternoon Eddie will also put up the $2500 stake and $1000 expenses for a race next fall for the championship of the world with Dick Arnst of Christ Church, New Zealand.

W. C. Baker, the well-known Montreal cricketer, was a visitor to the city yesterday, just arriving at Dr. Dean's house in time to see the fire. He is well pleased with the outlook of the game, and especially over the assured transfer of the headquarters of the Canadian Cricket Association from Toronto to Winnipeg. This will be brought about at the annual meeting of the C.C.A. in Toronto Tuesday, Feb. 27.

Hilliard Lang yesterday left his room after a sojourn of six weeks. Dr. McDonald of Toronto fixed up the broken bones in his nose and hand and also stitched up his lip. Added to this Lang had a severe attack of bronchitis. The Canadian champion is queried daily for bouts, his latest being an offer that came yesterday from New York offering him a match with Mike Gibbons.

Mount Forest Play Argonauts To-night

Mount Forest play Argonauts the return game in the second round of the O.H.A. intermediate series at the Excelsior Rink at 8.15 this evening. In the first game Mount Forest were returned the winners by 12 to 5. The oarsmen claim that the rink in Mount Forest bothered them and that they can pull out the round this evening. Mount Forest are bringing along a good number of supporters, while the Mount Forest Old Boys' Association of the city intend turning out in force to cheer for the town boys. The most probable line-up will be:

Mount Forest: Goal, Hinchy; point, Brebber; cover, Langdon; rover, McNiven; centre, Carter; right, Murphy; left, McEwan.

Argonauts: Goal, Corbould; point, Stewart; cover, Reesor; rover, Smith; centre, Kerr; right, Adams; left, Lesueur.

Referee—Steve Vair.

National and American League Stars Compared

The National League appears to be fortunate in the matter of securing good receivers. New York has Meyers, Wilson, Hartley, Paulette and a couple of recruits, while Wolverton of the New York Americans is scouting around vigorously looking for a catcher who can be relied upon to relieve Sweeney.

There are many fine backstops in either league, and yet taken collectively Meyers, Archer, Lynnahan, Kling, Dooin, Wilson, Simon and McLean would probably have a shade on Thomas, Stanage, Street, Lapp, Sullivan, Sweeney, Corrigan and Fisher.

The National League is also fortunate in the matter of first basemen. Even with Chase, McInnis, Stahl and Gainor to head it, the American League can show no such list as Chance, Daubert, Konetchy, Hoblitzell, Merkle and Luderus.

At the second, Doyle, Evers, Knabe, Zimmerman and Guggins are no greater collection that Lajoie, Collins, Delahanty, Gardner and Ball, while at third Baker, Lord, Engle, Hartzell and Moriarity would certainly concede nothing to Lobert, Herzog, Byrne, Mowrey and Grant.

Both leagues are strong at short; Wagner, Tinker, Doolan, Fletcher, Barry, Bush, McBride and Wallace are all of stellar magnitude.

When it comes to the outfield, however, the National League can show no such galaxy as Cobb, Jackson, Cree, Speaker, Milan, Murphy, Crawford, Callahan and Bodie.

Willie Lewis has gone into training for his ten-round fight with Mike Gibbons, scheduled to be held in New York on Feb. 23. This fight is expected to decide the welterweight championship.

TORONTO RINKS GOOD WINNERS

R. B. Rice Only Loser—Flavelle Beats His Man—Preliminary Games in the Dingwall.

WINNIPEG, Feb. 8.—The opening day of Manitoba's twenty-fourth annual bonspiel was featured by the singular success of the big outside competitors. The one big game of the day took place at noon between Cassidy of Winnipeg and Dunbar of St. Paul. Cassidy and Dunbar are probably the two greatest living exponents of the game. Cassidy outplay jammed the ring to see Cassidy outplay the St. Paul man by a score of 10 to 7. R. B. Rice of Toronto was the only eastern rink to meet defeat in the day's play, and it took Aldous of Winnipeg thirteen ends to turn the trick by a margin of one point. The arrival of the delegation from Scotland was the social feature of the day. A civic breakfast was the big function of the morning, and the men from the highlands are having a hard time to partake of the city's hospitality and curl at the same time. To-night a smoker is being given them.

SOCCER IN THE UNITED STATES.

NEW YORK, Feb. 8.—An organization which promises to be a power in soccer football circles in the United States came into existence when a special meeting was held yesterday, at which delegates from ten of the clubs affiliated with the old New York State Football Association attended.

What was formerly the State Association went out of existence when the delegates unanimously voted to accept the constitution, bylaws and regulations which had been submitted and read at a previous meeting. The new body is known as the American Amateur Football Association, and in addition to the allegiance of the New York and District Amateur League and the Metropolitan Football Association expects to affiliate with it in the near future associations and leagues in other parts of the country.

H. Agar, president of the old association; W. A. Campbell, vice-president; G. Bourne, treasurer, and Robert MacCulloch, secretary, retained their respective offices in the American Association.

Hockey Gossip

Parkdale's victory over Stratford last night has made Saturday night's game of considerable importance. Should T.A.A.C. pull out a win then Parkdale and Eatons will be tie for first place.

Following is the standing in senior group No. 2:

	W.	L.	—Goals— For.	Agst.
Eatons	4	1	43	28
Parkdale	4	2	35	29
T. A. A. C.	2	3	33	23
Stratford	1	5	23	45

T.A.A.C. are the only club who have this season defeated the Eaton team and they figure that as they won at the Excelsior before they can do it again. Eatons would have preferred to have played the game at the Ravina, as they figure their chances better out there.

Eatons will have their usual line-up, while T.A.A.C. will use McArthur in goal, Williams at point, McLean at cover, Burrell at rover, Crane from the juniors at centre, Brown on the right and McCamus on the left. Chaucer Elliott will be the referee.

Practices at the Excelsior Rink for today are as follows: 3.30 to 4.30, Upper Canada; 4.30 to 5.30, St. Andrews; 6 to 7, Eatons; 8.15, Mount Forest v. Argos.

LAID $10,000 AGAINST FAVORITE—WINS BY NOSE.

"Texas Tom" Walsh was making book for Louis A. Cella at Washington Park the day Peytonia won the first race at 6 to 1. Cella gave Walsh a $10,000 bank roll and told him to go easy until he had obtained a line on the horses. Walsh tore loose on the first race. Maid Marian, fastest sprinter in the west, was in a mile dash with a bunch of 1.39 ponies. The other bookmakers opened Maid Marian at even mono yand laid 600 to 1 Peytonia.

Walsh decided to take a "fall" out of Maid Marian and took in $10,000 against the mare at even money.

"You'll lose the entire bank roll if that mare wins," shouted the sheet writer to Walsh.

"That's all right, Willie Wisenheimer," declared Walsh. "Don't worry about Maid Marian winning; I've doped this race to the limit. The Maid hasn't even a ghost of a chance. The only way she can win is for the other eight nags to fall down."

Walsh and his crew viewed the race from the grand stand. Maid Marian, running in Plunger Chris Smith's red, white and blue colors, got off last and had to race around her field.

Peytonia broke in front and was leading by ten lengths at the first quarter; at the half Peytonia was 15 lengths to the good, and at the six-furlong pole she led by ten lengths, with Maid Marian third and coming fast.

Peytonia tired badly in the stretch and against Peytonia.

Maid Marian and three other horses closed strong. The four nags swept under the judges' stand noses apart. Nobody could pick the winner. You could have heard a pin drop in the stand, packed with 25,000 people. The judges were some time hanging out the winning numbers. Finally they came: Peytonia, first; Maid Marian, second. It was a hair line decision. Nothing closer was ever decided on the American turf.

Walsh's crew congratulated him on winning $10,000 when he returned to the box. Tom accepted the honors paid him with becoming dignity, but he couldn't keep from shouting:

"It was just as I told you before the race. That mare Maid Marian never had a chance to win. I should have won a million on that race. It was one spot for a game gazook to take a welching chance."

It is needless to add that Texas Tom was broke flatter than a pancake when he died in St. Louis.

Many Changes Made In American Rugby

Eliminate Onside Kick — Increase Value of Touchdown—Playing Field Has Been Shortened From 110 to 100 Yards.

NEW YORK, Feb. 5.—The football rules committee which has been working in secret here for two days upon innumerable suggestions for altering the game, came to unanimous decision late to-day in favor of several fundamental changes.

The lines of its anticipated improvements are in substance as follows: 1. The playing field, now 110 yards in length, will be shortened to an even 100 yards. 2. An area of ten yards width beyond the goal lines is set apart, and in this the attacking team will be allowed to use the forward pass. 3. The number of "downs" to gain ten yards is increased by one. 4. The on-side kick is entirely eliminated. 5. The value of a touchdown is increased from 5 points to 6 points, the goal from touch-down and other scores standing as at present. 6. The twenty yards zone in which the present rules now provide restrictions to interference with the forward pass is eliminated so that the restrictions will apply now to any part of the field. 7. In case of a touch back the ball will be put in play from the twenty yard line instead of the twenty-five yard line. 8. On a kick-off, the ball, instead of being put in play in the centre of the field, will be put in play from the forty-yard line of the team kicking off. 9. The field judge is eliminated. The headlines man will hereafter keep time and be judge of offside plays in the line of scrimmage. 10. The number of men allowed on the side lines, now three, will be reduced to one for each team. 11. A provision will be made to the effect that a bounding call cannot score a legitimate goal. 12. The resting interval between the first and second and the third and fourth periods is reduced from two minutes to one minute.

Percy Foy Banqueted.

Before his departure for Chicago yesterday afternoon Percy Foy was tendered a dinner by a circle of his friends at the St. Charles' Cafe and that Toronto was losing a good fellow was well vouched for by the tribute paid him by the different speakers, all declaring that no more popular boy ever left Toronto or with any more good wishes, and at the Union Station, when the train pulled out, Percy was given three cheers and a tiger. Those participating in the speeches at the dinner were the following: Jerry Dolan (Chairman), Karl Roy, J. J. Ryan, Harry Webster, W. P. Parkinson, Ernest Reinhardt, Carl Schmack and Art Bryson.
